Commercial Ready Mix Products
401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Commercial Ready Mix Products 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMERCIAL READY MIX PRODUCTS
401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of Commercial Ready Mix Products 401(k) Plan (the "Plan") provides only general information. Participants in the Plan should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is a defined contribution prototype plan of Oppenheimer Funds, Inc.

(a) General

The Plan became effective on January 1, 1988, as a profit sharing 401(k) salary deferred thrift plan. The Plan is sponsored by Commercial Ready Mix Products (the "Company"). The Plan covers all employees with a minimum of 500 hours of service to the Company who have one year of service and have attained age twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and The Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). The Plan's investments are held by John Hancock Life Insurance Company.

(b) Contributions

Each year, participants can elect to defer a percentage of their compensation into the Plan, not to exceed the limits of the Internal Revenue Code. The Company elected to match 100% of participating employee's contributions on the first 3% of compensation and 2% on the next 50% of compensation deferred into the Plan for 2023 and 2022. This election is made annually and, when applicable, matching contributions will be made on behalf of all qualifying employees. Matching expense was \$346,207 and \$337,232 for 2023 and 2022, respectively.

The Company can also elect on an annual basis to make a discretionary profit sharing contribution equal to a percentage of each participant's compensation. During 2023 and 2022, the Company did not make a profit sharing contribution.

Participants can deposit "rollovers" (distributions from other qualified plans) into the Plan.

(c) Participant's Account

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and plan earnings. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures of terminated participants' non-vested accounts are applied to reduce the Company's contributions and to pay administrative costs of the Plan.

(1) Description of Plan, Continued

(d) Vesting

Participants are 100% vested in their salary reduction amounts contributed to the Plan. Vesting in the Company's matching and discretionary contribution portions of their accounts is based on the years of continuous service. Participants vest 20% after year three and then increase 20% each year thereafter until completing six years of credited service at which time they are 100% vested.

(e) Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any or all of the Oppenheimer, American or Franklin families of mutual funds.

(f) Payment of Benefits

Generally, the participant becomes eligible to receive benefits upon attaining retirement age (as defined by the Plan), death, disability, or termination of employment. The participant may receive 100% of their vested account balance in a lump sum.

(g) Notes Receivable from Participants

Participants may borrow from the Plan up to one-half of their vested balance. The loan is secured by the vested account balance and interest is charged at prime plus one percent. Repayments are made through payroll deduction over a range of one to five years.

(h) Forfeitures

Forfeitures of non-vested Company contributions are used to reduce future Company contributions and administrative fees. There were no such fees or contributions paid utilizing forfeitures in 2023 or 2022.

(i) Administrative Expenses

Certain expenses incurred in the administration of the Plan are paid directly by the Company or by using forfeitures.

(2) Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

(b) Fair Value Measurements

For determining fair value measurements, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Management follows an established framework for measuring fair value. That framework provides a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are described below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: one or more significant inputs or significant value drivers are unobservable or based on market assumptions

(c) Investment Valuation and Income Recognition

Investments in mutual funds managed by the Plan's custodian are valued on the last business day of the year based on the current market values (quoted prices) of the underlying assets of the funds.

The Plan presents in the statements of changes in net assets available for plan benefits the net appreciation (depreciation) in the market value of its investments which consists of realized gains or losses, the unrealized appreciation (depreciation) on investments held at year-end, and investment management fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. There are no unfunded commitments as of December 31, 2023 and 2022.

(d) Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest.

(e) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and disclosure of contingent liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

(2) Significant Accounting Policies, Continued

(f) Payment of Benefits

Benefits are recorded as an expense when paid.

(3) Administrative Expenses

Certain administrative expenses of the Plan for 2023 and 2022 were paid by the plan sponsor.

(4) Federal Income Taxes

The Plan obtained its latest determination letter dated June 30, 2022, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(5) Investments

John Hancock Life Insurance Company, the custodian of the Plan, has certified that the Plan's investments, totaling \$9,166,596 and \$7,482,074 as of December 31, 2023 and 2022, respectively, and investment return and activity for the years then ended, as reported in the accompanying financial statements and supplemental schedule are complete and accurate.

During 2023, the Plan's investments (including investments bought, sold and held during the year), appreciated \$1,357,522 and, in 2022, they depreciated \$1,424,039 in value. In addition, interest on loans to participants totaled \$12,756 and \$6,342 for 2023 and 2022, respectively.

(6) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits as follows:

Fair Value Measurements at Reporting				
Date Using:				
<u>December 31, 2023</u>		<u>December 31, 2022</u>		
<u>Fair Value</u>	<u>Level 1</u>	<u>Fair Value</u>	<u>Level 1</u>

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their account balances.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(9) Subsequent Events
