- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ICAFe, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ICAFe, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ICAFe, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ICAFe, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Item 4(i) Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ICAFE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

For the year ended December 31, 2023

NOTE 1 – Description of Plan

The following description of the ICAFe, Inc. 401(k) Profit Sharing (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. Nature of the Plan

The Plan provides a defined contribution plan with elective deferral 401(k) and ROTH 401(k) features covering eligible employees of ICAFe, Inc., Dove Equipment Co., Inc., Seneca Fluid Technologies, Inc., Precision for Collision, Inc., Air Equipment & Repair, Inc., Thomas Equipment WI, Inc., and Southwest Air Equipment, Inc. (the Company) over the age of 21 who have completed at least three months of service. Participants in the Plan receive employer matching contributions with no service hours requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee of the Plan is John Hancock Trust Company LLC.

The Plan’s federal identification number is 39-1247721 and the Plan number is 002.

B. Contributions

Each year, participants may contribute the maximum deferral amount allowed by the IRS. Participants who will attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds along with a collective trust fund. The Company match is a flexible discretionary match. Matching contributions were 25% of employee contributions up to 5% of participant base compensation contributed to the Plan for the year ending December 31, 2023. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors. Contributions are subject to limitations. The Company contributed \$220,000 as employer matching and profit-sharing contributions for the year ended December 31, 2023.

C. Participant Accounts and Rollovers

Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s contribution, (b) Plan earnings, losses, and (c) forfeitures of terminated participant’s non-vested accounts, and (d) an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The Plan permits the transfer of funds from other qualified plans to a participant’s separate rollover account.

D. Forfeitures

The non-vested portion of the employer contribution account of a participant who is partially vested and has resigned or has been terminated is forfeited in the year after the participant receives a distribution of the entire vested portion or incurs five consecutive one year “breaks in service,” whichever occurs first. Forfeited amounts are used by the employer to reduce plan expenses. For the year ending December 31, 2023 no plan expenses were reduced from the forfeited non-vested accounts. The unallocated forfeitures at December 31, 2023 and 2022 were \$55,686 and \$50,894, respectively.

E. Investment Options

Participants may invest their account balances (including all Company contributions allocated to them) in 1% increments in a variety of mutual funds along with a collective trust fund. Participants may change their investment options daily. Participants may change their investment options daily.

F. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. Participants become vested in Company contributions in accordance with the following schedule.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

G. Benefit Payments

Upon termination of service due to death, disability, or retirement (age 65), a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments over a period selected by the participant. In addition, in-service withdrawals are allowed for qualifying hardships. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 – Summary of Significant Accounting Policies

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements is as follows.

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Notes to Financial Statements

For the year ended December 31, 2023

NOTE 2 – Summary of Significant Accounting Policies (continued)

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The fair value of the registered investment companies are valued at quoted prices in an active market. The fair value of participation units in the collective investment trust fund are valued using net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments, held by the fund less its liability as reported to the Plan by John Hancock Retirement Plan Services.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Investment return is reflected by net increase in investment unit values. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Benefits are recorded when paid.

E. Administration

John Hancock Retirement Plan Services is the custodian and John Hancock Trust Company, LLC is the trustee of the Plan. The custodian is responsible for investing and safekeeping all the Plan assets. Costs of administering the Plan are paid by the Company and the Plan.

F. Subsequent Events

For the year ended December 31, 2023, the Company has evaluated subsequent events for potential recognition and disclosure through October 4, 2024 the date the financial statements were available for issuance.

ICAFE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

For the year ended December 31, 2023

NOTE 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for benefits.

	Fair Value Measurement Using: Unadjusted Quoted Prices in Active Markets for Identical Assets (Level 1)		Total
<u>December 31, 2023</u>			
Mutual funds	\$	10,341,604	\$ 10,341,604
Investments measured at NAV			
Collective trust			<u>412,047</u>
Total investments, at fair value			\$ <u><u>10,753,651</u></u>
<u>December 31, 2022</u>			
Mutual funds	\$	7,802,698	\$ 7,802,698
Investments measured at NAV			
Collective trust			<u>716,507</u>
Total investments, at fair value			\$ <u><u>8,519,205</u></u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 1 inputs were available to the plan, so Level 2 and 3 inputs were not used.

Mutual funds are valued at the net asset value of the shares held by the Plan at year end as determined by unadjusted quoted market prices.

Notes to Financial Statements

For the year ended December 31, 2023

NOTE 3 – Fair Value Measurements (continued)

The collective trust is valued at the fair value of participation units held in the John Hancock Stable Value Fund R6, the trust is valued based on net asset value, as reported by the manager of the collective trust fund, John Hancock Ttrust Company, LLC, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The collective trust invests entirely in the John Hancock Stable Value Fund R6, which consists of separately managed investment portfolios in fixed income securities, and also enters into wrapper contracts, which are issued by third-parties and are designed to allow the Fund to maintain a constant net asset value. The collective trust provides for daily redemptions by the Plan at reported net asset value, with no advance notice requirements.

NOTE 4 – Trustee's Certificate and Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at year end, assets acquired and disposed of within the year, net appreciation in fair value of investments for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Trust Company LLC (the trustee of the plan).

NOTE 5 – Party-In-Interest Transactions

Parties-in-interest are defined under the Department of Labor's (DOL) Rules and Regulations as any fiduciary of the Plan, and party rendering services to the Plan, the Company, and certain others. Certain Plan investments are shares of collective trust funds managed by John Hancock. As such, transactions conducted with John Hancock and the Company qualify as party-in-interest transactions.

NOTE 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the Plan Agreement including all rights, titles, powers, duties, discretions, and immunities imposed upon or reserved to the Trustee and the Company will continue in effect until all assets have been distributed by the Custodian as directed by the Company. Each Plan participant's benefits will become 100% vested in the event the Plan is terminated.

ICAFE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

For the year ended December 31, 2023

NOTE 7 – Tax Status

The Plan has received a favorable determination from the Internal Revenue Service, which qualifies it for tax-exempt status. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the US Federal authorities. Plan management determined there were no items to be recognized as of December 31, 2023. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

NOTE 8 – Supplemental Schedules

Disclosures required by regulations include separate schedules of: (1) assets (held at end of year), (2) assets (acquired and disposed of within the year), (3) nonexempt transactions with parties in interest, (4) loans in default or uncollectible, (5) leases in default or uncollectible and (6) reportable transactions. Schedules 2, 3, 4, 5, and 6 are not included herein as they are not applicable to this Plan as of or for the year ended December 31, 2023.

NOTE 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
