Report of Independent Auditors

The Plan Administrator
R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023, and delinquent participant contributions for the year then ended (referred to as the “supplemental schedules”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

The following description of R1 RCM Holdco, Inc. 401(k) Plan (the Plan) (formerly R1 RCM Inc. 401(k) Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. Copies of the plan document are available from the Human Resources Department of R1 RCM Holdco, Inc. (the Employer, the Company, or the Plan Sponsor).

General

The Plan was established on September 1, 2005, and is a contributory, defined contribution plan covering all eligible employees of the Plan Sponsor. The Plan switched to a safe harbor 401(k) plan, effective January 1, 2023. Prior to the transfer to Fidelity (see section below), an employee became eligible to participate in the Plan upon attainment of age 21. After the transfer, the minimum age was lowered to 18. There is no service requirement to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Transfer to Fidelity

Effective July 1, 2022, the Plan transferred its trustee and recordkeeper services from Charles Schwab Trust Bank to Fidelity Management Trust Company and Fidelity Workplace Services, LLC (collectively, Fidelity), respectively.

Plan Name

Effective January 1, 2023, the Plan changed its name from R1 RCM Inc. 401(k) Plan to R1 RCM Holdco, Inc. 401(k) Plan.

Plan Mergers

On May 8, 2018, the Plan Sponsor completed the acquisition of Intermedix Holdings, Inc. (Intermedix) and, on July 27, 2022, the Intermedix Staffing 401(k) Plan was merged into the Plan. Former Intermedix employees became eligible to participate in the Plan on July 27, 2022. The net assets transferred to the Plan in the amount of \$58,765,584 are reflected on the statement of changes in net assets available for benefits as a transfer from other qualified plan in 2022.

R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

On June 21, 2022, the Plan Sponsor completed the acquisition of Revint Holdings, LLC (Cloudmed) and, on December 30, 2022, the Cloudmed Solutions 401(k) Plan net assets were transferred into the Plan. Effective January 1, 2023, the Cloudmed Solutions 401(k) Plan was merged into the Plan and former Cloudmed employees became eligible to participate in the Plan. The net assets transferred to the Plan in the amount of \$98,706,220 are reflected on the statement of changes in net assets available for benefits as a transfer from other qualified plan in 2022, which includes a safe harbor true-up employer contribution match in the amount of \$648,012. Furthermore, in 2023, residual amounts from the Cloudmed merger of \$6,670 were transferred into the Plan. The residual net assets transferred to the Plan are reflected on the statement of changes in net assets available for benefits as a transfer from other qualified plan in 2023.

Additionally, the net assets transferred are reflected in the statement of net assets available for benefits as investments, at fair value, with the exception of the safe harbor true-up employer contribution amount of \$648,012, which is reflected as an other receivable as of December 31, 2022. This amount was funded on August 18, 2023.

Contributions

The Plan allows eligible participants to elect to defer a portion of their compensation, as defined, on a pretax or a Roth after-tax basis. This amount may not exceed the limit imposed each year by the Internal Revenue Service (the IRS). Participants may also contribute amounts representing distributions from other qualified plans, as defined in the plan document. Participants age 50 and over may make catch-up contributions. Prior to the transfer to Fidelity, the Plan provided for an automatic savings increase program. A participant's pretax deferral percentage would increase by 1% annually until such time as the combined pretax and Roth deferrals reach 15% unless the participant elects to change his or her deferral. After July 1, 2022, the Plan provided an option to participants to enroll in an annual increase program when starting their deferrals. Under the program, participants may elect to establish regular annual increases to their contribution amount.

R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

The Employer may make discretionary matching contributions. Effective January 1, 2023, the Company's matching contribution is 100% on the first 3% and 50% on the next 2% deferred by participants. In 2022, the Company's matching contribution was 50% on the first 6% deferred by participants. In addition, annual discretionary contributions may be made in an amount determined by the Plan Sponsor. No such contributions were made for the 2023 or 2022 plan years.

Participants direct their elective contributions into various investment options offered by the Plan, including a self-directed brokerage feature, and can change their investment options on a daily basis. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Employer's discretionary matching contributions and discretionary contributions, if any, and (b) the Plan's earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed.

