## Independent Auditors' Report

Board of Directors  
403(b) Thrift Plan of Goodwill Industries of Southern New England, Inc.  
432 Washington Avenue  
North Haven, CT 06473

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the 403(b) Thrift Plan of Goodwill Industries of Southern New England, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Mutual of America Life Insurance Company, the trustee of the Plan, a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

### Basis for Disclaimer of Opinion

The Plan may not have maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts that may have been issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

## Independent Auditors' Report (continued)

### **Basis for Disclaimer of Opinion (continued)**

Further, as described in Note 2 to the financial statements, the Plan may have excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our responsibility is to conduct an audit of the 403(b) Thrift Plan of Goodwill Industries of Southern New England, Inc. financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

## Independent Auditors' Report (continued)

### Other Matter - Supplemental Schedule required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

# 403(b) Thrift Plan of Goodwill Industries of Southern New England, Inc.

## Notes to the Financial Statements

Years Ended December 31, 2023 and 2022

### **1. Description of Plan**

The following description of the 403(b) Thrift Plan of Goodwill Industries of Southern New England, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. Contributions to provide benefits under the Plan are made by Plan participants. In addition, there are employer contributions made by Goodwill Industries of Southern New England, Inc. (the Plan Sponsor or the Agency). The Plan was formerly known as the Easter Seals Goodwill Industries Rehabilitation Center, Inc. Retirement Plan until October 2017 when it changed the Plan name to the Goodwill Industries of Southern New England, Inc. Retirement Plan to be consistent with a change in the Plan Sponsor's name. The Plan changed its name again in December 2018 to the 403(b) Thrift Plan of Goodwill Industries of Southern New England, Inc.

#### **General**

The Plan is a 403(b) defined contribution Plan which covers substantially all employees. The Plan agreement was entered into and became effective January 1, 1999 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Eligibility**

In order to be eligible for the employer match and discretionary contributions, employees must have completed one year of service, have worked at least 1,000 hours during the Plan year and be age twenty-one or older. Effective November 1, 2017, the Plan was amended to modify the eligibility requirements to specify that the "Hours of Service method" will be used to determine whether a participant has met the 1,000 hours requirement for the purpose of receiving an allocation of employer matching and/or discretionary contributions.

#### **Contributions**

Plan participants may make discretionary salary deferral contributions, as defined in the Plan, subject to the limitations of the Internal Revenue Code (the Code). The Plan Sponsor matches 100% of each eligible employee's deferrals up to a maximum of 3% of the employee's annual compensation. In addition, the Plan Sponsor may also make a discretionary employer contribution to all eligible employees, as defined in the Plan, regardless of whether they have made salary deferral contributions.

For the years ended December 31, 2023 and 2022, the Board of Directors approved employer elective matching contributions of \$192,674 and \$171,615, respectively. There were no discretionary employer contributions approved for the 2023 or 2022 Plan years. The employer contributions related to 2023 and 2022 were funded by the Agency in the following Plan year.

**1. Description of Plan (continued)**

**Participants' Accounts**

Each participant's account is credited with the participant's salary deferral contributions and allocations of any employer contributions and Plan earnings. There may also be administrative expenses charged, some of which may be based on the participant's transactions, as defined by the Plan. All contributions to the Plan are participant directed and are credited to participants' accounts when received by the Trustee of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**Vesting**

Participants are immediately 100% vested in any salary deferral contributions made to their accounts plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after completion of three years of credited service. No vesting is earned prior to the completion of three years of credited service.

**Investment Options**

A participant may direct contributions to any of the investment options offered by the Plan, as selected by the Plan Administrator in accordance with the Plan's investment policy, with various levels of risk tolerance. Participants may transfer their investments and modify the direction of future contributions among the various options.

**Participant Withdrawals**

Distributions, with certain exceptions defined in the Plan, may not be made earlier than the earliest of the date on which a participant has a severance from employment, dies, becomes disabled or attains age 65. Distributions are made in accordance with the terms of the Plan and the investment options in which the participant's individual account balance is invested. If a participant dies prior to receiving a distribution, the beneficiary is entitled to the total vested value of the account. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

**1. Description of Plan (continued)**

**Forfeited Accounts**

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan and receive, or are deemed to receive, a distribution. Forfeitures are allocated to eligible participants at the end of the year using the same methodology used to allocate employer matching and discretionary contributions. At December 31, 2023 and 2022 the plan had \$0 and \$1,326 of unused forfeiture balances. During 2023 and 2022, \$1,343 and \$6,044 of forfeitures, plus accrued interest were used to offset employer contributions in accordance with the Plan document.

**Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue all contributions and terminate the Plan subject to the provisions of ERISA. In the event of termination, Plan participants will become 100% vested in their entire account balances.

