INDEPENDENT AUDITORS' REPORT

The Plan Trustees
Blanton Turner Retirement Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Blanton Turner Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

P.O. Box 3068
Wenatchee, WA 98807

175 E Penny Rd Suite 1
Wenatchee, WA 98801

- Identify and assess the risks of material misstatement on the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 - GENERAL INFORMATION

A. General

The Plan is a defined contribution plan in accordance with Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of B-T Washington dba Blanton Turner (the Plan Sponsor) who are not excluded employees for purposes of the Plan. Excluded employees include union employees whose employment is governed by a collective bargaining agreement and nonresident aliens. Provided an employee is not an excluded employee, an employee will be eligible to make salary deferrals upon reaching 18 years of age, and able to participate in the Plan Sponsor's matching contribution; an employee must have completed one year of service of at least 1,000 hours to participate in the Plan Sponsor's discretionary profit sharing contribution. This description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

B. Contributions

Participants may contribute up to the maximum percentage allowable by the applicable IRC of pretax annual compensation, up to a maximum of \$22,500 as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor matches 100 percent of the first 4 percent of base compensation that a participant contributes to the Plan. The matching contribution is invested as directed by the participant. Additional profit sharing amounts may be contributed at the option of the Plan Sponsor.

C. Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon as well as the Plan Sponsor's match. Participants become 100 percent vested in the Plan Sponsors discretionary contribution after three years of service.

E. Notes receivable from participants

The Plan allows participants to borrow up to 50% of the vested balance of their account, up to a maximum of \$50,000. Interest on participant loans is determined by the Plan trustee in accordance with the Plan's provisions. The term of the loan is generally five years, but can be longer if the loan is used for the purchase of a principal residence. In the event of termination of employment, loan balances and accrued interest shall be deducted from the amount of the distribution.

BLANTON TURNER RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 - GENERAL INFORMATION (continued)

F. Payment of benefits

On termination of service due to death, disability, retirement or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in their account.

G. Forfeited accounts

Upon a participants termination from the Plan, nonvested account balances are forfeited and used to reduce future employer contributions or to pay any administrative expenses. For the year ended December 31, 2023, the Plan incurred \$0 in forfeitures. The balance of unused forfeitures at December 31, 2023 was \$42.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of accounting

The financial statements of the Plan are prepared utilizing the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

B. Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment valuation and income recognition

The Plan's investments are reported at fair value except for the investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Money market mutual funds held with brokers are considered to be investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

D. Notes receivable from participants

Notes receivable from participants are stated at their unpaid balance plus accrued, but unpaid interest. Interest is paid each pay day. The interest rate is determined at the loan origination date according to Plan documents and is between 4.25% and 9.50% for all outstanding loans as of December 31, 2023. Since the notes are secured by the participants' vested account balance, no allowance for doubtful accounts is considered necessary.

BLANTON TURNER RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

F. Payment of benefits

Benefits are recorded when paid.

G. Plan expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 - INVESTMENTS

During 2023, the Plan's investments (including dividends and gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$1,255,681.

NOTE 4 - RELATED-PARTY TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by Capital Research and Management Company Inc. (CRMC), which managed all of the mutual funds in the American Funds family of mutual funds. Capital Bank and Trust Company, a related-party of CRMC, was the custodian as defined by the Plan until May 16, 2022.

Effective May 16, 2022, Plan investments are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 5 - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

BLANTON TURNER RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The mutual funds are valued at the net asset value of shares held by the Plan at year end. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

The common/collective trust funds are valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 768,147	\$ -	\$ -	\$ 768,147
Total assets at fair value	<u>\$ 768,147</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 768,147</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total

Total assets at fair value	<u>\$ 397,933</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 397,933</u>

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Common/collective trust funds	<u>\$ 7,462,556</u>	n/a	Daily	30 days

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Common/collective trust funds	<u>\$ 6,269,436</u>	n/a	Daily	30 days

NOTE 6 - GROUP ANNUITY CONTRACT WITH EMPOWER ANNUITY INSURANCE COMPANY

In 2022, the Plan entered into a group annuity contract (Contract) with Empower Annuity Insurance Company of America (Empower), the EI Fixed Account. Empower maintains the contributions in the EI Fixed Account - Series Class I. The EI Fixed Account - Series Class I is a general account product of Empower.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the Contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

BLANTON TURNER RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 6 - GROUP ANNUITY CONTRACT WITH EMPOWER ANNUITY INSURANCE COMPANY (continued)

The group annuity contract issuer is contractually obligated to repay the principal and interest at a specified interest crediting rate. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the Contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the Plan for the benefit responsive fund for 2023 and 2022, was 1.23% and .93%, respectively. The actual average yield earned by the Plan for the benefit responsive fund for 2023 and 2022, was 1.23% and .93%, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) the Plan is abandoned, orphaned or the Plan Sponsor cannot be located or the Plan Sponsor fails to provide appropriate representations and instructions to the issuer in connection with the termination of the Plan, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its elective contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 - INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined, and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be

Notes to Financial Statements

NOTE 8 - INCOME TAX STATUS (continued)

taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020, which is the standard statute of limitations look-back period.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for various investments options, including mutual funds. The underlying investment securities in the mutual funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and investment contracts and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits. At January 1, 2022 and until May 16, 2022, 100% of the Plan's investments were concentrated in American Funds mutual funds.

NOTE 10 - INFORMATION CERTIFIED BY CUSTODIAN

Information contained in the accompanying financial statements that was certified by the custodian, Empower Trust Company, LLC, is as follows:

- Details (cost and fair value) of investment assets held at December 31, 2023 and 2022;
- Summaries of investment transactions for the year ended December 31, 2023;
- Investment income, including net appreciation (depreciation) in fair value of investments, for the year ended December 31, 2023.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 23, 2024, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in the financial statements.
