FINEMAN WEST & CO. LLP
801 S. FIGUEROA STREET, SUITE #1000
LOS ANGELES, CA 90017

Ladies and Gentlemen:

This representation letter is provided in connection with your audit of the financial statements of Westmont Group Employees' 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprises the statements of net assets available for benefits as of December 31, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Westmont Group Employees' 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As discussed in Note 8 to the financial statements, subsequent to the issuance of the Plan's financial statements as of December 31, 2023, and 2022 and for the years then ended, with its Independent Auditors' Report, originally dated August 21, 2024, the Plan discovered that Form 5500, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, which was required, was not included. As such, the Plan is reissuing its financial statement and including Form 5500, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westmont Group Employees' 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westmont Group Employees' 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westmont Group Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westmont Group Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WESTMONT GROUP EMPLOYEES' 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

1 - DESCRIPTION OF PLAN

The following description of Westmont Group Employees' 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) and profit-sharing plan that was established effective January 1998, covering all eligible employees, as defined by the Plan, who are employed by Westmont Industries, Advanced Ground Systems Engineering, LLC, Otto Systems, LP, and Hydraulic Cranes, LLC (collectively the "Company" or "Plan Sponsor") under Section 401(k) of the Internal Revenue Code (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers substantially all employees of the Company who are 21 years of age or over and have been employed by the Company for at least three (3) consecutive months. Employees may enter the Plan monthly upon attaining eligibility. The entry date is the first day of the month following the date the employee meets the eligibility service requirements.

The Plan Sponsor appointed Ascensus Trust Company ("Ascensus") as the trustee ("Trustee") and Ascensus, LLC as its record keeper ("Record Keeper") of the Plan.

Participant Contributions

Each year, participants may elect to contribute a percentage of their compensation to the Plan; however, the total amount of the contribution generally may not exceed the Internal Revenue Service ("IRS") imposed limit of \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500, in addition to the IRS limit for the year ended December 31, 2023.

Employer Contributions

The Plan Sponsor may make a discretionary employer matching contribution to the Plan on behalf of the qualifying contributing participant, but only with respect to their elective deferral. In 2023, the employer matched 100% of the first 5% of the compensation a participant contributed to the Plan. For the years ended December 31, 2023 and 2022, the Plan Sponsor made matching contributions of \$478,250 and \$418,531 to the Plan, respectively.

Additional amounts may be contributed to the Plan at the discretion of the Plan Sponsor through profit-sharing contributions ("Profit Sharing Contributions"). For the years ended December 31, 2023 and 2022, the Plan Sponsor did not make any Profit-Sharing Contributions to the Plan.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) an allocation of the employer's contributions, (c) Plan earnings, and (d) charged with an allocation of administrative expenses and any miscellaneous fees. Earnings or losses are allocated by funds based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants become immediately vested in their rollover contributions, voluntary salary deferral contributions, plus actual earnings. Vesting in the Plan Sponsor's contributions and Profit-Sharing contributions are based on the participant's years of service and in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentages</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Additionally, participants become 100% vested in the employer's contribution upon death or total and permanent disability of the participants.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 from their accounts and up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the past twelve months or 50% of their vested account balance, less any current outstanding loans. Loans are secured by the balance of the participant's account and bear interest at the prime rate on the borrowing date. The maximum loan term is five years unless the loan qualifies as a principal residence loan, in which case the loan term is not to exceed thirty years. Principal and interest are paid through payroll deductions. As of December 31, 2023, interest rates charged on outstanding loans ranged from 3.25% to 8.50%.

Investment Options

Upon enrollment in the Plan, participants may direct employee and employer contributions to any of the investment options offered by the Plan. Participants may change their investment options daily and reallocate contributions among investment options at any time.