Vesting and Payment of Benefits

A participant is always fully vested in participant contributions and earnings thereon. Participants hired prior to July 1, 2017 are always fully vested in their employer contributions and earnings thereon. Participants hired after July 1, 2017 are subject to a three-year cliff vesting on employer contributions and earnings thereon for matching contributions made prior to January 1, 2023. For participants who previously participated in the Intermedix Staffing 401(k) Plan, employer contributions made prior to January 1, 2023 are subject to a two-year cliff vesting, regardless of whether the contribution was made to their Intermedix Staffing 401(k) or Plan account. For participants who previously participated in the VisitPay 401(k) Plan who were employed with the Sponsoring Employer on November 15, 2021, employer contributions made prior to January 1, 2023 are subject to a three-year graded vesting. For participants who previously participated in the VisitPay 401(k) Plan who terminated employment before November 15, 2021, non-Safe Harbor contributions merged from the VisitPay 401(k) plan into the Plan were vested according to four-year graded vesting under the legacy VisitPay 401(k). For participants who previously participated

R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

in the Cloudmed Solutions 401(k) Plan, employer contributions made prior to January 1, 2023 are subject to a three-year graded vesting. For participants who previously participated in the Cloudmed Solutions 401(k) Plan with a balance in the Prior NAVEOS PS source, balances subsequently transferred to this Plan are fully vested. For participants that merged from the Triage Consulting Group Retirement Plan into the Cloudmed Solutions 401(k) Plan on January 1, 2021 who were subsequently transferred to this Plan, discretionary match contributions are fully vested. Any employer matching contributions made after January 1, 2023 vest 100% immediately. Forfeitures resulting from employee terminations are used to offset future employer contributions and pay administrative expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$592,823 and \$281,032, respectively.

On termination of service due to disability, retirement, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum or installment payments. In-service and hardship withdrawals are permitted under certain circumstances.

Participant Loans

Generally, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. Loan terms range up to 5 years or up to 10 years if it is for the purchase of a primary residence (after July 1, 2022). The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions or paid directly to the record keeper after termination.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan's provisions. Administrative expenses paid by Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Loan fees are paid by affected participants. All other administrative expenses of the Plan are paid by the Plan Sponsor and are excluded from these financial statements.

R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of the Plan's termination or partial termination, the account of each affected participant shall become fully vested.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions on the statements of net assets available for benefits to the applicable participants prior to March 31 of the subsequent year. Due to the transition to a Safe Harbor plan, the amount of excess contributions payable as of December 31, 2023 significantly decreased compared to the prior year.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

R1 RCM Holdco Inc. 401(k) Plan (formerly R1 RCM Inc. 401(k) Plan)

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

3. Investments

Certain investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, dividend and interest income, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustees of the Plan for the 2023 and 2022 plan years.

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

4. Fair Value Measurements (continued)

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable, either directly or indirectly, for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in markets that are not active
 - Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

Descriptions of the valuation techniques and inputs used for each general type of asset measured at fair value by the Plan are as follows:

Mutual funds: Valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

Money market cash account: Valued at \$1.00 par, which represents the NAV of shares held by the Plan at year-end.

Self-directed brokerage accounts: Accounts primarily consist of registered investment companies, interest-bearing cash, and common stock. Registered investment companies are

valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end. Common stock is valued at the closing price reported in the active market in which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value:

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits. There are no participant redemption restrictions for this investment or unfunded commitments. The redemption notice period is only applicable to the Plan and does not apply to individual participant transactions, which are allowed daily.

5. Income Tax Status

The underlying pre-approved plan has received an opinion letter from the IRS, dated June 30, 2020, stating that the written form of the underlying pre-approved document is qualified under Section 401 of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related-Party and Party-in-Interest Transactions

Certain plan investments are mutual funds and money market accounts managed by the trustees of the Plan for the 2023 and 2022 plan years. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

8. Subsequent Events

Management evaluated subsequent events for the Plan through October 9, 2024, the date the accompanying financial statements were available to be issued. Other than the following, there were no subsequent events that have occurred which would require adjustments to or disclosure in the Plan's financial statements.

Plan Merger

On January 1, 2024, the TriNet 401(k) Plan for Tonic employees was merged into the Plan and, on January 2, 2024, net assets of \$190,559 were transferred into the Plan. On January 17, 2024, the Plan Sponsor completed the acquisition of the revenue cycle management business ("Acclara") of Providence Health & Services – Washington and certain of its affiliates. Effective July 1, 2024, former Acclara employees became eligible to participate in the Plan.
