To the Plan Participants and Plan Administrator  
Bon Secours Mercy Health Retirement Savings Plan 401:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Bon Secours Mercy Health Retirement Savings Plan 401 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Disclaimer of Opinion*

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

### *Basis for Disclaimer of Opinion*

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2013 and September 30, 2022. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has not maintained sufficient accounting records and supporting documents related to certain annuity contracts and custodial accounts of current and former employees for certain plans merged into the Plan prior to January 1, 2013 and the Plan merged in effective September 30, 2022. The investment income and distributions related to such accounts are also not included in the accompanying statement of changes in net assets available for benefits. The amount of these annuity contracts and custodial accounts and the related income and distributions are not determinable. The

U.S. generally accepted accounting principles require that these accounts and the related income and distributions be included in the accompanying financial statements.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information

to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **(b) Contributions**

Participants may contribute up to 75% of their eligible pay in 1% increments on a pretax basis, or as a Roth contribution on an after-tax basis. Participants are eligible to receive employer matching contributions after completing one year of service during which the participant is credited with at least 1,000 hours. Effective January 1, 2021, upon eligibility, the employer will match 50% of the participant's pretax or Roth contributions on the first 4% of eligible pay. In addition, effective January 1, 2021, the employer will provide, on an annual basis, an employer non-elective contribution of an amount equal to \$1,500 multiplied by a fraction, not to exceed one, the numerator of which is the participant's hours of service for the plan year and the denominator is 2,080 hours provided the participant meets the initial eligibility and ongoing eligibility requirements as described by the Plan. The Company may make a retirement shared success contribution in an amount determined on an annual basis. All contributions are subject to certain limitations of the Code.

Effective January 1, 2014, eligible employees are automatically enrolled in the Plan at 1% of eligible pay and their contributions are invested in the applicable life cycle fund based on their age until they change their election. Eligible employees have the first 30 days of initial eligibility to increase deferral or opt out of the auto-enrollment program for the Plan year.

Effective January 1, 2014, for the first payroll period that begins on or after April 1, any participant who has not affirmatively elected a different contribution percentage, including zero, or who has not affirmatively elected a contribution percentage of less than 6% of eligible pay shall have their deferral contribution percentage increased by 1%, provided that the participant was not automatically enrolled within the last six months prior to April 1. The automatic increase shall continue to be made each April 1 until the participant's deferral reaches 6% of his or her eligible compensation.

With respect to each merged plan participant, each such eligible employee shall continue to be or shall become a participant on the merger date (September 30, 2022, September 30, 2020, January 1, 2014, December 31, 2013, and September 28, 2012), if such eligible employee was eligible to receive an allocation of employer matching contributions under the terms of the merged plan or prior plan in which he or she was a participant on the day immediately preceding the merger date. Participants may also roll over or transfer amounts representing distributions from other qualified defined benefit or defined contribution plans. See the Plan document for additional plan provisions related to other contributions that are based on certain circumstances for participants.

### **(c) Participant Accounts**

Each participant's account is credited with the participant's contribution or rollovers, the allocations of the Company's discretionary, non-elective, and matching contributions, and allocations of the Plan's earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **BON SECOURS MERCY HEALTH RETIREMENT SAVINGS PLAN 401**

Notes to Financial Statements

December 31, 2023 and 2022

### **(d) Participant-Directed Investment Options**

Upon enrollment in the Plan, a participant may direct contributions, specifying whole number percentages with the entire amount so allocated equal to 100%, to any investment option in the Plan available during the year.

### **(e) Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the employer's matching contributions, non-elective contributions, and discretionary contributions, and any earnings on them, after the participant completes three years of vesting service (which is being paid 1,000 eligible hours in a calendar year).

### **(f) Forfeitures**

Any discretionary, non-elective, and matching contributions forfeited by participants who terminate employment prior to becoming fully vested are used first by restoring the amount of previous forfeitures and then by either reducing the amount of employer contributions or by paying Plan administrative expenses. As of December 31, 2023, and 2022, respectively, unallocated forfeited non-vested accounts were \$2,218,845 and \$2,114,353. Forfeitures used to reduce employer contributions and offset administrative expenses during 2023 were \$365.

### **(g) Participant Loans**

The Plan allows participants to apply for and obtain loans limited, to 50% of the participant's vested account balance, not to exceed \$50,000, from the vested balance of the participant's account. All loans must be repaid within five years unless the loan is used to finance the participant's primary residence, in which case, the Plan Administrator shall have the discretion to determine the repayment period for such loan. Each loan shall bear interest at a rate to be fixed by the Plan Administrator, and in determining the interest rate, the Plan Administrator shall take into consideration interest rates currently being charged by commercial lending institutions. Interest rates shall be fixed for the term of the loan at the time the loan is made, and the Plan Administrator shall determine periodically the interest rate to be charged on new loans.

### **(h) Payment of Benefits**

On termination of service due to death, disability, or retirement, participants may elect to receive a distribution equal to the value of their vested interest in their account or defer receipt of their account balance until age 72. At the later of 72 or termination of employment, minimum required distributions are required to commence.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

### **Notes to Financial Statements**

December 31, 2023 and 2022

#### **(i) Administrative Expenses**

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

#### **(j) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

### **(2) Summary of Significant Accounting Policies**

#### **(a) Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

As discussed in Note 1, the Plan was established in 2001 and has had various other 401 plans merged or net assets of other 401 plans transferred into the Plan, since that time. Certain historical records and supporting documents related to certain participant accounts of current and former employees, related to plans merged prior to January 1, 2013 and the Mercy Health Savings Plan 401 merger effective September 30, 2022 were not sufficiently maintained. The Plan is not able to estimate the impact to which the financial statements may have been affected by these conditions.

#### **(b) Payment of Benefits**

Benefits are recorded when paid.

#### **(c) Notes Receivable From Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Loans deemed to be distributions were approximately \$19,324 for the year ended December 31, 2023, which is included in benefit payments in the statement of changes in net assets available for benefits.

#### **(d) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investments held by the Plan are stated at fair value. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### (4) Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable, either directly or indirectly, for substantially the full term of the asset or liability. Level 2 inputs include the following:
  - Quoted prices for similar assets and liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in markets that are not active
  - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan:

*Money Market funds and Mutual Funds* – Valued at the closing price reported on the major market on which the individual securities are traded.

*Self-directed brokerage accounts* – Valued at the quoted market price of publicly traded investments held by the Plan at year-end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2023:

**(5) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**(6) Related-Party and Party-in-Interest Transactions**

The Plan holds units of mutual funds managed by the Trustees. The related transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

### **(7) Tax Status**

The Plan has received a determination letter from the IRS dated February 23, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. Although the Plan has been amended since receiving this determination letter, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **(8) Subsequent Events**

Management evaluated subsequent events for the Plan through October 8, 2024, the date the financial statements were available to be issued.
