Independent Auditor's Report

To the Plan Administrator
UBG 401(k) Plan - Imperial
Imperial, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of UBG 401(k) Plan – Imperial, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UBG 401(k) Plan – Imperial's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UBG 401(k) Plan – Imperial and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UBG 401(k) Plan – Imperial's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UBG 401(k) Plan – Imperial’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about UBG 401(k) Plan – Imperial’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: Description of Plan

The following description of the UBG 401(k) Plan – Imperial (The Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a voluntary, defined contribution plan sponsored by Frenchman Valley Farmers Cooperative (the Company). All employees of the Company who have one year of service and are age 21 or older are covered by the Plan. A year of service is defined as a 12 consecutive month period during which the employee completes at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The most recent amendment to the Plan became effective on January 1, 2022.

TRUST

The trustee for the Plan is Empower Trust Company, LLC. Empower Trust Company, LLC administers the Trust subject to direction from the Plan sponsor.

CONTRIBUTIONS

Participants may make pre-tax or Roth contributions up to 50% of their gross earnings each pay period. Effective January 1, 2022, the Company has elected to match 100% of the first 3% of deferred compensation plus 50% of the next 2% of deferred compensation. This follows the “safe harbor” provisions that the plan has elected to adopt and is referred to as a Basic Matching Contribution. Previously, the Company elected to match 50% of deferred compensation up to 3% of an employee’s earnings. At the discretion of the Company, a profit sharing contribution may be made to the Plan and allocated to participants based on the eligible compensation.

To be considered eligible for the nonelective contribution, a participant must be an employee of the Company on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year. Forfeitures from terminated participant’s profit-sharing account are generally reallocated to active participants.

The total annual addition to the participant’s account in any calendar year may not exceed the lesser of \$66,000 and \$61,000 or 50% of participant’s compensation. The annual employee contribution is limited to \$22,500 and \$20,500, for the years ended December 31, 2023 and 2022, respectively. Employees age 50 or older may elect to make pre-tax “Catch-up Contributions” to the plan, maximum of \$6,500, after their initial contributions exceed a plan or legal limit.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit which a participant is entitled to is the benefit that can be provided from the participant’s vested account.

Notes to Financial Statements (Continued)

Note 1: Description of Plan (Continued)

VESTING

A participant is always 100% vested in the employee contributions. A participant is 100% vested in the employer discretionary contribution after three years of service.

Participants are 100% vested if they are employed when they reach their normal retirement date (age 65), or if they leave employment due to permanent disability or death, even if they have not fully vested.

NOTES RECEIVABLES FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime interest rate quoted in the Wall Street Journal, plus 1%. Principal and interest are repaid ratably through monthly payroll deductions.

All loans are repaid by payroll deduction in equal amounts over the repayment term, which is generally less than 5 years for a general purpose loan or 15 years for a loan to purchase your primary residence. Participants may not have more than one outstanding loan at any time.

PAYMENT OF BENEFITS

A participant is entitled to benefits based on the occurrence of the following events:

- a. The participant retires, becomes disabled, dies, or otherwise leaves the employment of the employer.
- b. In-service withdrawals at age 59 ½.
- c. Financial hardship as defined in the Plan document.
- d. Other limited conditions are more fully explained in the Plan document.

The payment shall be in the form of the following methods as provided by the Plan:

- a. A single, lump-sum payment
- b. Direct Rollover
- c. Recurring Payments
- d. Deferred Payment

FORFEITURES

At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$4,555 and \$3, respectively. These accounts will be used to reduce future employer contributions. In 2023, the Plan used \$6,214 from forfeited non-vested accounts to pay plan administrative expenses.

Notes to Financial Statements (Continued)

Note 1: Description of Plan (Continued)

PLAN TERMINATION

The Company reserves the right to amend, modify or terminate the Plan, in whole or in part, at any time at its option. While the employer has not expressed interest to discontinue the Plan, it is not prohibited from doing so subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested (100%) in their accounts. The Plan administrator will determine the timing of the disposition of assets to plan participants and their beneficiaries.

