|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditors' Report

To the Plan Administrator  
Rockport Administrative Services, LLC 401(k) Plan  
Los Angeles, California

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Rockport Administrative Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rockport Administrative Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rockport Administrative Services, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rockport Administrative Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rockport Administrative Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rockport Administrative Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter-Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Rockport Administrative Services, LLC 401(k) Plan**  
**Notes to Financial Statements**  
**Year Ended December 31, 2023**

**Note 1 – Description of Plan**

The following description of the Rockport Administrative Services, LLC 401(k) Plan (the “Plan”) provides only general information. Rockport Administrative Services, LLC (the “Company”) is the plan sponsor. John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) is the custodian of the Plan. John Hancock holds the Plan’s investments and executes investment transactions through the trust established pursuant to the Plan. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan that covers substantially all full-time employees of the Company who have completed three months of service and are age 21 or older. The Plan was adopted effective January 1, 2011, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Administrative Committee oversees governance of the Plan.

**Contributions**

Each year, participants may contribute up to 100 percent of their compensation, as defined in the Plan agreement, subject to a maximum annual limit by the Internal Revenue Service. In 2023, pre-tax contributions are subject to a limitation of \$22,500, plus a catch-up contribution of \$7,500 for participants age 50 or older. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make matching contributions and discretionary matching contributions, as defined. For the year ended December 31, 2023, there were no Company contributions made to the Plan.

**Participant accounts**

Individual accounts are maintained for each participant in the Plan. Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions, if any, as well as allocations of Plan earnings and allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

## **Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service, or after reaching normal retirement age, as specified by the Plan agreement.

## **Investment options**

The Plan offers various investment options which are managed by John Hancock. Upon enrollment in the Plan, participants may direct their contributions in any of the investment options offered at the time. Participants may change their investment options daily. Participants should refer to the investment literature provided by the Company for a complete description of the investment options and for the detailed composition of each investment fund.

## **Notes receivable from participants**

Participants may borrow from their accounts in amounts ranging from \$1,000 to \$50,000, but not in excess of 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence and are repayable ratably through payroll deductions. At December 31, 2023 and 2022, interest on notes receivable from participants ranged from 5.25% to 10.5% per annum, with various maturities through November 2032.

## **Payment of benefits**

Upon termination of service due to death, disability, retirement, termination of employment, or financial hardship, participants may elect to receive the vested interest of their accounts in the form of a single sum of cash payment, or a direct rollover to an individual retirement account or another employer plan. Inservice distributions are available to employees who have attained age 59 ½. Hardship withdrawals are also available.

## **Note 2 – Summary of Accounting Policies**

### **Basis of accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### **Use of estimates**

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and

disclosure of contingent assets and liabilities. Significant estimates include the fair value of certain investments. Actual results could differ from those estimates.

### **Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in aggregate fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. At December 31, 2023 and 2022, there was no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

### **Payment of benefits**

Benefits are recorded when paid in accordance with ERISA reporting requirements.

### **Administrative expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### **Note 3 – Fair Value Measurements**

The Plan measures fair value as required by Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") ASC Subtopic 820-10, "Fair Value Measurement", which provides a framework for measuring fair value under accounting principles generally accepted in the United States. Under ASC Subtopic 820-10, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability.

ASC 820 establishes a fair value hierarchy that prioritizes the inputs and valuation techniques used to measure fair value into three levels in order to increase consistency and comparability in fair value measurements and disclosures. The classification of assets and liabilities within the hierarchy is based on whether the inputs to the valuation methodology used for the fair value measurement are observable or unobservable. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from independent sources. Unobservable inputs reflect the Plan's estimates about assumptions that market participants would use in pricing the asset or liability based on the best information available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date. Valuation on these instruments does not necessitate a significant degree of judgment since valuations are based on quoted prices that are readily available in an active market.

Level 2 – Quoted prices other than those included in Level 1 that are observable either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the financial instrument.

Level 3 – Inputs are unobservable and significant to the fair value measurement. Unobservable inputs reflect the Plan's own judgements about assumptions that market participants would use in pricing the asset or liability.

Following is a description of the Plan's valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

***Pooled Separate Accounts ("PSAs"):*** As directed by participants, Plan assets are invested through a group annuity contract issued and administered by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). The group annuity contract allows for investment through pooled separate accounts ("PSAs") which invest in shares of an underlying mutual fund, collective trust, or exchange traded fund, or a combination of these. Investment alternatives offered across the pooled separate accounts include target-date asset allocation funds, conservative funds, growth funds, aggressive growth funds, and income funds.

The Plan's investments in PSAs are comprised primarily of shares of registered investment companies, collective trusts, or exchange traded funds held through sub-accounts of John Hancock. The PSAs are valued daily based on the market value of the underlying net assets in each separate account. The underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of each of these PSAs is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

**Assets at Fair Value as of December 31, 2023**

|                            | <u><b>Level 1</b></u> |   | <u><b>Level 2</b></u> |    | <u><b>Level 3</b></u> |  | <u><b>Total</b></u> |

**Note 4 – Certified Investment Information**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (“John Hancock”), the custodian of the Plan.

**Note 5 – Related Party and Party-In-Interest Transaction**

At December 31, 2023 and 2022, certain plan investments are interests in separate accounts managed by John Hancock. Therefore, the transactions with John Hancock are party-in-interest transactions. Additionally, the Company provides certain accounting and administrative services to the Plan for which no fees are charged. As the Company is the Plan sponsor, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 6 – Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions, if any.

## **Note 7 – Tax status**

The Plan currently operates under a Volume Submitter Profit Sharing Plan offered by Sungard Business Systems LLC, which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

## **Note 8 – Risks and Uncertainties**

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market, and credit risks. In addition, there continues to be concern regarding the ongoing impacts and disruptions caused by the COVID-19 pandemic on financial markets. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2023, the Plan had three investments which exceeded 10% of total investments: John Hancock Multi-Index 2035 Preservation Portfolio – 11.8%, John Hancock Multi-Index 2040 Preservation Portfolio - 15.4% and John Hancock Multi-Index 2045 Preservation Portfolio - 17.4%. At December 31, 2022, the Plan had two investments which exceeded 10% of total investments: John Hancock Multi-Index 2040 Preservation Portfolio - 15.5% and John Hancock Multi-Index 2045 Preservation Portfolio - 17.0%
