Independent Auditor's Report

To the Trustees and Plan Administrator of the
Bescast 401(k) Retirement Plan
Willoughby, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed the audits of the financial statements of the Bescast 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's 2023 and 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the 2023 and 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2023 and 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2023 and 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 and 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan

The following description of the Bescast 401(k) Retirement Plan provides only general information. Participants should refer to the Plan document and its amendments or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established March 1, 1994, covering substantially all employees of Bescast, Inc. (the "Company"). Employees are eligible to participate in the plan upon reaching the age of eighteen and completing two months of service. The Plan is a single employer plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustees along with investment advisors oversee the governance of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Eligibility

Employees are eligible with respect to the Company match and profit-sharing provisions after reaching the age of 18 and twelve months with 1,000 hours of service.

Contributions

Each year, participants may elect to defer a percentage of their compensation up to the maximum amount allowed by law. Participants direct the investment of all contributions into various investment options offered by the Plan. Participants who do not have a specific amount contributed to the Plan will automatically have 3% of their compensation deferred. The Company elected to make matching employer contributions of \$174,098 and \$148,424 for the years ended December 31, 2023, and 2022, respectively. The Company also has the option of making an additional discretionary profit-sharing contribution. There were no discretionary profit-sharing contributions made for the years ending December 31, 2023, and 2022. In addition, rollover contributions are allowed into the Plan. Rollover contributions into the Plan were \$127,452 and \$82,133 for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution as well as allocations of the Company's matching and discretionary profit-sharing contributions along with Plan earnings or losses and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BESCAST 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan - Continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after 3 years of service. In addition, participants are 100% vested upon normal or early retirement age or on the date they become disabled, as defined in the Plan.

The graduated vesting schedule with respect to the Company's matching and profit-sharing contributions are as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	50%
3 or more	100%

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 (maximum subject to other provisions). Loan repayment terms may not exceed 5 years except for the purchase of a primary residence which can be repaid for up to 20 years. A participant may only have one loan outstanding at a time with repayments made monthly through payroll deductions. Loans may be prepaid without penalty. The general purpose and primary residence loan rate is prime rate plus 1. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.25%.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Benefits will be automatically distributed if his or her vested account balance is \$1,000 or less. All distributions in excess of \$5,000 require participant consent.

The Plan allows for hardship withdrawals which are restricted to a participant's elective deferral account. Also, the Plan allows for in service withdrawals from a participant's elective deferral account as well as his or her vested interest in the matching and discretionary contribution accounts upon attaining the age of 59½. In service withdrawals with respect to a participant's rollover contribution account are allowed at any time.

Net assets available for benefits did not include any benefits allocated to participants who had withdrawn from the Plan but had not received their distribution as of December 31, 2023, and 2022.

401(k) RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan - Continued

Forfeitures

Forfeited balances can be used to reduce Company contributions or pay Plan expenses. Employer contributions were reduced by \$680 and \$839 from forfeited accounts for the years ending December 31, 2023 and 2022, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on a settlement date basis. Interest and dividends are recorded on a cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net (depreciation) appreciation of fair value of investments.

BESCAST 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 2: Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. For participants who have withdrawn from the Plan, loans are reclassified as distributions and included in benefits paid which totaled \$26,267 and \$8,097 for the years ending December 31, 2023, and 2022, respectively. No allowance for credit losses on notes has been recorded as of December 31, 2023, and 2022. Notes receivable from participants as of December 31, 2023, and 2022 were \$157,442 and \$145,426, respectively.

Date of Managements Review of Subsequent Events

Subsequent events have been evaluated by the trustees through September 27, 2024, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 and Level 2 inputs were not available.

BESCAST 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 3: Fair Value Measurements - Continued

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements:

There were no Level 2 assets held by the Plan at December 31, 2023 and 2022.

Level 3 Fair Value Measurements:

There were no Level 3 assets held by the Plan at December 31, 2023 and 2022.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		<i>Fair Value Measurements at Reporting Date Using:</i>		
		Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)

**BESCAST
401(k) RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2023 and 2022

Note 3: Fair Value Measurements - Continued

The common collective trust fund with a balance of \$818,095 and \$1,925,556 at December 31, 2023 and 2022, respectively, is measured at fair value using the net asset value per share (or its equivalent) practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023, and 2022 are reported in net (depreciation) appreciation in fair value of investments.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value Level to another.

Note 4: Information Certified by the Custodian

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net (depreciation)/appreciation in fair value of investments for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the custodian. Auditing procedures have not been performed on this information except to compare such information to the information included in the accompanying financial statements.

Note 5: Related Party and Party-In-Interest Transactions

At December 31, 2023 and 2022, there were no Party-In-Interest transactions with respect to the investments held by the Plan. Administrative fees to custodians and trustees paid by the Plan amounted to \$43,886 and \$44,977 for the years ended December 31, 2023, and 2022, respectively. Participant loans are disclosed in Note 2.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

BESCAST 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 7: Tax Status

The Internal Revenue Service has determined by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the determination date, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and, is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan Administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2020.

Note 8: Plan Amendments

The Plan was amended in January 2023 with additional permissible investment options offered to the Employer and Plan participants through Fidelity.

The Plan was also amended in July 2023 with respect to withdrawal and loan services offered by Fidelity.

The Plan was amended and restated on May 4, 2022, to include legislative and regulatory provisions in accordance with IRS mandates.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Note 9: Risks and Uncertainties - Continued

FASB ASC 275, *Risks and Uncertainties*, requires disclosures that focus primarily on risks and uncertainties that could significantly affect the amounts reported in the financial statements in the near term or the near-term functioning of the reporting entity. The risks and uncertainties addressed can stem from the nature of an entity's operations, the use of significant estimates, and current vulnerabilities due to certain concentrations.