ADMINISTRATIVE EXPENSES

Plan administrative fees are absorbed by the Plan. Legal and accounting fees are absorbed by the Plan sponsor. For the year ended December 31, 2023, administrative fees amounting to \$29,810 were absorbed by the Plan for the services of United Benefits Group and Empower Trust Company, LLC.

Note 2: Summary of Significant Accounting Policies

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes both realized and unrealized investment gains and losses. Dividends are recorded on the ex-dividend date.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Notes to Financial Statements (Continued)

Note 2: Summary of Significant Accounting Policies (Continued)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution. As of December 31, 2023 and 2022, net assets available for benefits included no benefits due to participants who had withdrawn from participation in the Plan but have not yet been paid.

Note 3: Information Certified by the Plan Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Accordingly, Empower Trust Company, LLC, the Trustee of the plan, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation/depreciation in fair value of investments, dividends and interest income from notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments reflected on the schedule of assets (held at end of year).

Note 4: Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and insurance company general accounts managed by the Plan's trustee and custodian and its affiliates. The Plan's trustee and custodian is Empower Trust Company, LLC at December 31, 2023 and 2022. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction in the return earned on each fund.

Note 5: Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Notes to Financial Statements (Continued)

Note 5: Fair Value Measurements (Continued)

- Level 2 Inputs to the valuation methodology include:
- a. Quoted prices for similar assets or liabilities in active markets;
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets;
 - c. Inputs other than quoted prices that are observable for the asset or liability;
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Fund: Valued at the net asset value per unit based on the fair value of the underlying investments, as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements (Continued)

Note 5: Fair Value Measurements (Continued)

The following table sets forth the level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$2,904,295	\$0	\$0	\$2,904,295
Investments Measured at NAV				5,508,595
Investments at Fair Value				\$8,412,890

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$2,548,268	\$0	\$0	\$2,548,268
Investments Measured at NAV				4,050,308
Investments at Fair Value				\$6,598,576

The common/collective investment trust consists of security backed investment contracts, guaranteed investment contracts and global-wrap contracts which are reported in the financial statements at fair value. There are no reserves against the contract value for credit risk of contract issuers or otherwise.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

*Withdrawals from the fund for benefit payments and participant transfers to noncompeting options to be paid to plan participants shall be made within 30 days after written notification has been received and are considered as made immediately after the next valuation date subsequent to the trustee's approval. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a 12-month (one year) advance written notice. The trustee may choose to disburse withdrawals in less than the required one-year period if, in the trustee's discretion, it determines that such a disbursement is in the best interest of the fund as a whole.

Notes to Financial Statements (Continued)

Note 6: Fully Benefit-Responsive Investment Contracts

The investment in the fixed annuity is a traditional guaranteed investment contract and is reported in the financial statements at contract value as reported to the Plan by Great-West Life & Annuity Insurance Company. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the schedule maturity date. The following represents the disaggregation of contract value between types of investment contract held by the Plan.

	2023	2022
Traditional Investment Contract at Contract Value	\$50,550	\$47,494

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the Trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan's sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

Notes to Financial Statements (Continued)

Note 7: Reconciliation of Financial Statements to Form 5500

The UBG 401(k) Plan – Imperial’s Form 5500 Annual Return/Report of Employee Benefit Plan has been prepared on the cash basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Form 5500:

	2023	2022
NET ASSETS AVAILABLE FOR BENEFITS		
Per Financial Statements	\$8,489,723	\$6,675,118
Deferred Distributed Participant Loan	0	(10,640)
Per Form 5500	\$8,489,723	\$6,664,478

The following is a reconciliation of the increase in net assets available for benefits per the financial statements for the period ended December 31, 2023 to Form 5500:

NET INCREASE IN NET ASSETS AVAILABLE FOR BENEFITS	
Per Financial Statements	\$1,814,605
Plus: 2022 Deemed Distributed Loan	10,640
Per Form 5500	\$1,825,245

Note 8: Tax Status

As of December 31, 2023, the Plan uses a volume submitter plan document sponsored by Empower Trust Company, LLC, which received an advisory letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan has been amended since receiving the advisory letter. However, the Plan’s management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

Notes to Financial Statements (Continued)

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10: Subsequent Events

The Plan has evaluated subsequent events through October 7, 2024 the date the financial statements were available to be issued. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
