INDEPENDENT AUDITOR'S REPORT

Retirement Plan Investment Advisory Committee
Medicus Select, LLC 401(k) Plan
Tallahassee, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Medicus Select, LLC 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Plan Investment Advisory Committee
Medicus Select, LLC 401(k) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEDICUS SELECT, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - PLAN DESCRIPTION

The following description of Medicus Select, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan was established effective October 1, 2011 and is a defined-contribution plan covering all full-time employees, excluding certain employees whose employment is governed by the terms of a collective bargaining agreement or that are nonresident aliens of Medicus Select, LLC (the “Organization”/“Employer”), who have completed one year of service, as defined by the Plan, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may contribute up to the maximum amount allowed by the Internal Revenue Code (“IRC”). Participant contributions may be made as pre-tax elective deferrals or Roth elective deferrals. The Employer shall make a Safe Harbor Qualified Nonelective Contribution in an amount equal to 3% of eligible employees’ compensation for the year. The Employer may also make, at its discretion, an additional matching contribution in an amount not to exceed 4% of compensation and/or an additional profit-sharing contribution to the Plan. For the year ended December 31, 2023, the Employer made a discretionary matching contribution up to 4% of participants’ compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, an allocation of the Employer’s contribution, interest earned, administrative expenses, and investment gains and losses. Participants direct the investment of their accounts into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Forfeited Accounts

Forfeited balances of participants’ nonvested accounts are used to reduce future Employer contributions or pay for Plan expenses. Forfeitures and other unallocated accounts approximated \$1,800 and \$4,500 as of December 31, 2023 and 2022, respectively. Approximately \$13,600 of the unallocated accounts were used during the year ended December 31, 2023, to pay for Plan expenses.

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Vesting

Participants are immediately vested in their deferral contributions, as well as Employer Safe Harbor contributions. The vesting schedule with respect to Employer discretionary matching and profit-sharing contributions made to participants' accounts is as follows:

Years of Service	Percentage Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

If, while an employee, the participant dies, the beneficiary is entitled to 100% of the account balance, to be paid in either a lump-sum payment or installments. If the participant becomes disabled while employed, they are entitled to 100% of their account balance, and are paid as though retired.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their respective vested balance, or \$50,000, by executing a note in accordance with the Plan's provisions. Note terms range from one to five years or up to 15 years for the purchase of a principal residence. The notes are collateralized by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement (age 59½), a participant may elect to receive either a lump-sum payment equal to the value of the participant's account, or installments over a period of time, not to exceed the life expectancy of the participant/designated beneficiary, or to purchase a different form of annuity. If employment is terminated for reasons other than death, disability or retirement, the participant is entitled to receive only their vested percentage of their account balance. If the participant's vested balance is less than \$1,000, the balance will be distributed in a single, lump-sum payment as soon as practicable after the date employment is terminated.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right, under the Plan, to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan or complete discontinuance of contributions, all participants' accounts become 100% vested. Upon such termination of the Plan, the Organization will direct complete distribution of the assets of the Plan to the participants, in cash, subject to the participant and spousal consent provisions of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and are held in several registered investment companies, a money market fund, as well as in an investment contract with Nationwide Life Insurance Company. The fair value of the registered investment companies is based upon the reported net asset values of the individual funds on the last business day of the Plan year. Net asset value is based upon the fair market value of the funds' underlying investments, less any fund liabilities. The money market fund seeks to maintain a stable price of \$1 per share by using the amortized cost method of valuation to value portfolio securities. Due to market value adjustments being applied to lump-sum payouts, the investment contract with Nationwide Life Insurance Company (the "Fixed Contract") has been deemed to not be fully benefit-responsive and is recorded at its estimated fair value. The fair value of the Fixed Contract is valued by the insurance company by taking the book value, as defined, less any contingent deferred sales charges, as defined. As of December 31, 2023 and 2022, the contract's fair value approximated its book value. The contract issuer is contractually obligated to repay the principal and the specified interest rate. The Plan does not develop quantitative unobservable inputs when measuring the fair value of the of the Fixed Contract; rather it uses pricing reported by Nationwide Trust Company, FSB ("Nationwide"/the "Plan Custodian").

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

There are no reserves against contract values for credit risk of contract issuers or otherwise. The Fixed Contract crediting rate is reset annually by the issuer and was 2.20% and 1.72% for the years ended December 31, 2023 and 2022, respectively. The net rate and average yield earned were the same as the crediting rate. The Fixed Contract does not have a maturity date and will remain in force until all assets have been distributed, or no further payments are due. Distributions due to Employer-initiated events, as defined, may be subject to certain charges or delays. Participants can request a lump-sum distribution with a market value adjustment, or installment payments at book value over a period of years.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date (see Note 4).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Payment of Benefits

Benefits are recorded as liabilities of the Plan when the Plan administrator approves the payment. As of December 31, 2023 and 2022, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

Net Appreciation (Depreciation) in Fair Value of Investments

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which includes realized and unrealized appreciation (depreciation) on those investments.

Plan Expenses

Certain administrative expenses are paid directly by the Organization and will not be reimbursed by the Plan. Certain investment-related expenses are netted against net appreciation (depreciation) in the fair value of investments.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Risk

The Plan has investments that are exposed to risk, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near term, and that such changes could materially affect the amounts reported in these financial statements.

The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investments are not insured or protected by the Plan Custodian, the Organization, the Pension Benefit Guarantee Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with similar investments.

Subsequent Events

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition through October 2, 2024, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

Nationwide holds the Plan's investments and executes all investment transactions. All investment information disclosed in these financial statements and supplemental schedule, including investments and participant notes receivable held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Gain/(loss)	18,157
Interest	1,910
Balance as of December 31, 2023	<u>\$ 983,937</u>

NOTE 5 - INCOME TAX STATUS

The Plan is intended to be a qualified trust under Section 401 of the IRC and is subject to the provisions of ERISA. The Plan document, as adopted, is a Volume Submitter Plan prepared and maintained by Nationwide. The Volume Submitter Plan has received an opinion letter dated March 31, 2014, from the Internal Revenue Service stating that the form of the Plan is acceptable under Section 401 of the IRC for use by employers for the benefit of employees. The Plan administrator believes that the adopted and amended Plan continues to qualify and will remain exempt from federal income taxes under Section 401 of the IRC.

NOTE 6 - SUBSEQUENT EVENTS

Effective May 1, 2024, the Plan changed its investment custodian and plan recordkeeper to Fidelity Investments. As part of this transfer, the Plan moved its Fixed Contract with Nationwide Life Insurance Company to a similar stable value fund provided by Lincoln Financial, with Lincoln Financial absorbing any market value adjustments prescribed by the Fixed Contract agreement. Effective April 30, 2024, the Plan adopted the Pre-Approved Fidelity Basic Plan Document No. 17, prepared and maintained by Fidelity Management & Research Company.
