INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Crown Equipment Corporation 401(k) Retirement Savings Plan and Trust** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Crown Equipment Corporation 401(k) Retirement Savings Plan and Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Crown Equipment Corporation 401(k) Retirement Savings Plan and Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Crown Equipment Corporation 401(k) Retirement Savings Plan and Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CROWN EQUIPMENT CORPORATION 401(K) RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Crown Equipment Corporation 401(k) Retirement Savings Plan and Trust** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 1991, Crown Equipment Corporation (the "Company") adopted a Section 401(k) profit sharing plan. The Plan allows full-time employees of the Company who have one hour of service to participate. Employees covered by a collective bargaining agreement, non-resident aliens who receive no U.S. source income, temporary employees, leased employees, students, interns, co-op employees, and independent contractors are not eligible to participate. The Plan also allows employees classified as regular part-time to participate once they have completed 12 months of service during which they are credited with 1,000 hours of service. Regular part-time employees who meet the service requirement are enrolled into the Plan on January 1 and July 1. All full-time employees are automatically enrolled in the Plan at a deferral rate of 5% after 45 days from date of hire unless they elect not to participate. For participants automatically enrolled, this rate increases 1% each year on April 1 as long as the participant was enrolled in the Plan for at least one year prior to April 1, up to a maximum of 10%, unless they elect otherwise. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee pre-tax and Roth salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions.

The Company provides both matching and annual contributions to employee's accounts. The amount of the contribution is based on each individual employee's date of hire, length of service, and whether the employee participates in the Company's defined benefit plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Bank of America, N.A. is the Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs into which investment the participant contribution, employer match, and annual contributions are to be invested.

CROWN EQUIPMENT CORPORATION 401(K) RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions, Company matching contributions, rollovers, and corresponding earnings. Vesting in the annual contribution is based on years of credited service. Participants are credited with a year of service for any Plan year in which the participant works at least 1,000 hours. The following schedule will be used to determine vesting in the Company's annual contribution and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Notes Receivable from Participants - Participants may borrow from their account balance in any amount between \$1,000 and \$50,000, but not to exceed 50% of their vested account balance. Loans bear interest at the prime rate plus 1%. Loan terms are for a period not exceeding five years. A term up to 15 years may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Plan provisions allow no more than two outstanding loans at any time. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. The Plan Administrator may elect to automatically distribute to a participant in a single-sum payment any account balances upon termination of \$1,000 or less. The Plan Administrator may also rollover participant balances greater than \$1,000, but less than \$5,000, into an IRA if the participant does not elect to rollover or receive payment of their balance. The IRA must be invested in an investment vehicle designed to preserve principal and provide a reasonable rate of return and liquidity. In addition, participants may receive distributions of their vested account balance, excluding the annual contribution and earnings on contributions, for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and pay Plan expenses. Forfeitures in the amount of \$334,838 and \$309,550 were used during 2023 and 2022. Unallocated forfeitures at December 31, 2023 and 2022 were \$98,883 and \$392,241.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options and deferral percentages at any time via telephone or the Internet.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses is deemed necessary as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) of investments.

The Plan entered into an agreement with the third party administrator that allows the Plan to accumulate any excess revenue in an ERISA Spending Account and to use these proceeds to pay reasonable expenses of the Plan or to allocate to participants. This ERISA Spending Account is included in Plan assets and the revenue is accumulated in the account after the end of each quarter. Deposits to the ERISA Spending Account totaled \$8,736 and \$3,464 for the years 2023 and 2022. Funds were used to pay administrative expenses of the Plan in 2022 (see Note 6). No funds were used to pay Plan expenses in 2023. In addition, \$0 and \$619,851 was allocated to participants during 2023 and 2022. The balance in the ERISA Spending Accounts was \$10,484 and \$1,610 at December 31, 2023 and 2022.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 3, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and cash disclosed in the accompanying financial statements and supplemental schedule, including investments and cash held at December 31, 2023 and 2022, net appreciation (depreciation) in value of investments, and interest and dividends for the years 2023 and 2022, were obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A. (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Money market fund: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common collective trusts: Valued at the net asset value (NAV) of units held by the Plan at year-end.

Registered investment companies: Valued at the quoted market prices of shares held by the Plan at year-end.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Fair Value
Money market fund	\$ 642,033	\$ -	\$ -	\$ 642,033
Common collective trusts	-	658,931,051	-	658,931,051

	<u>\$ 312,614,921</u>	<u>\$ 658,931,051</u>	<u>\$ -</u>	<u>\$ 971,545,972</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Fair Value
Money market fund	\$ 557,538	\$ -	\$ -	\$ 557,538
Common collective trusts	-	476,609,898	-	476,609,898
Registered investment companies	308,236,932	-	-	308,236,932
	<u>\$ 308,794,470</u>	<u>\$ 476,609,898</u>	<u>\$ -</u>	<u>\$ 785,404,368</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The JP Morgan Stable Asset Income Fund is a separate account that holds units of several JP Morgan short-term bond funds and individual fixed income securities. JP Morgan also negotiated insurance wrap contracts for the portfolio that ensure principal protection. The contract is included in the statements of net assets available for benefits at its contract value.

Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with JPMorgan Chase Bank, N.A. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

CROWN EQUIPMENT CORPORATION 401(K) RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are held in trust with Bank of America, N.A. Thus, Bank of America, N.A., as Trustee defined by the Plan, qualifies as party-in-interest. The Trustee and certain related affiliates collectively provided investment management, participant record-keeping, and administrative services for the Plan. Fees paid by the Plan for these services totaled \$789,586 and \$675,281 for the years 2023 and 2022.

Brady, Ware & Schoenfeld, Inc., as auditor, qualifies as a party-in-interest. Audit fees paid by the Plan for the years 2023 and 2022 totaled \$17,800 and \$16,200.

The Plan also receives certain investment advisory and other professional services from Clearstead Advisors, LLC. This advisor qualifies as a party-in-interest to the Plan. Fees paid by the Plan for these services totaled \$120,000 for the years 2023 and 2022.

The Company provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Profit Sharing and 401(k) Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on July 17, 2017, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2023 and 2022, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2023 and 2022, there were no differences between the financial statements and the Form 5500.
