INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Mid-Cumberland Community Action Agency, Inc.
Mount Juliet, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mid-Cumberland Community Action Agency, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material aspects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MID-CUMBERLAND COMMUNITY ACTION AGENCY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. Description of Plan

The following description of the Mid-Cumberland Community Action Agency 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants may review the Plan adoption agreement for a more complete presentation of the Plan’s provisions. The Plan was adopted on January 1, 1992, by its sponsor, Mid-Cumberland Community Action Agency, Inc. (the “Agency”).

General

The Plan is a defined contribution plan that provides retirement and other benefits for all non-union, non-expatriate employees of the Agency. Employees who are age 21 or older and have completed three months of service are eligible to participate and may enroll quarterly upon reaching the requirements. Employees must complete one year of service to be eligible for employer discretionary contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

The Agency controls and manages the operation and administration of the Plan. Effective January 1, 2021, Great-West Life & Annuity Insurance Company began serving as custodian of the Plan. Effective July 15, 2022, Mid-Atlantic Trust Company (“American Trust Company”) began serving as custodian of the Plan, EPIC Retirement Plan Services as the record keeper, and Renasant Bank as the trustee. The Agency pays certain operating expenses incurred in the ongoing administration of the Plan.

Contributions

Participants in the Plan may elect to contribute through salary deferrals (i.e., payroll deductions) an amount not less than one percent or more than one hundred percent of their earnings, as defined in the Plan. The maximum annual contribution for each participant (\$22,500 and \$20,500 for calendar years 2023 and 2022, respectively) may be adjusted annually for inflation by federal statute. Participants may elect to change their contribution percentage or cease salary deferrals into the Plan at any time.

Additional contributions, called “catch-up” contributions, are allowed for employees who are age 50 or older by the end of the calendar year in which the catch-up contributions are made. Qualifying participants can make the additional contributions (limited to \$7,500 and \$6,500 for calendar years 2023 and 2022, respectively), once the participant’s regular contributions have reached the maximum annual deferral limit prescribed by federal statute. Catch-up contributions are included in the calculation of the Agency’s matching contributions.

During 2023 and 2022, the Agency made discretionary contributions to the Plan equal to 5% of each participant’s earnings. Agency discretionary contributions are allocated to participants each pay period.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, the Agency’s discretionary contribution, and an allocable portion of the Plan’s net investment earnings. Participant accounts are charged with an allocable portion of Plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MID-CUMBERLAND COMMUNITY ACTION AGENCY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2023 AND 2022

1. Description of Plan (Cont'd)

Vesting

Participants are immediately vested in their voluntary contributions, including any rollovers, plus actual earnings thereon. Vesting in the remainder of the account is based on years of service, as follows:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$74,357 and \$42,822, respectively. These accounts will be used to reduce future employer contributions. During the years ended December 31, 2023 and 2022, employer contributions were reduced by \$-0- from forfeited nonvested accounts.

Investment Options

All investments within the Plan are participant-directed. An investment election form is initially completed by each participant upon enrollment in the Plan. Participants may elect to invest their entire account, or any portion thereof, in one or more of the following investment options:

Mutual funds: twenty-nine options that offer participants the opportunity to invest in shares of specified mutual funds.

Guaranteed Investment Contract: a group annuity contract that offers participants a stable value option for their principal balances while earning interest at a guaranteed rate (1.15% for 2022). The underlying contract value is backed by the general assets of Great-West Life & Annuity Insurance Company and represents a concentration of credit risk. The Plan typically does not obtain collateral with respect to financial instruments subject to credit risk.

Distributions to Participants

Upon termination of service due to attainment of normal retirement age, death, or permanent disability (each as defined by the Plan), a participant will receive the vested value of his or her account in a lump sum distribution. The participant may delay the distribution of the vested value if his or her account exceeds \$5,000. Upon termination of employment for any reason other than retirement, death, or disability, the vested value of the participant's account will be paid in a lump sum distribution, if not greater than \$5,000, or as directed by the participant, if the account exceeds \$5,000. Withdrawal of part or all of a participant's account may be authorized by the Plan administrator prior to termination of employment if the participant experiences a financial hardship, as defined.

Notes Receivable from Participants

Participant loans are limited to the lesser of 50% of the vested portion of a participant's account balance or \$50,000 less the highest outstanding total loan balance during the previous twelve-month period. The minimum amount of each loan is \$1,000. Loans are secured by the balance of the participant's account, bear interest at a commercially reasonable rate and are repaid through payroll deductions over a period generally not to exceed five years, unless the loan is used to acquire a home, in which event the loan term would be extended over a reasonable period of time. Interest income is recorded on the accrual basis. Credit risk for participant loans is considered to be minimal.

MID-CUMBERLAND COMMUNITY ACTION AGENCY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2023 AND 2022

1. Description of Plan (Cont'd)

Plan Termination

The Agency expects the Plan to continue indefinitely. However, the Agency retains the right under the Plan to discontinue Agency contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of Plan termination, the participants shall become 100% vested in their accounts.

Date of Management's Review

Subsequent events have been evaluated through October 7, 2024, which is the date the financial statements were available to be issued.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with U.S. generally accepted accounting principles using the accrual method of accounting.

Plan Year End

The Plan year end is December 31.

