REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Pipe Fitters' Individual Account
and 401(k) Plan, Local 597

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pipe Fitters' Individual Account and 401(k) Plan, Local 597 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit;
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**PIPE FITTERS' INDIVIDUAL ACCOUNT
AND 401(K) PLAN, LOCAL 597**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Pipe Fitters' Individual Account and 401(k) Plan, Local 597 (the Plan) have been prepared using the accrual basis of accounting.

New Accounting Pronouncement - In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments - Credit Losses* (Topic 326), which is effective for the year ended December 31, 2023. This new standard provides financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. The standard replaced the incurred loss impairment model with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The standard had no material impact on the Plan's financial statements.

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of either December 31, 2023 or 2022.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions Receivable - Employer and participant contributions due but not received at year end are recorded as contributions receivable. Contributions due as determined by payroll compliance audits are recognized net of amounts deemed to be uncollectible. Employer contributions receivable are shown net of an allowance for uncollectible accounts of \$406,000 and \$635,000 at December 31, 2023 and 2022, respectively, which is based on the likelihood of future collections, as determined by a review of historical losses and the aging of receivables, adjusted for management's assessment of current conditions, and reasonable and supportable forecasts regarding future events.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan but were not paid amounted to \$603,536 and \$46,500 at December 31, 2023 and 2022, respectively.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rate set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose as described in Note 2 within a jurisdiction located in Cook, Lake, McHenry, Kane, DeKalb, DuPage, Kendall, Will, Grundy, LaSalle, Bureau, Putnam, Marshall, Livingston Kankakee, and Iroquois counties in Illinois, and Lake, Porter, LaPorte, Newton and Jasper counties in Indiana.

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union (reciprocating local). When a participant of the home local works in the territory of a reciprocating local, the latter is to make contributions to the former's fringe benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local fringe benefit plans. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions included reciprocal contributions of \$381,753 and \$402,403 for the years ended December 31, 2023 and 2022, respectively, from various other retirement plans under the terms of reciprocity agreements. The Plan remitted a total of \$256,333 and \$200,010 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended December 31, 2023 and 2022, respectively.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments. The Plan pays directly any other expenses related to the Plan's operations.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Fee Reimbursements - The Plan received an administrative fee reimbursement from Empower Retirement (the Custodian) on a quarterly basis. The amount reimbursed was the excess of the quarterly recordkeeping revenue earned by Empower Retirement over the quarterly participant charges due from the Plan. On a quarterly basis, the Plan was reimbursed a portion of the recordkeeping fee as part of the administrative fee reimbursement. This reimbursement was deposited into an unallocated account held by the Custodian that was available to pay future Plan expenses. During the year ended December 31, 2022, the Trustees approved distributing the entire unallocated account balance as an earnings allocation to each participant who invested in the funds that generated the revenue sharing. Allocations of \$648,137 were made to participants during the year ended December 31, 2022.

The remaining balance of the unallocated account was \$350,896 and \$304,981 at December 31, 2023 and 2022, respectively. During the year ended December 31, 2022, the Trustees approved moving to a share class with no revenue sharing, which eliminated the administrative fee reimbursement.

Leases - The Plan leases office space with a related party as described in Note 10. Due to the immaterial nature of the amounts owed pursuant to the leasing agreement, the Plan has not adopted the provisions of accounting guidance for leases required by generally accepted accounting principles.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through August 27, 2024, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the summary plan description for more complete information.

General - The Plan is a multiemployer defined contribution retirement plan established as a result of a collective bargaining agreement between the local union and various employers, under the provisions of Section 401(a) of the Internal Revenue Code, which include a qualified cash or deferred arrangement as described in Section 401(k) of the Internal Revenue Code, for the benefit of all eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Eligibility and Participation - Individuals become eligible to participate in the Plan on the first day contributions are made on their behalf. There are no service or age requirements to become eligible to participate in the Plan.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions - Each participant may elect to make contributions ranging from 1% to 100% (in whole percentages) of their compensation, as defined by the Plan. Participants may also make after-tax Roth contributions. Contributions are subject to limits set forth under the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified retirement plans.

Employer contributions were paid at a rate of \$12.00 per hour worked from January 1, 2022 through May 31, 2022, and \$13.00 per hour worked thereafter.

Participants may direct contributions to various investment options. The Plan includes a provision that, in the absence of participant direction, contributions be invested in a designated investment fund until changed by the participant. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Participant Accounts - Each participant's account is maintained so as to separately reflect the amounts attributable to employer contributions and participant contributions, as well as an allocation of earnings or losses on each participant's account balance. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are fully vested in their entire account balance at all times, which is not subject to forfeiture for any reason.

Benefits - Upon retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive benefits under various payment provisions of the Plan. Participants may also receive benefits under the hardship withdrawal provisions of the Plan.

