INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Persona 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules included in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions management determined meet the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled Financial Statement

Plan management is responsible for the accompanying statement of net assets available for benefits as of December 31, 2022 in accordance with GAAP. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

Persona 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

Persona Identities, Inc. (the Company) established the Persona 401(k) Plan (the Plan), effective January 1, 2020, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated effective December 11, 2023, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan is administered by a committee, comprised of Company employees, responsible for selecting investment options offered under the Plan and monitoring investment performance. As of December 31, 2022 and for the period from January 1, 2023 through December 11, 2023, a Company employee served as the Plan's trustee, Matrix Trust Company (Matrix) served as the investment custodian and Human Interest Inc. (Human Interest) served as the Plan's record keeper. Effective December 11, 2023, Fidelity Management Trust Company (Fidelity) became the Plan's trustee and record keeper. Matrix held, invested and reinvested Plan assets and Fidelity holds, invests and reinvests Plan assets in the interest and direction of the participants and their beneficiaries. As of December 31, 2023, the Plan had investments and non-interest bearing cash held with Matrix. These funds were transferred to Fidelity on January 4, 2024.

Eligible Participants:

Eligible employees, as defined by the Plan agreement, age 18 or older, are eligible to participate in and make contributions to the Plan immediately upon hire.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferral and Roth post-tax contributions of up to 90% of eligible compensation, as defined by the Plan agreement. Participants who have reached the age of 50 are eligible to make an additional catch-up contribution under the Code. In addition, participants may contribute amounts representing distributions from other tax-qualified plans (rollovers), subject to Code regulations.

Persona 401(k) Plan

Notes to Financial Statements

1. Description of Plan (continued)

Contributions: (continued)

The Company has elected to administer the Plan as a safe harbor plan. Under the safe harbor provisions, the Company is required to make safe harbor nonelective contributions of 3% of each participant's eligible compensation. In 2023, the Company made safe harbor nonelective contributions of \$1,092,920 to the Plan.

The Company may also make discretionary matching and nonelective contributions to the Plan at the discretion of the Board of Directors. Participants are eligible to receive matching contributions. The Company has not made any discretionary matching or nonelective contributions to the Plan through December 31, 2023.

Contributions are subject to certain limitations under the Code.

In-Plan Roth Conversions:

The Plan allows participants who are active employees of the Company to convert any portion of their non-Roth contributions to Roth contributions. In 2023, there were no contributions converted to Roth accounts.

Participant Accounts:

Participant accounts are credited with participant contributions, Company contributions, rollovers, and an allocation of the Plan's net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants are entitled is the benefit that can be provided from the participant accounts.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully (100%) vested in their account balances.

Persona 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow up to one-half of their account balance, a minimum of \$1,000 and not to exceed \$50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to 10 years are permitted. Participant notes are evidenced by a written note, secured by the balance in the participant account, and bear interest at a rate as determined by the Company based on prevailing interest rates charged by lenders for loans made under similar circumstances. Participants may only have one note outstanding. There were no notes outstanding as of December 31, 2023. Repayment of principal and interest is generally made through payroll deductions.

Payment of Benefits:

On termination of service, participants may elect to leave their account balance in the Plan or receive benefits. Benefits are paid in a lump-sum cash distribution equal to the value of the participant's account balance. Accounts between \$1,000 and \$5,000 may be automatically distributed to individual retirement accounts on behalf of the participants without participant approval. Accounts below \$1,000 may be automatically distributed directly to participants without participant approval. Benefits are recorded when paid.

Plan Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the Plan's financial statements. Advisory services, as well as certain investment, account maintenance, and note fees may be paid by the Plan and charged to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in these financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Persona 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would remain fully vested in their accounts and distributions would be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

Investments are reported at fair value and consist of the following:

Mutual Funds and Money Market Funds: These funds are valued at the net asset value of shares held by the Plan at year end based on quoted prices in active markets.

Interest bearing Cash: This account is valued at cost plus any interest earned and reinvested.

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability at the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those investments.

2. Summary of Significant Accounting Policies (continued)

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Plan's investments are recorded at fair value and classified as Level I within the fair value hierarchy at December 31, 2023 and 2022.

Income Recognition:

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold or held during the year.

3. Information Prepared and Certified by Fidelity and Matrix

Fidelity, as the Plan's current trustee, has certified the fair value of the assets held as of December 31, 2023, and the net income for the period from December 15, 2023 through December 31, 2023. Matrix, as the Plan's previous investment custodian, has certified the fair value of certain assets held at December 31, 2023 and the net income for 2023. This certified information was used in the preparation of the financial statements and supplemental schedules.

The following table summarizes the certified information at and for the year ended December 31, 2023:

Investments, at fair value	\$ 11,621,887
Non-interest bearing cash	<u>18,269</u>
Total certified assets	<u>\$ 11,640,156</u>
Certified net income for the year ended December 31, 2023	<u>\$ 1,395,108</u>

4. Party-In-Interest Transactions

The Plan's non-interest-bearing cash account is managed by Matrix. As Matrix is the Plan's previous investment custodian, cash transactions within this account by the Plan qualify as party-in-interest transactions. Certain Plan investments are offered by Fidelity, the Plan's trustee. Purchases and sales of these investments qualify as party-in-interest transactions. Note receivable transactions with participants would also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

5. Nonexempt Prohibited Transactions

In 2022, the Company did not remit certain participant contributions of \$326,356 timely, as required by the Department of Labor (DOL). The Company remitted an estimated amount of lost earnings for \$63,609 of the delinquent contributions in 2023 and intends to remit an estimated amount of lost earnings for \$262,747 of the delinquent contributions in 2024.

These late remittances are considered nonexempt prohibited party-in-interest transactions by the DOL, which would jeopardize the Plan's tax-exempt status.

6. Income Tax Status

The Plan is a pre-approved plan offered by Fidelity, which has obtained an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. However, the Company believes the Plan is being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust, which forms a part of the Plan, is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize an income tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, at December 31, 2023, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is subject to income tax examinations for all years since inception.

7. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2022:

Net assets available for benefits per the financial statements	\$ 5,922,480
Less: Participant contributions receivable	(63,609)
Less: Employer contribution receivable	(57,912)
Less: Non-interest bearing cash	<u>(27,065)</u>
Net assets available for benefits per Form 5500	<u>\$ 5,773,894</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits per the financial statements	\$ 5,717,676
Add: Participant contributions receivable as of December 31, 2022	63,609
Add: Employer contribution receivable as of December 31, 2022	57,912
Add: Non-interest bearing cash as of December 31, 2022	<u>27,065</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 5,866,262</u>
