INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
McKinley Irvin, PLLC Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of McKinley Irvin, PLLC Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McKinley Irvin, PLLC Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McKinley Irvin, PLLC Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McKinley Irvin, PLLC Profit Sharing Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McKinley Irvin, PLLC Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McKinley Irvin, PLLC Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

MCKINLEY IRVIN, PLLC PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 – ORGANIZATION AND DESCRIPTION OF THE PLAN

The provisions of the McKinley Irvin, PLLC Profit Sharing Plan (the Plan) were effective January 1, 2000. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of McKinley Irvin, PLLC (the Company). All employees, other than members of a collective bargaining unit, nonresident aliens, interns, and contract attorneys, become eligible to participate in the employee deferral and discretionary employer matching contribution portion of the Plan on the first day of the month following an employee's hire date. Employees are eligible for safe harbor matching contributions and profit-sharing contributions following the completion of twelve consecutive months of service with 1,000 hours and entry dates are January 1 and July 1 after the eligibility requirements are met. Employees must complete 1,000 hours of service and be employed on the last day of the Plan year to receive profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The 401(k) Plan Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Participants may elect to contribute up to 100% of their eligible compensation, as defined in the Plan document and within statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participant contributions are paid to the Plan after each pay period.

The Company makes a safe harbor matching contribution equal to 100% of the first 3% of eligible compensation that a participant contributes to the Plan plus 50% on the next 2% of eligible compensation that a participant contributes to the Plan.

The Company may make additional discretionary matching and profit-sharing contributions. For the year ended December 31, 2023, the Company elected to match 100% of the first 1% of eligible compensation that a participant contributes to the Plan. There were no discretionary profit-sharing contributions made for the plan year ended December 31, 2023.

Company contributions are paid to the Plan after each pay period.

Participant Accounts

Individual participant accounts are maintained by the Plan's third-party administrator. Each account is credited or charged with the participant's contribution, the Company's contributions, if any, and allocations of investment income and losses on the individual account balances. Loan, distribution, and other administrative fees are deducted from the respective participants' accounts. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – ORGANIZATION AND DESCRIPTION OF THE PLAN (continued)

Investment Options

Participants may direct their contributions and Company contributions among various mutual funds and a self-directed brokerage account.

Vesting

Participants are immediately vested in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and nonelective contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000, up to the lesser of \$50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account. Interest rates are set at 1% above the prime rate, as defined. Interest rates ranged from 4.5% to 9.5% on notes receivable outstanding as of December 31, 2023. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability, or other termination of employment. Benefits equal to the value of the participant's vested account may be paid in a lump-sum or in installments, as described in the Plan document. Under certain hardship circumstances or attainment of age 59 ½, participants may request a lump-sum distribution of their vested account balances, prior to retirement.

Forfeited Accounts

Upon termination, participants' non-vested account balances are forfeited. Forfeitures may be used to reduce the Company's contributions or pay Plan expenses. December 31, 2023 and 2022, forfeited non-vested accounts totaled \$12,025 and \$13,744, respectively. Forfeitures of approximately \$15,000 were used to pay Plan expenses for the year ended December 31, 2023.

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these statements. Fees for individual transactions such as distributions and loans are deducted from the respective participant's account. Investment related expenses, and revenue sharing fees or credits, are included in net appreciation or depreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts - Accounts primarily consist of mutual funds, exchange-traded funds (ETFs), and investments in a private investment portfolio and limited partnership. The mutual funds and ETFs are valued on the basis of readily determinable market prices. Mutual funds are valued as described above. ETFs are valued at their last sale or official closing price on the exchange on which they are principally traded. The Plan's investments in a private investment portfolio and limited partnership utilize NAV as a practical expedient and are not classified in the fair value hierarchy.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022:

	December 31, 2023 Fair value	December 31, 2022 Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
AllianceBernstein Securitized Assets Fund L.P.	\$ 504,711	\$ 460,882	\$ -	Quarterly	65 days
CVI Clean Energy Fund C II LP	234,443	-	275,000	Ineligible	n/a
AB Private Credit Investors Corporation	132,524	129,978	-	Illiquid	n/a
AB Commercial Real Estate Private Debt Fund, LLC Class 2A	47,889	-	-	Illiquid	n/a

The self-directed brokerage accounts include a partnership holding of the AllianceBernstein Securitized Assets Fund (Cayman), L.P. (the ASA Fund), a partnership holding of the CVI Clean Energy Fund C II LP (the CCE Fund), an investment in the AB Private Credit Investors Corporation (the APCIC Fund), and an investment in AB Commercial Real Estate Private Debt Fund, LLC (the ACREPD Fund). The Plan does not have the ability to redeem the investment in the APCIC Fund or the ACREPD Fund in the near term at NAV because of redemption restrictions, and distributions from these funds are made only when the underlying assets are liquidated by the investment managers.

