Independent Auditor's Report

To the Plan Administrator of the
Sunrise Medical 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Sunrise Medical 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a: Schedule of Delinquent Participant Contributions and Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sunrise Medical 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 – Description of the Plan

The following description of the Sunrise Medical 401(k) Plan (the "Plan") provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan, which went into effect July 1, 1984, that is generally available to all employees of Sunrise Medical (US) LLC (the "Company," "Plan Sponsor," or "Plan administrator") and Participating Employers (collectively, the "Employer"). The Plan excludes reclassified employees; leased employees; foreign employees working in the U.S. who are not paid through the U.S. payroll; non-resident aliens; part-time / temporary / seasonal employees, as defined; and employees covered by a collective bargaining agreement. Employees are eligible to participate on the first day of the calendar month coincident with or next following their date of hire. Part-time / temporary / seasonal employees are eligible to participate the first of the month coincident with or next following the date they complete 1,000 hours of service during the relevant eligibility computation period, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Benefits under the Plan are not guaranteed by the Pension Benefit Guaranty Corporation.

Contributions. The following types of contributions are allowable under the Plan:

- **Salary Deferral Contributions** - Participants may contribute up to 50% of their pretax compensation, as defined in the Plan document. Participants may also elect to make an after-tax Roth contribution to the Plan. With certain exceptions, if a participant does not have a salary reduction agreement in place that is at least equal to the automatic deferral amount, the Plan has an automatic deferral feature whereby such participant is automatically enrolled at a salary deferral percentage of 3% of compensation, unless such participant elects out of the automatic deferral after appropriate advance notice. Such automatic deferral increases by 1% per year on January 1 up to a maximum of 10% of compensation. A participant's total salary deferral contribution cannot exceed \$22,500 (\$30,000 for participants age 50 or older) in calendar year 2023.
- **Safe Harbor Matching Employer Contributions** - The Company makes a safe harbor matching contribution each Plan year equal to 100% of each eligible participant's salary deferral contribution for the first 3% of compensation contributed to the Plan plus an additional 50% of each eligible participant's salary deferral contribution for the next 2% of compensation contributed to the Plan, for a maximum safe harbor matching contribution of 4% of each eligible participant's compensation.
- **Rollover Contributions** - Amounts distributed to participants from other qualified employee benefit plans may be rolled into the Plan.

All contributions are allocated to the Plan's investment funds at the direction of the participants.

The total annual additions to a participant's account may not exceed the lesser of \$66,000 in calendar year 2023, or 100% of the participant's compensation, as defined.

Investment Options. Participants may currently direct their investments into various mutual funds, pooled separate accounts, and a common collective trust.

Sunrise Medical 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 – Description of the Plan (continued)

Participant Accounts. Each participant's account is credited with the participant's contributions (pre-tax deferrals, Roth deferrals and rollovers, if any) and an allocation of (a) the Employer's contribution (safe harbor matching), (b) fund earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting. Participants are immediately vested in their contributions, matching and safe harbor matching Employer contributions, prior Employer profit-sharing contributions, rollover contributions and related earnings thereon.

Forfeitures and Unallocated Asset Accounts. When certain terminations of participation in the Plan occur, the non-vested portion represents a forfeiture. Forfeitures are used to pay administrative expenses of the Plan or are used to reduce Employer matching contributions. The Plan also maintains unallocated asset accounts. As of December 31, 2023 and 2022, the balance in the forfeitures and unallocated asset accounts totaled \$19,831 and \$18,946, respectively.

Plan Expense Account. The Plan maintains an unallocated Plan expense account ("PEA") that is funded through fee reimbursements from the Plan's service provider. The PEA is used to pay administrative expenses of the Plan and/or is reallocated to eligible participants' accounts. During 2023, the PEA received \$66,362 of fee reimbursements, had investment income of \$3,977, and paid \$99,033 of Plan administrative expenses. The PEA had a balance of \$56,027 and \$84,721 as of December 31, 2023 and 2022, respectively.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (i) \$50,000 reduced by the highest outstanding loan balance during the previous 12 months; or (ii) 50% of their vested account balance. Loan terms range from 12 to 60 months or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime plus 2% at the date the loan is granted. Principal and interest payments are paid ratably through payroll deductions.

Payment of Benefits. Benefits to participants or beneficiaries generally are payable as a lump sum or installments equal to the value of their vested account upon retirement, disability, death or termination of the participant. Additionally, participants may request in-service withdrawals of their after-tax contributions account, rollover contributions account, upon a deemed severance distribution, upon attainment of age 59½, or upon incurring a financial hardship, as defined in the Plan document, if certain criteria are met.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Sunrise Medical 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees, and custodian. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions. Participant contributions and the related Employer matching contribution are recognized in the period in which participant contributions are withheld from compensation.

Benefits Paid to Participants. Benefits are recorded when paid.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Also included in administrative expenses are recordkeeping, investment advisor, investment management, and professional fees. Additionally, certain investment related expenses are included in net appreciation in fair value of investments.

The Plan receives fee reimbursements from the Plan's service provider and participants receive revenue credits from certain of the Plan's mutual funds, both of which are used to offset expenses. For the year ended December 31, 2023, the Plan's administrative expenses, fee reimbursements, and revenue credits netted to \$221,469, which consisted of \$289,062 of administrative expenses and \$67,593 in fee reimbursements and revenue credits.

Note 3 – Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

- The pooled separate accounts ("PSAs") and common collective trust ("CCT") are valued at the net asset value ("NAV") of units held by Plan at year end. The NAV, as provided by the custodian and trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily; and
- Mutual funds are valued at the quoted NAV of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 – Fair Value Measurements (continued)

The following tables set forth by level, within the fair value ("FV") hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements at December 31, 2023				
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual Funds	\$ 53,314,512	\$ -	\$ -	\$ 53,314,512
Total Assets in FV Hierarchy	\$ 53,314,512	\$ -	\$ -	53,314,512
Investments Measured at NAV				13,924,675
Total Assets at Fair Value				\$ 67,239,187

Fair Value Measurements at December 31, 2022				
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual Funds	\$ 50,940,994	\$ -	\$ -	\$ 50,940,994
Total Assets in FV Hierarchy	\$ 50,940,994	\$ -	\$ -	50,940,994
Investments Measured at NAV				9,354,186
Total Assets at Fair Value				\$ 60,295,180

Investments in Certain Entities that Calculate NAV per Unit. The following table for December 31, 2023 and 2022, sets forth a summary of certain of the Plan's investments with a reported NAV:

Investment	Fair Value as of December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
CCT (a)	\$ 8,444,128	\$ 9,354,186	None	Daily	(c)
PSAs (b)	5,480,547	-	None	Daily	None (d)

Sunrise Medical 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 3 – Fair Value Measurements (continued)

- (a) The CCT has a stable value fund strategy that seeks to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposits, by investing primarily in investment contracts and security-backed contracts.
- (b) The PSAs have various international, U.S. large cap growth, and bond fund investment strategies by investing primarily in underlying mutual funds and separate accounts.
- (c) Qualified Plan participant initiated withdrawals are honored at any time without penalty, regardless of their frequency or amount unless payments are being delayed to all Galliard Stable Return Fund C (the "Fund") unit holders. The Fund also requires participants to invest in a "non-competing fund" for at least 90 days before transferring to a "competing" fund option. Examples of "competing" fund options include a money market fund, a high quality bond fund with a duration of three years or less, other principal preservation funds, or a brokerage window.

Any Plan sponsor or Plan fiduciary-initiated withdrawal from the Fund will require a 12-month written notice of the intent to withdraw assets from the Fund. At the discretion of the Trustee, the notification periods identified for withdrawals may be waived only under extenuating circumstances as determined by the Trustee in its sole discretion.

- (d) Due to the frequent trading policy and procedures regarding market timing and excessive trading, if 2 round trips, as defined, have been processed into the funds there may be transfer restrictions. Given the funds' frequent trading policy and procedures and previous warnings, participants may be restricted from transferring money into these funds for 30 days.

Note 4 – Certified Information

The following information disclosed in the accompanying financial statements and ERISA-required supplemental schedules was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America ("EAIC"), the trustee and custodian of the Plan:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022;
- Notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022;

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination or partial termination, affected participants will become 100% vested in their accounts.

Note 7 – Tax Status

The Plan Sponsor has adopted an Empower Retirement LLC Non-Standardized Pre-Approved Profit Sharing Plan ("pre-approved plan"). The pre-approved plan received an opinion letter from the IRS on November 14, 2022, which stated that the pre-approved plan is qualified under the applicable sections of the Internal Revenue Code ("IRC"). Although the pre-approved plan and the Plan have been amended since receiving the IRS opinion letter, the Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified under Section 401(a) of the IRC and the related Trust is tax exempt as of December 31, 2023 and 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Party-In-Interest Transactions

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Notes to Financial Statements

December 31, 2023 and 2022

Note 8 – Party-In-Interest Transactions (continued)

Certain Plan investments are units of pooled separate accounts offered by EAIC. As EAIC and Empower Trust Company, LLC are the trustee and custodian of the Plan, these transactions qualify as party-in-interest transactions.

The Plan's trustee and custodian; the Plan's recordkeeper; the Plan's investment advisor; the Plan's auditors; the Plan's external legal counsel; the Company; and Plan participants are all parties-in-interest to the Plan. Additionally, the Plan maintains notes receivable from participants. Fees paid for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Note 9 – Nonexempt Prohibited Transaction

During 2023, the Company had a nonexempt prohibited transaction related to participant contributions and loan repayments not remitted to the trust in a timely manner as listed on Schedule H, Line 4a: Schedule of Delinquent Participant Contributions. The Company corrected this transaction in October 2023 by remitting the principal amount of the late contributions and loan repayments plus lost earnings into the Plan's trust.

Note 10 – Concentrations, Risks and Uncertainties

The Plan provides for various investment options. Investment securities, in general, are exposed to various risks, such as significant world events, interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts presented in the statements of net assets available for benefits. As of December 31, 2023 and 2022, there were two investments which individually represented more than 10% of net assets available for Plan benefits. See supplemental Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2023.

Additionally, some investments held by the Plan are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Note 11 – Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 30, 2024, which is the date the financial statements were available to be issued.

Note 11 – Subsequent Events (continued)

Effective April 1, 2024, the Plan document was amended and restated. In connection with the amendment and restatement, the following:

- Residents of Puerto Rico are excluded from participation in the Plan effective January 1, 2025;
- A special 5 year graded vesting schedule for Employer matching contributions transferred to the Plan from the ADP TotalSource Retirement Savings Plan ("ADP Plan") was established;
- Aspen Seating, LLC became a Participating Employer in the Plan effective January 1, 2024;
- The Plan was amended for the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"); and
- The Plan was amended to implement the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") and other law changes. In connection with this amendment, a provision for birth and adoption distributions for participants who are still employed was added effective April 1, 2024.

In April 2024, assets attributable to employees of Aspen Seating, LLC of approximately \$2.9 million were transferred from the ADP Plan to the Plan.