Participant Loans - The Plan allows participants to borrow from their accounts a minimum amount of \$10,000 and up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balances. Loans must be paid back within five years; however, this period may be extended to 15 years if the loan is used for the acquisition of a primary residence. The loans are secured by the balance of the participant's account and bear interest at 1% higher than the prime lending rate. Rates ranged from 4.25% to 9.50% during the years ended December 31, 2023 and 2022. Principal and interest are paid ratably through payroll deductions. If a participant does not make repayments, the note will be considered to be in default, in which case the note balance will be reduced and recorded as a benefit payment based on the terms of the Plan document.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan obtained a determination letter dated October 13, 2015, in which the Internal Revenue Service stated that the Plan was in compliance with applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 **and** 2022. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 12/31/23 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Investments measured at net asset value:				
Pooled separate accounts	<u>966,550,975</u>			
Total	<u>\$ 1,294,357,438</u>			

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The Plan's investments in pooled separate accounts are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The underlying assets of the pooled separate accounts consist principally of marketable equity and fixed income securities. Redemptions are available on a daily basis without notice.

NOTE 6. GROUP ANNUITY CONTRACT

The Plan has a traditional fully benefit-responsive investment contract with Empower Retirement. Empower Retirement maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The average yield and crediting interest rates were 3.75% for 2023 and 3.10% for 2022. The crediting rate is reviewed on a semiannual basis for resetting. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6. GROUP ANNUITY CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan administrator has obtained certifications from Empower Retirement that the following information regarding the Plan's investments and investment income as of and for the years ended December 31, 2023 and 2022 is complete and accurate:

	<u>2023</u>	<u>2022</u>
Investments - at fair value:		
Pooled separate accounts	\$ 1,220,647,824	\$ 966,550,975
Mutual funds	\$ 426,591,416	\$ 326,502,501
Investments - at contract value:		
Group annuity contract	\$ 476,571,055	\$ 478,184,708
Notes receivable from participants	\$ 16,261,832	\$ 17,068,326
Investment income (loss)	\$ 277,833,888	\$ (281,283,914)
Interest on notes receivable from participants	\$ 1,011,396	\$ 1,018,286

NOTE 9. CONCENTRATION OF INVESTMENTS

At December 31, 2023 and 2022, the Plan held a significant portion of its assets in a group annuity contract with a contract value of \$476,571,055 and \$478,184,708 respectively, which represented approximately 22% and 27%, respectively, of net assets available for benefits. The investment is a traditional fully-benefit responsive guaranteed investment contract with underlying assets consisting primarily of investment-grade fixed income securities and marketable equity securities.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 10. RELATED ORGANIZATIONS

Identification of Related Organizations

The Plan is related to several organizations including a local union, a welfare plan, two pension plans, a training fund and an industry fund, all of which are tax-exempt.

Shared Administrative Expenses

The Plan shares office space and administrative expenses with Pipe Fitters' Welfare Fund, Local 597 (the Welfare Fund) on a direct and pro-rata basis. These expenses are initially paid by the Welfare Fund and are allocated to the Plan based on estimated time spent and costs incurred. Shared administrative expenses allocated for the years ended December 31, 2023 **and 2022** totaled \$197,198 and \$184,706 respectively. At December 31, 2023 and 2022, the Plan owed the Welfare Fund \$33,198 and \$22,896 respectively, for these expenses.

Lease Costs

The Plan and certain related organizations share office space in Chicago, Illinois with the local union and pay rent under a cancelable joint operating lease that commenced on January 1, 2022 and expires on December 31, 2024. The Welfare Fund initially pays the local union monthly rental payments required under the lease. The Plan's allocated portion of rental expense for the years ended December 31, 2023 and 2022 was \$10,067 and \$9,296 respectively. The Plan's allocated portion of future minimum payments required under this lease totaled \$8,576 as of December 31, 2023.

Lockbox Account

The Plan shares a lockbox account with several of its related organizations. Contributions for this Plan and other related organizations are received and deposited in the lockbox account. On a regular basis, contributions due to the Plan are transferred from the lockbox account into the Plan's cash account. Contributions received in the lockbox account and not processed at year end are included in contributions receivable in the statements of net assets available for benefits.

NOTE 11. TRANSMITTAL OF PARTICIPANTS' CONTRIBUTIONS

Employers withhold participants' contributions and loan repayments from their payroll. During the years ended December 31, 2023 **and 2022**, certain employers at times failed to remit participant contributions and loan repayments to the Plan within the period prescribed by the Department of Labor (DOL) regulations. Specifically, the DOL regulations provide that employers are required to segregate participant contributions to the Plan from their general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which the amounts are withheld. Certain payments did not meet the timeliness requirements and therefore constitute prohibited transactions with a party-in-interest. During the years ended December 31, 2023 and 2022, contributing employers failed to timely remit to the Plan participant contributions totaling \$634,824 and \$468,261 respectively. The Plan regularly corrects such prohibited transactions by restoring lost earnings to participants.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus assessed liquidated damages and interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions.

NOTE 12. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are owned and managed by Empower Retirement and Amalgamated Bank of Chicago. Therefore, transactions related to these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.