Interest in the ASA Fund may be redeemed quarterly, upon at least 65 days' prior written notice. A limited partner generally will be permitted to redeem 33 ⅓% of its investment as of an initial withdrawal date. If a limited partner desires to redeem more than 33 ⅓% of its investment as of any withdrawal date, then such limited partner may submit a withdrawal request for such greater amount and such withdrawal will be effected in stages over successive withdrawal dates so that 33 ⅓% of such investment is redeemed as of the initial withdrawal date and the remaining amount of the withdrawal request is satisfied over no more than two successive withdrawal dates (subject to any suspension of withdrawals that may exist at the time) in an amount up to 50% of the remaining amount of such investment on the second withdrawal date and up to 100% of the remaining amount of such investment on the third withdrawal date (in each case, until such requested withdrawal has been fully satisfied). The final withdrawal payment will be subject to a 10% holdback calculated on the amount of the investment as of the initial withdrawal date, subject to the ASA Fund's annual audit.

Interest in the CCE Fund may be redeemed after a 3-year lock-up period, liquidity is offered on a quarterly basis with 90 days' notice, subject to Fund level gate of 5%; the CCE Fund has discretion to accept or reject (in whole or in part) those repurchase requests.

The ASA Fund's investment strategy is to generate attractive absolute risk-adjusted returns through a combination of current cash income and capital gains across market cycles. The ASA Fund will focus predominately on residential mortgage-backed securities and commercial mortgage-backed securities and will also have the ability to invest in other debt and equity securities.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient (continued)

The Clean Energy Fund, CVI Clean Energy Fund A II LP (Fund A), and CVI Clean Energy Fund B II LP (Fund B), are each a feeder fund (Feeder Funds), all of which invest their assets in the CCE Fund's "Master Portfolio". The Master Portfolio and Feeder Funds share the same investment objectives. The primary investment objective of the Master Portfolio is to achieve attractive and sustainable risk adjusted returns over a medium and long-term horizon. The Master Portfolio will pursue investment opportunities in selecting, managing and disposing of investment opportunities in, or that have a nexus to, clean energy, renewable energy, energy usage efficiencies, energy storage or sustainability. As part of this strategy, the Master Portfolio may without limitation, make portfolio investments in corporate securities, loan portfolios, structured credit, and special opportunities. The Master Portfolio seeks risk mitigation through diversification across and within Strategies through the use of hedging and other risk management techniques.

The APCIC Fund's investment objective is to generate current income and prioritize capital preservation through a portfolio that primarily invests in directly-originated, privately-negotiated, secured, middle market loans. The APCIC Fund will invest at least 80% of its assets in debt instruments.

The ACREPD Fund's investment objective to generate attractive risk-adjusted returns through investments primarily in loans secured by high quality commercial real estate properties located in the United States. The investment manager will seek to prioritize capital preservation and stable income for investors by building a portfolio of investments primarily through directly originated loans secured by high-quality commercial real estate properties, including senior mortgage loans, mezzanine loans, and B-notes.

NOTE 4 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants that is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including certain investments held and notes receivable from participants at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends and interest, and interest on notes receivable for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, an authorized representative of Ascensus Trust Company (Ascensus), a custodian of the Plan.

Ascensus certified as complete and accurate the following data as of December 31:

	2023	2022
Mutual funds	\$ 9,555,125	\$ 7,564,764
Notes receivable from participants	157,185	32,601

Ascensus certified as complete and accurate the following data for the year ended December 31, 2023:

Net appreciation in fair value of investments	\$ 1,260,293
Dividends and interest	209,022
Interest on notes receivable from participants	6,053

The self-directed brokerage accounts are held with AllianceBernstein LP and Charles Schwab Trust Bank (Charles Schwab). The funds held with AllianceBernstein LP and Charles Schwab totaled \$2,404,965 and \$2,007,674 as of December 31, 2023 and 2022, respectively, and any related investment income or losses, are not certified.

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by an affiliate of Ascensus, and also by AllianceBernstein LP and Charles Schwab, the custodians. Transactions with these parties and their affiliates are party-in-interest transactions. The Plan pays fees to these affiliates for Plan administration and advisory services. An affiliate of Ascensus receives revenue sharing to offset its administration costs.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue discretionary matching contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Plan operates under provisions of a Pre-Approved Plan, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the Pre-Approved Plan, as then designed, was acceptable under the applicable sections of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan was qualified and the related trust was tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
