To the Administrative Committee of
Wadsworth Brothers Construction Company, Inc.
Profit Sharing Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of the Wadsworth Brothers Construction Company, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Wadsworth Brothers Construction Company, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wadsworth Brothers Construction Company, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wadsworth Brothers Construction Company, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wadsworth Brothers Construction Company, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wadsworth Brothers Construction Company, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedules of Assets Held at End of Year as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WADSWORTH BROTHERS CONSTRUCTION COMPANY, INC.
PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2023 and 2022

## NOTE A – DESCRIPTION OF PLAN

The following description of the Wadsworth Brothers Construction Company, Inc. ("Company") Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General.* The Plan is a defined contribution plan covering all employees of the company other than those covered by a collective bargaining agreement. It is subject to the provisions of the Employee Retirement Income Act of 1974 (ERISA). Effective October 1, 2019 the plan was amended from trustee directed investing to participant directed investing. Since full transition of investments, all investments are held in individual participant accounts with a registered investment company.

*Contributions.* The Company may, in its sole discretion, make profit sharing contributions to the plan in an amount necessary to meet the Company's requirements under an applicable prevailing wage statute. The amount that may be contributed for a participant in any year is limited to IRS regulations. Participant contributions are not permitted by the plan.

*Participant Accounts.* Each participant's account is credited with (a) the Company's contribution, and, (b) earnings from the participant selected investments in the individual participant account, beginning on October 1, 2019, and for periods prior to that date plan earnings (losses), and charged with an allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined; allocations are no longer required under the participant directed model. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

*Vesting.* Participants are immediately 100% vested in their accounts.

*Payments of Benefits.* On termination of service due to death, disability, retirement, or termination of service due to other reasons, a participant may elect to receive an amount equal to the value of the participants accounts in either a lump-sum amount, or in annual, quarterly, or more frequent installments.

## NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual method of accounting.

### *Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition*

The plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Many factors are considered in arriving at fair value. In general, however, corporate bonds are valued based on yields currently available on comparable securities of issuers with similar credit ratings. Investments in certain restricted common stocks are valued at the quoted market price of the issuer's unrestricted common stock less an appropriate discount. If a quoted market price for unrestricted common stock of the issuer is not available, restricted common stocks are valued at a multiple of current earnings less an appropriate discount. The multiple chosen is consistent with multiples of similar companies based on current market prices. Certificates of deposit are valued based on amortized cost or original cost, plus accrued interest.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

*Payment of Benefits*

Benefits are recorded when paid.

*Expenses*

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. When certain Plan expenses are reimbursed by the Company, the Trustee allocates amounts to participant accounts and reports those amounts as negative administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts, whether positive or negative.

*Reclassification of Prior Year Investment Income*

Prior year amounts included in Net investment income (loss) as presented in the Statements of Changes in Net Assets Available for Benefits have been reclassified to conform to the current year presentation. No change was made to the total net investment income.

*Date of Management's Review*

Subsequent events were evaluated through October 10, 2024, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair

value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurements Using:

| December 31, 2023 | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) |
|---|---|---|
| Cash (interest bearing) | $ 513,586 | $ 513,586 |
| Registered investment companies | 19,222,798 | 19,222,798 |
| | $ 19,736,384 | $ 19,736,384 |

| December 31, 2022 | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) |
|---|---|---|
| Cash (interest bearing) | $ 1,676,481 | $ 1,676,481 |
| Registered investment companies | 14,867,598 | 14,867,598 |
| | $ 16,544,079 | $ 16,544,079 |

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 were not available. There are no plan assets requiring the use of Level 2, or Level 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks and US Government securities are based on the closing price reported on the active market where the individual securities are traded.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 and 2022 are reported in net appreciation in fair value of investments.

NOTE D – INVESTMENTS

The plan's investments are held in a registered investment company administered trust fund. The following table presents investments at December 31, 2023 and 2022.

| | December 31, 2023 | December 31, 2022 |
|---|---|---|
| Cash (interest bearing) | $ 513,586 | $ 1,676,481 |
| Registered investment companies | 19,222,798 | 14,867,598 |
| | $ 19,736,384 | $ 16,544,079 |

During 2023 and 2022, the Plan's Investments (including investments bought, sold, and held during the year) appreciated in value by $2,386,421 during 2023 and depreciated in value by ($4,420,721) during 2022. All current year depreciation took place inside registered investment company participant directed accounts.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE F – TAX STATUS

The Internal Revenue Service has determined and informed the Company effective January 1, 1992, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). On May 5, 2011 the Internal Revenue Service issued a favorable determination letter with respect to the continued qualification of the Plan. The determination letter was applicable for plan amendments executed on December 30, 2009 and December 30, 2008. A plan amendment, effective October 1, 2019, was covered under a favorable determination letter issued to the plan Trustee for a Volume Submitter Profit Sharing Plan With CODA, which letter was dated March 31, 2014. The most recent plan amendment, effective June 21, 2021, was covered under a favorable determination letter issued to the plan Trustee for a Non-Standardized Pre-Approved Profit Sharing Plan With CODA, which letter was dated June 30, 2020.

The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

## NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

These financial statements are in agreement with information filed on Form 5500.

## NOTE I – INFORMATION PREPARED AND CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY
