(1) Name: **DELOITTE & TOUCHE LLP**

(2) EIN: **13-3891517**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?		☒	
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To Fifth Third Bancorp as the Plan Sponsor and the Pension, 401(k) & Medical Plan Committee of Fifth Third Bancorp 401(k) Savings Plan:

Opinion

We have audited the financial statements of Fifth Third Bancorp 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FIFTH THIRD BANCORP 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

The following brief description of the Fifth Third Bancorp 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan’s information.

General - The Plan is a defined contribution plan, with a 401(k) feature, with separate accounts maintained for each participant. The Plan utilizes a “safe harbor” design under IRS 401(k) regulations. Employees are eligible to participate after 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Fifth Third Bancorp (the “Company”) is the Plan Sponsor. The original Plan became effective January 1, 1955.

Investment Options - At both December 31, 2023 and 2022, participants could direct their accounts to be invested in a variety of funds including a money market fund, collective funds, mutual funds, a separately managed account and a self-directed brokerage option. The self-directed brokerage option offers money market, mutual fund and exchange-traded fund investments not offered as part of the Plan’s core investment options, with a few limited restrictions.

The separately managed account is a portfolio of individual securities, such as common stocks, that is managed on the participant’s behalf. Unlike a mutual fund or exchange-traded fund, the Plan directly owns the individual securities instead of pooling the participants’ assets with other investors. The individual assets of the separately managed account/fund are held in the name of the Plan (the Plan owns the underlying securities) and are generally considered separately as individual investments for accounting, auditing and financial statement reporting purposes.

Administration - The Fifth Third Bancorp Pension, 401(k) and Medical Plan Committee serves as the Plan Administrator. Empower Trust Company, LLC (“Empower Trust”) serves as the trustee of the Plan. Empower Trust must adhere to the investment authority of the Plan Administrator. All other collective and mutual fund investments are held by their respective asset managers. Empower Retirement, LLC (“Empower Retirement”) serves as the Plan’s recordkeeper.

Funding and Vesting - The Plan permits voluntary contributions from participants up to 50% of their eligible compensation. Such contributions are credited directly to the participants’ accounts and are fully vested. Contributions may be allocated to the available investment options at the discretion of the participant. Gains and losses under the Plan are calculated on a daily basis and allocated to participant accounts based on account balances.

The Plan also accepts before-tax rollover contributions and Roth rollover contributions from other qualified plans or from individual retirement accounts. Rollovers are credited to a participant’s rollover contribution account. Before-tax rollover contributions are treated in a manner similar to before-tax contributions for Plan accounting and federal income tax purposes. Neither type of rollover contribution is eligible for matching contributions by the Company.

Employees are eligible to participate in the Plan starting the pay period after they have completed 30 days of service for voluntary contributions and after 180 days of service, employees are eligible to receive matching contributions. The Company matches 150% of the first two percent of eligible compensation contributed on a pre-tax or Roth basis and an additional 100% of pre-tax or Roth employee contributions in excess of two percent but not in excess of a total of six percent of eligible compensation. Matching contributions vest immediately and are invested in the same funds selected by participants for future contributions.

Both voluntary contributions and Company matching contributions are subject to statutory limitations.

Participant Accounts - Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contributions, the Company's matching contributions, allocations of the Company's discretionary contributions, and Plan earnings. Each participant's account is charged with withdrawals and an allocation of Plan gains and losses and certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts - At December 31, 2023 and 2022, forfeited nonvested accounts associated with previous plan vesting schedules totaled \$880,933 and \$1,179,587 respectively. During 2023, employer contributions were reduced by \$716,771 from forfeited nonvested accounts.

Termination - Although it has not expressed its intention to do so, the Company has the right under the Plan to discontinue the contributions of any participating Company subsidiary at any time and to amend or terminate the Plan subject to the provisions set forth in ERISA. If the Plan were to be terminated, the value of the proportionate interest of each participant would be determined as of the date of termination, and this amount would be fully vested and nonforfeitable.