Valuation of Investments

The Plan's mutual fund investments are stated at fair value based upon quoted market prices of the underlying mutual funds, as certified by Renasant Bank (July 15, 2022 through December 31, 2023) and Great-West Life & Annuity Insurance Company (January 1, 2021 through July 14, 2022). Net realized gains or losses from dispositions and the net unrealized gain or loss from changes in fair value are combined and presented in the "Statement of Changes in Net Assets Available for Benefits" as "Net appreciation (depreciation) in fair value of investments". Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis using the simple interest method.

Contributions Receivable

The Plan records a receivable at December 31 whenever employer or participant contributions attributable to that Plan year are not received by the Plan until the following Plan year. Due to the nature of the receivable, an allowance for uncollectible contributions receivable is generally unnecessary.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant estimates used in preparing these financial statements principally include those assumed in establishing the fair values of investments. It is at least reasonably possible that the significant estimates used by the Plan administrator will change within the next year and that such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan. An allowance for uncollectible notes receivable from participants is generally considered unnecessary because the outstanding loan balances are collateralized by the vested portions of the respective participants' account balances.

NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2023 AND 2022

2. Summary of Significant Accounting Policies (Cont'd)

Payment of Benefits

Benefit payments to participants are recorded upon distribution. Amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid were \$-0- at December 31, 2023 and 2022.

3. Related Party Transactions

All Plan investments are managed by Great-West Life & Annuity Insurance Company (through July 14, 2022) and Mid-Atlantic Trust Company (July 15, 2022 forward), the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to the custodians by the Plan were \$34,737 and \$18,293 for the years ended December 31, 2023 and 2022, respectively.

4. Investments and Related Information Certified by the Custodians

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's independent auditor did not perform any auditing procedures with respect to the information certified to as complete and accurate by Renasant Bank (July 15, 2022 through December 31, 2023) and Great-West Life & Annuity Insurance Company (January 1, 2021 through July 14, 2022), the custodians for the Plan, except for comparing such information to the related financial statements and supplemental schedule of assets (held at end of year). Accordingly, all information presented in the accompanying financial statements and supplemental schedule pertaining to investments held at December 31, 2023 and 2022, and investment income and net appreciation in fair value of investments for the Plan years then ended, was obtained from certifications by Renasant Bank (July 15, 2022 through December 31, 2023) and Great-West Life & Annuity Insurance Company (January 1, 2021 through July 14, 2022), and is therefore unaudited.

The following is a summary of the unaudited information regarding the Plan:

5. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

MID-CUMBERLAND COMMUNITY ACTION AGENCY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2023 AND 2022

5. Fair Value Measurements (Cont'd)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total

6. Guaranteed Investment Contract with Great-West Life & Annuity Insurance Company

In 2015, the Plan entered into a fully benefit-responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company, which maintained the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Effective January 1, 2021, Great-West Life & Annuity Insurance Company began serving as custodian of the Plan when Empower Retirement purchased Massachusetts Mutual Life Insurance Company. Effective July 15, 2022, the contract ceased as the Plan changed custodians.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring. Either party to the guaranteed investment contract may terminate the contract with at least 60 days advance written notice to the other party.

MID-CUMBERLAND COMMUNITY ACTION AGENCY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2023 AND 2022

7. Tax Status

The Agency's Plan is based on a "prototype non-standardized profit sharing plan with cash or deferred arrangement" that was developed by a commercial benefit plan provider. The "prototype" form was submitted to the Internal Revenue Service, who responded to the commercial plan provider in its letter dated May 11, 2009, that the form of the "prototype" plan is acceptable under Section 401 for use by employers for the benefit of their employees. Although a determination letter has not been requested specifically for the Agency's Plan, as amended, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan's administrator believes that the Plan was duly qualified as a tax-exempt trust as of the latest financial statement date and intends for the Plan to continue in such a manner. The Plan is no longer subject to federal, state and local income tax examinations by tax authorities for fiscal years ended before December 31, 2020.

For non-Roth accounts, Plan participants are not subject to federal income taxes on contributions to their accounts or the related account earnings until they receive a distribution from the Plan. Distributions that are rolled over to another qualified retirement plan generally continue to be tax deferred until ultimate distribution to the participant.

8. Risks and Uncertainties – Investments

Financial instruments that potentially subject the Plan to significant concentrations of credit risk consist principally of cash, a guaranteed investment contract and mutual funds. The Plan places its cash with federally-insured financial institutions. The Plan's investment in a guaranteed investment contract is also subject to credit risk in that the collectability of the contract principal and earnings is not insured or guaranteed, but rather is dependent upon the financial ability of the contract issuer to make such payments at maturity. The Plan's mutual funds include investments which are inherently exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying "Statement of Net Assets Available for Benefits."

9. Reconciliation of Financial Statements to Form 5500

In accordance with the instructions to IRS Form 5500, investment income from registered investment companies is to be reported as a component of the "Net investment gain (loss)" for the reporting period. For financial reporting purposes, investment income from such investments is to be reported as a separate line item on the "Statement of Changes in Net Assets Available for Benefits."

The financial statement caption "Net assets available for benefits," presented on pages 5 and 6 of the accompanying financial statements, is synonymous with the caption "Net assets" presented in Part 1, Line 1l of Schedule H to Form 5500.

The financial statement caption "Net increase (decrease) in net assets," presented on page 6 of the accompanying financial statements for the year ended December 31, 2023, is synonymous with the caption "Net income (loss)" presented in Part II, Line 2k of Schedule H to Form 5500.
