INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
A & B Electric Co., Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of A & B Electric Co., Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of A & B Electric Co., Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A & B Electric Co., Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A & B Electric Co., Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A & B Electric Co., Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A & B Electric Co., Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

Effective September 1, 2020, The A&B Electric Co., Profit Sharing Plan (the Plan) has adopted the provisions of the American Funds Distributors, Inc. Defined Contribution Prototype Plan and Trust. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan, adopted November 1, 1987, is a defined contribution profit sharing plan with participant deferral options under Section 401(k) of the Internal Revenue Code. All employees of A & B Electric Co., Inc., Reman, Inc., Accusteer LLC, and A & B Communications, Inc. (the Employer) who have completed one year of service and who have attained the age 21 are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Participants may elect to defer from 1% to 100% of their annual eligible compensation from the Employer, subject to regulatory limitations, as contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, also subject to regulatory limitations. The Employer's matching contributions and profit-sharing contributions are made at the discretion of its board of directors. For 2023 and 2022, the Employer elected to make matching contributions up to 4% of compensation.

Participant Accounts – Each participant's account is credited with the participant's contributions, the Employer's discretionary matching contributions, an allocation of the Employer's discretionary contributions, if any, plus earnings thereon. The allocation method for Employer discretionary contributions is defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. PLAN DESCRIPTION, continued

Vesting – Participants are immediately vested in their elective deferral, rollover, and safe harbor contributions and earnings thereon. Vesting in the remainder of their account is based on years of service.

A participant is 100% vested after six years of service. A Participant will become 100% vested in all accounts upon death or disability.

Forfeited Accounts – At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$1 and \$259, respectively. In accordance with the Plan's provisions, forfeited balances are used to offset any otherwise required Employer contributions.

Investment Options – Participants direct the investment of their contributions into certain mutual fund and stable value options offered through Capital Bank and Trust Company, as custodian of the Plan assets.

Payment of Benefits - On termination of service due to death, disability, retirement, or for any other reason, the participant will normally receive the vested value of their account in one lump-sum payment. Additionally, the Plan allows in-service distributions at age 59 and one-half.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, continued

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition -- Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies (mutual funds) are valued at quoted market prices. Shares of the Common/Collective Trust are valued at the net asset value as a practical expedient, which is used to estimate fair value. The net asset value is based on the fair value of the underlying assets.

Each participant account is valued on a daily basis for all funds invested with Capital Bank and Trust Company. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Units of interest for the variable investment options are revalued daily to reflect the performance of the underlying mutual fund minus any applicable fees and charges.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events -- In preparing the financial statements, Plan management has reviewed all known events that have occurred after December 31, 2023, and through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued, for inclusion in the financial statements and footnotes.

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) No. 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments where fair value is measured using net asset value per share as a practical expedient are not categorized in the fair value hierarchy.

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, continued

3. FAIR VALUE MEASUREMENTS, continued

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methods used at December 31, 2023 and 2022:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust (CT) – Valued at the net asset value (NAV) per share/unit at the close of every business day. The NAV is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments comprising the trust and accounts less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no unfunded commitments or redemption restrictions relative to the CT at the participant level. Premature termination at the plan level requires a twelve month notice and could result in a delay of transfer at the plan level.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, continued

3. FAIR VALUE MEASUREMENTS, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<i>Mutual funds</i>	\$ 5,806,098	\$ -	\$ -	\$ 5,806,098
<i>Common/Collective</i>				
<i>Trust measured at net</i>				
<i>asset value as a</i>				
<i>practical expedient (a)</i>	-	-	-	388,627
	<u>\$ 5,806,098</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,194,725</u>

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<i>Mutual funds</i>	\$ 5,228,568	\$ -	\$ -	\$ 5,228,568
<i>Common/Collective</i>				
<i>Trust measured at net</i>				
<i>asset value as a</i>				
<i>practical expedient (a)</i>	-	-	-	720,497
	<u>\$ 5,228,568</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,949,065</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or it's equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, continued

4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

Capital Bank and Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with certifications as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023 and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

5. PLAN TERMINATION

Although it has not expressed any intent to so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

The prototype Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

A&B ELECTRIC CO., INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, continued

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons. During 2023, certain investment options of the Plan were invested in shares of mutual funds managed by Capital Bank and Trust Company, the Plan's custodian. Therefore, these transactions qualify as exempt party-in-interest transactions. Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of benefit payments to participants are deducted from the distribution amount.