Benefits

Benefits can be drawn upon retirement, death, disability, or termination. The Plan provides for distributions at age 59½, while the participant is still currently employed. Benefits are paid to the participant or their beneficiary as a lump-sum payment equal to the participant's vested amount in their account. Terminated participants whose vested balance is \$1,000 or less will automatically receive an immediate lump-sum distribution equal to their vested account balance.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants will become fully vested in their Employer contributions in the event of Plan termination.

1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures are the non-vested portion of participants' accounts which are lost upon termination of employment. Forfeitures are used to reduce future employer contributions to the Plan or may be used to pay any administrative expenses of the Plan. The forfeiture account balance totaled \$40,355 and \$59,156 as of December 31, 2023 and 2022, respectively. In 2023 and 2022, approximately \$43,000 and \$0 of forfeitures were applied to pay for the Plan's administrative expenses, respectively.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments are reported at their fair values (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and losses are recognized when realized. Net appreciation or depreciation in fair value of investments consists of both realized gains or losses and unrealized appreciation or depreciation of those investments.

Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

WESTMONT GROUP EMPLOYEES' 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefits

Upon retirement, disability, death, or termination of service, a participant will receive either a partial withdrawal, lump sum, or a rollover of benefits equal to the value of the vested portion of his or her account. Distributions are subject to the applicable provisions of the Plan Agreement. The Plan allows for in-service withdrawals under certain conditions.

Administrative Expenses

Expenses incurred in administering the Plan are paid by the Plan and allocated proportionally to each participant's account balance, except those relating to processing fees for certain benefit payments that are assigned to the respective individual participant's account.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Assets with quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Assets that have inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:</p> <ul style="list-style-type: none">a. Quoted prices for similar assets or liabilities in active markets;b. Quoted prices for identical or similar assets or liabilities in inactive markets;c. Inputs other than quoted prices that are observable for the asset or liability; andd. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Assets with inputs to the valuation methodology that are unobservable and are significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following describes the valuation methodologies used for assets measured at fair value. There have been no changes in the methods used at December 31, 2023, and 2022.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022, respectively.

Fair Value Measurements at Reporting Date Using:

4 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by Ascensus Trust Company, the custodian of the Plan, for the years ended December 31, 2023, and 2022, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule, as follows:

	December 31,	
	2023	2022
Cash equivalents - Money market fund	\$ 1,199,176	\$ 1,007,114
Investments - at fair value		
Mutual funds	\$ 16,716,635	\$ 13,955,438
Notes receivable from participants	\$ 263,064	\$ 288,411
Investment income		
Net appreciation (depreciation) in fair value of investments	\$ 1,726,425	\$ (2,931,541)
Capital gains	72,221	70,720
Interest and dividends	406,613	296,815
Net investment income (loss), as certified by the custodian	\$ 2,205,259	\$ (2,564,006)

5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with particular investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

WESTMONT GROUP EMPLOYEES' 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

6 - TAX STATUS

The Company has adopted a non-standardized pre-approved plan document that received an opinion letter from the Internal Revenue Service, dated June 30, 2020, indicating that the pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (the IRC). Although the Plan has been amended, the Company and the Plan Administrator believe that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain positions that, more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, and 2022, no uncertain positions were taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

7 - PARTY-IN-INTEREST TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

The plan administrator and trustee are parties in interest. However, there were no transactions with the Trustee.

In addition, the Plan Sponsor, Westmont Industries, LLC, and Affiliates are parties-in-interest. However, there are no transactions with the Plan Sponsor other than the funding contributions to the Plan and payment of certain expenses.

8 - SUBSEQUENT EVENTS

After the issuance of the Plan's financial statements as of December 31, 2023, and 2022, and for the years then ended, with the Independent Auditors' report, originally dated August 21, 2024, the Company discovered that Form 5500, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, which was required, was not included. Upon discovery of this error, the Plan included Form 5500, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and is re-issuing its financial statements and supplemental schedules.

The Plan has evaluated subsequent events through October 7, 2024, the date when the financial statements were available to be re-issued.
