Management, having determined it is permissible in the circumstances, has elected to have the audits of Da/Pro Rubber, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are

presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Da/Pro Rubber, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Da/Pro Rubber, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Da/Pro Rubber, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Da/Pro Rubber, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H; Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Plan
Notes to Financial Statements
December 31, 2023

1. Description of the Plan

The following description of the Da/Pro Rubber, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document or summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established November 1, 1998, and subsequently restated. All employees of Da/Pro Rubber, Inc. (the “Company”) who have completed one year of service and are age 21 or older are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan allows participants to contribute up to 15 percent of regular compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit plans (rollover contributions). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company matches 25 percent of participant contributions up to 4 percent of participant compensation subject to a maximum of \$200, as defined in the Plan. The Plan also provides for Company profit sharing contributions of a discretionary amount subject to certain limitations, as defined in the Plan. No discretionary contributions were made during the years ended December 31, 2023 and 2022. All investments of contributions are participant-directed.

Employer and employee contributions receivable at December 31, 2023 and 2022, reflect amounts collected in late 2023 and 2022, respectively, but not remitted to the trust until early 2024 and 2023, respectively.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, Company matching contributions, an allocation of Plan earnings, and Company discretionary contributions, if any, and is charged with any benefit payments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from their vested account.

Vesting

Participants are immediately vested in their own contributions plus actual earnings or losses thereon. Participants begin vesting in Company contributions plus actual earnings or losses thereon ratably after two years of service and become fully vested after six years of service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. Forfeitures may be used to reduce employer matching contributions or to cover certain administrative expenses. Plan provisions provide that forfeitures should be used within the year forfeited or the year after. Any remaining amounts should be allocated back to participants as an additional Company contribution. Unallocated forfeitures at December 31, 2023 and 2022 amounted to \$0. No forfeitures were used to reduce employer matching contributions or to cover administrative expenses during the 2023 Plan year.

Notes Receivable from Participants

A participant may borrow up to the lesser of \$50,000 or 50 percent of the participant's vested account balance, subject to certain requirements in the Plan document. The loans are secured by the borrower's Plan account balance. Principal and interest is paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. At December 31, 2023 and 2022, outstanding loans totaled \$121,523 and \$154,947, respectively. Outstanding loans at December 31, 2023, bore interest at rates ranging from 3.25% to 8.5%.

Payment of Benefits

On termination of service, a participant may receive a lump-sum amount equal to the vested value of his or her account, or upon death, disability, or retirement, elect to receive annual installments over a certain period as defined in the Plan document. Benefits are recorded when paid. There were no distributions requested in 2023, but not paid until 2024.

Administrative Expenses

The Company may pay costs associated with managing the Plan. However, for the year ended December 31, 2023, the Plan paid all administrative costs. Total fees incurred by the Plan for the 2023 plan year amounted to \$39,394.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date, and interest income is recorded on the accrual basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. Corrective distributions payable generally represent the distribution of certain assets to employees in order for the Plan to comply with nondiscrimination rules.

3. Investments

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$899,390. Capital gains reinvested totaled \$16,434 for the 2023 Plan year. Interest and dividends earned on investments totaled \$80,700 over the same period.

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted observable quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3

measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Inputs to the valuation methodology include observable inputs other than quoted active market prices, including quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs derived principally from or corroborated by observable market data by correlation or other means;
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: The common collective trust fund held by the Plan has a similar structure to a mutual fund and is valued based on the readily determinable quoted market price that the fund publishes daily. While the underlying assets are actively traded on the exchange, the common collective trust fund is not, and thus is classified as level 2.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables segregate all financial assets and liabilities as of December 31, 2023, and 2022, that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement dates:

Fair Value Measurements at December 31, 2023, Using

Description	Total Investments	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Common Collective Trust	763,912	-	763,912	-
Total Investments at Fair Value	\$ 5,495,720	\$ 4,731,808	\$ 763,912	\$ -

Total Investments at Fair Value	\$ 5,478,019	\$ 5,478,019	\$ -	\$ -

5. Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated June 29, 1993, stating that the written form of the underlying Merrill Lynch special prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the determination letter, however, the Plan Administrator believes the Plan is currently designed, and being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

7. Information Certified by the Trustee

The Ascensus Trust Company (formerly known as Frontier Trust Services Company) (the "Trustee") is the trustee of the Plan for the years ended December 31, 2023 and 2022. Ascensus also served as the recordkeeper of the Plan for the same periods.

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFP 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022.
- Net investment activity and interest income on notes receivable from participants as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.
- Investment information included in the footnotes and supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2023.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

8. Corrective Distributions Payable

Per Internal Revenue Service ("IRS") regulations, the Plan must perform compliance testing comparing the contributions made by and for highly compensated employees ("HCEs") (as defined by the IRS) to those made by and for non-highly compensated employees (as defined by the IRS) to ensure the Plan does not disproportionately benefit the HCEs. For the year ended December 31, 2023, the Plan passed the Actual Deferral Percentage ("ADP") test after recharacterization of certain participant contributions as catch-up contributions; however, one participant exceeded Plan contribution limits (15% of compensation on an annual basis) resulting in a corrective distribution payable of \$5,131 at December 31, 2023. For the year ended December 31, 2022, the Plan determined \$4,767 should be returned in corrective distributions to pass the ADP test.

9. Reconciliation of Financial Statements to Form 5500

10. Transactions with Parties in Interest

Da/Pro Rubber, Inc. provides to the Plan certain accounting and administrative services for which no fees are charged. The Plan Administrator representative and Plan Sponsor representative are currently both participants in the Da/Pro Rubber, Inc. 401(k) Plan. In addition, there are three shareholders/officers of Da/Pro Rubber, Inc. that are active participants in the Plan.

11. Subsequent Events

The Company has evaluated all events subsequent to the balance sheet date of December 31, 2023, through the financial statement issuance date of October 2, 2024, and determined there was one subsequent event requiring additional disclosure. The Sponsor is in the process of amending the Plan to change the named Plan trustee from the former Company Controller to the current Company Chief Executive Officer and to

raise the allowed deferral limit from 15% of compensation to 90%. The deferral limit change will be effective November 1, 2024.