Payment of Benefits - The Plan provides for payment of benefits of accumulated vested amounts upon termination of employment. Benefits are generally payable in the form of lump-sum payments or periodic payments. Benefits are recorded when paid. The benefit to which an employee is entitled is the benefit that can be provided from the participant's vested account.

Benefits Payable - Amounts allocated to accounts of participants who have elected to withdraw from the Plan, but have not yet been paid were zero at both December 31, 2023 and 2022.

Tax Status - The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated January 12, 2021 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America (U.S. GAAP) require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes Receivable from Participants - Loans to participants are measured at unpaid principal balance plus accrued interest. Participants may borrow from certain fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the vested portion of their account balance. A participant can request a loan for any reason. Each loan, by its terms, is required to be repaid within five years, with the exception of loans for purchase of a primary residence which can have a longer term. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the rate that the Company, in its lending business, would charge on a similar loan as determined quarterly by the Plan Administrator. Interest rates on loans were between 4.25-9.50% and 4.25-9.25% at December 31, 2023 and 2022, respectively. As of December 31, 2023, the loans mature on various dates through October 2034. Principal and interest are paid by the participant through payroll deductions authorized by the participant. Terminated employees must either repay the outstanding loan principal balance in full, make equal monthly payments through the Plan's recordkeeper or take a deemed distribution equal to the outstanding loan principal balance.

Withdrawals - Participants are eligible to request withdrawals upon termination of employment, attainment of age 59 ½ or in the case of specific hardships. Amounts attributable to historic after-tax and rollover contributions are also available for in-service withdrawal. The Plan also makes required minimum distributions pursuant to regulations issued by the IRS.

Excess Contributions Payable - Employee contributions in excess of IRS limitations are required to be refunded to participants. During the year ended December 31, 2023, \$22,460 of excess contributions were refunded to plan participants, which are presented in the Statement of Changes in Net Assets Available for Benefits as a reduction of employee contributions. There were no payables recorded related to excess contributions at December 31, 2023 or 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting - The accounting records of the Plan are maintained on the accrual basis of accounting. The accompanying financial statements have been prepared in accordance with U.S. GAAP. The Plan has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued, to determine if either recognition or disclosure of significant events or transactions is required.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions.

Risks and Uncertainties - The Plan, at the direction of the participant, invests in various securities, which may include mutual funds, collective funds and a separately managed account comprised of individual securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Cash and Cash Equivalents - Cash and cash equivalents include investments in money market funds which are readily convertible to cash upon demand and are considered short-term investment funds that have an original maturity of 90 days or less when purchased.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value in accordance with Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures*. Quoted market prices, when available, are used to value equity securities and mutual funds. Collective funds are stated at fair value, as determined by the issuer of the collective funds, based on the net asset value ("NAV") per share or its equivalent, without adjustment, as quoted by the issuer or the collective fund. For further information on fair value measurements, refer to Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the unrealized gains and losses as well as the Plan's gains and losses on investments bought and sold during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds, collective trust funds and the separately managed account are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Contributions - Employee contributions and employer matching contributions are recorded as income in the period in which the employee contribution is withheld. The Plan recognizes a receivable for employer match true-up contributions that pertain to employee contributions withheld in the current plan year but that are remitted by the Plan Sponsor in the following year.

Administrative Expenses - Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. A portion of the legal fees incurred in the administration of the Plan were also allocated to participants' accounts on a pro-rata basis.

3. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Fifth Third Bancorp provided the Plan with certain accounting and administrative services for which no fees were charged. Additionally, the Plan offers investment options which are sponsored by affiliates of the trustee and recordkeeper, including the Empower T. Rowe Price Mid Cap Growth Fund and the Empower Self-Directed Brokerage Accounts. Also, a portion of the Empower Self-Directed Brokerage Accounts are invested in funds sponsored by the Plan's trustee or its affiliates. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

4. FAIR VALUE MEASUREMENTS

The Plan measures certain financial assets and liabilities at fair value in accordance with U.S. GAAP, which defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP also establishes a fair value hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the instrument's fair value measurement. The three levels within the fair value hierarchy are described as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Unobservable inputs for the asset or liability for which there is little, if any, market activity at the measurement date. Unobservable inputs reflect the Plan's own assumptions about what market participants would use to price the asset or liability. The inputs are developed based on the best information available in the circumstances, which might include the Plan's own financial data such as internally developed pricing models, discounted cash flow methodologies, as well as instruments for which the fair value determination requires significant management judgment.

The methods described above involve various valuation techniques and models, which involve inputs that are observable, when available. Valuation techniques and parameters used for measuring assets and liabilities are reviewed and validated on a quarterly basis. Additionally, the Plan monitors the fair values of significant assets and liabilities using a variety of methods including the evaluation of pricing runs and exception reports based on certain analytical criteria, comparison to previous trades and overall review and assessments for reasonableness.

The following table summarizes assets measured at fair value on a recurring basis. In accordance with U.S. GAAP, the collective funds measured at net asset value have not been classified in the fair value hierarchy. The fair value amounts presented in the table below are intended to permit reconciliation to the amounts presented in the Statements of Net Assets Available for Benefits.

As of	December 31, 2023	December 31, 2022
Investments - Level 1		
Cash equivalents	\$ 216,634,409	199,661,073
Separately managed account - common stock	93,883,562	92,549,802
Mutual funds	444,340,486	407,991,566
Total investments - Level 1	754,858,457	700,202,441
Investments measured at NAV - Collective funds	2,793,535,303	2,347,663,960
Total investments	\$ 3,548,393,760	3,047,866,401

The following is a description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Cash and cash equivalents

Cash and cash equivalents are comprised of money market mutual funds that invest in short-term money market instruments that are issued and payable in U.S. dollars. The Plan measures its cash equivalent funds that are exchange-traded using the fund's quoted price, which is in an active market. Therefore, these investments are classified within Level 1 of the valuation hierarchy.

Separately managed account

The Plan measures common stock using the stock's quoted price, which is available in an active market. Therefore, these investments are classified within Level 1 of the valuation hierarchy.

Mutual funds

The Plan measures its mutual funds that are exchange-traded, including the self-directed brokerage account offering mutual funds, using the fund's quoted price, which is available in an active market. Therefore, these investments are classified within Level 1 of the valuation hierarchy.

Collective funds

Investments in collective funds are valued based upon the redemption price of units held by the Plan. Unit values are determined by the financial institution sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates to obtain the investment's NAV. The Plan uses these NAVs as a practical expedient to determine the fair value of its investments in collective funds, so these investments are not classified within the fair value hierarchy. Investments in collective funds do not have a holding period and there are no unfunded commitments.

The collective funds seek an investment return that approximates as closely as practicable, before expenses, the performance of the associated investment index over the long term.

The collective funds are managed using a passive or indexing investment approach, by which the sponsoring investment institution attempts to invest in the securities comprising the relevant investment index in the same proportions as they are represented in the index. In some cases, it may not be possible or practicable to purchase all of the securities comprising the index, or to hold them in the same weightings as they represent in the index. From time to time, the sponsoring investment institution may purchase securities that are not yet represented in the index or sell securities that have not yet been removed from the index.

5. RECENT LEGISLATIVE DEVELOPMENTS

As permitted by the legislation known as the SECURE 2.0 Act of 2022, on January 1, 2024, the Plan was amended to permit the automatic distribution of a participant's nonforfeitable benefit when the lump sum actuarial equivalent does not exceed the amount specified in Section 411 (a)(11)(A) of the Code (currently \$7,000). A participant's benefit below this threshold will be rolled over to an Individual Retirement Arrangement as designated by the Plan Administrator.