**Participant Loans**

Loans from the Plan are available to participants and are collateralized by a participant's account balance, with repayments made through weekly payroll deductions. Loans must be approved by the Plan Administrator, and a participant may have only one loan outstanding at any time. Loans are issued for not less than \$1,000 and are limited to a maximum of the lesser of 50% of a participant's vested elective deferrals or \$50,000. Interest must be at a reasonable rate of interest, not to exceed the legal limit. Interest on loans is charged at a rate of return on the interest accumulation account plus 3%. Loans outstanding at December 31, 2023 bear interest at a rate of 4.6% with maturities expiring through 2028. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded.

**Administrative Expenses**

The Plan Sponsor pays certain Plan expenses, including legal, audit and certain investment advisory fees. Expenses of the Plan, to the extent they are not paid by the Plan Sponsor, may be paid out of the assets of the Plan provided that such payment is consistent with ERISA. Such expenses include, but are not limited to, fees incurred in connection with the payment of benefits, and certain professional and administrative fees. Expenses that relate solely to a specific participant may be assessed against such participant's individual account balance.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Goodwill Industries of Southern New England, Inc.

**2. Summary of Significant Accounting Policies (continued)**

**Incomplete Presentation**

In November 2007, the Department of Labor (DOL) issued amended regulations eliminating an exemption granted to 403(b) Plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title 1 of ERISA. Prior to the amended regulations, the Plan was not viewed as a separate reporting entity. Historically, 403(b) Plans were viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan Sponsor. Accordingly, various accounting records related to the 403(b) accounts issued to current or former participants prior to January 1, 2009, may not have been sufficiently maintained by the Plan. Consequently, the financial statements have been prepared based on records available by Plan management. As certain records may not be available from the inception of the Plan, the effect, if any, on the completeness or accuracy of the Plan's financial statements cannot be determined.

GAAP requires that all accounts and the related income and distributions be included in the accompanying financial statements. However, for reasons noted above, the Plan investments in the accompanying statements of net assets available for benefits may not include all accounts related to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to any such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. These excluded amounts and the related income and distributions are not determinable.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value, as further discussed in Notes 4 and 5. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payments of Benefits**

Benefits are recorded when paid by the Plan.

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Risks and Uncertainties**

The Plan holds various investment options in mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Notes to the Financial Statements (continued)

**3. Unaudited Information - Certified by the Trustee**

Substantially all information pertaining to the Plan's investments included in the financial statements including the associated investment balances, interest and dividends, net appreciation / depreciation in fair value of investments and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee of the Plan, Mutual of America Life Insurance Company, as of and for the years ended December 31, 2023 and 2022.

**4. Fair Value Investments**

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3:* Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following represents the valuation methods and assumptions used by the Plan to estimate the fair values of investments:

*Mutual Funds:* The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Goodwill Industries of Southern New England, Inc.

Notes to the Financial Statements (continued)

**4. Fair Value Investments (continued)**

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value, at December 31, 2023 and 2022, on a recurring basis are summarized below:

**5. Interest Accumulation Account**

The Plan offers an interest accumulation account with Mutual of America Life Insurance Company, which is comparable to a cash equivalent and therefore is excluded from the fair value leveling table. The Interest Accumulation Account is completely liquid. There are no front-end or back-end charges; the interest rate credited to investments is a current rate, and is not dependent upon the length of time the assets are invested; requests for withdrawal can be made at any time and are processed on the day they are received and not depended upon the Agency having to liquidate securities to generate payment; and the value of the Account is the redeemable value, which equates to fair value and includes no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request. The value of the Interest Accumulation Account was \$964,819 and \$943,075 at December 31, 2023 and 2022, respectively.

The crediting interest rate for the Interest Accumulation Account, as determined periodically by the issuer, results in an effective annual yield of not less than 0.15% but not greater than 3.00% for the year ended December 31, 2023, and not less than 1.00% but not greater than 3.00% for the year ended December 31, 2022.

Goodwill Industries of Southern New England, Inc.

Notes to the Financial Statements (continued)

**6. Income Tax Status**

Effective June 28, 2013, the Internal Revenue Service began accepting applications for opinion and advisory letters for prototype and volume submitter 403(b) plans. As of the date on the independent auditor's report, the Plan has not yet received a favorable opinion or advisory letter. Although the Plan has not received a favorable opinion or advisory letter, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**7. Related Party and Party-In-Interest Transactions**

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds certain investments in cash equivalents, interest accumulation accounts, notes receivable, interest and mutual funds maintained by Mutual of America Life Insurance Company, trustee and recordkeeper as of and for the years ended December 31, 2023 and 2022. Additionally, the Plan Sponsor pays certain Plan expenses, including legal, audit and certain investment advisory fees.

**8. Subsequent Events**

Plan management has evaluated events and transactions for potential recognition or disclosure through October 7, 2024, which is the date the financial statements were available to be issued.
