Independent Auditors' Report

Plan Administrator and Participants Decas Companies Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Decas Companies Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Decas Companies Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Plan Administrator and Participants
Decas Companies Profit Sharing Plan
Page 2

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Decas Companies Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Decas Companies Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator and Participants
Decas Companies Profit Sharing Plan
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Decas Companies Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Decas Companies Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Decas Companies Profit Sharing Plan

Notes to Financial Statements

December 31, 2023

1. Description of Plan

The following description of the Decas Companies Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Decas Cranberry Sales, Inc. and Decas Cranberry Products, Inc. (collectively referred to as the “Companies”) who meet the Plan eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is administered by the Companies and the assets of the Plan are held and invested by Fidelity Management Trust Company (the “Trustee”).

Eligibility

Employees must be 21 years of age and become eligible to make deferrals and receive discretionary employer contributions after they have completed three months of service, as defined by the Plan. They are eligible to participate the first day of each month following the satisfaction of the eligibility requirements. The Plan offers automatic enrollment for all eligible participants of the Plan with an initial deferral of 3%. This auto enrollment will auto increase 1% annually not to exceed a maximum of 10%.

Contributions

Participants may elect to contribute a percentage of their annual pretax compensation to the Plan, up to 90% of eligible compensation, as defined in the Plan, and subject to certain limitations as allowed under Section 401(k) of the Internal Revenue Code (“IRC”). These contributions, and earnings thereon, are not subject to federal income taxes until withdrawn from the Plan. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for discretionary matching employer contributions in addition to discretionary safe harbor non-elective employer contributions. For the Plan year ended December 31, 2023, the Companies did not provide any discretionary matching employer contributions and declared a safe harbor non-elective employer contribution of \$176,995.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the employer’s contributions and (b) Plan earnings. Allocations are based on participant earnings and (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All investments are participant directed.

Decas Companies Profit Sharing Plan

Notes to Financial Statements

December 31, 2023

1. Description of Plan (*continued*)

Vesting

Participants are immediately vested in their pretax savings contributions and any amounts rolled over or transferred into the Plan. They are also immediately vested in any safe harbor nonelective employer contributions.

Vesting for other employer contributions, if any, and associated earnings is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Forfeitures

Any balance in the employer contributions account of a participant who has separated from service, to which he or she is not entitled, shall be administered by the Trustee and subsequently be used to pay administrative expenses or reduce future employer contributions. No forfeitures were used to pay administrative expenses or to reduce employer contributions for the plan year ended December 31, 2023. At December 31, 2023 and 2022, forfeited nonvested accounts remaining totaled \$580 and \$570.

Notes Receivable from Participants

Participant loans are not permitted.

Payment of Benefits

Participants are entitled to the total value of their accounts in the form of a lump-sum distribution upon attaining the age of 59½. There is a 10% excise tax on the taxable amount of any distribution taken before age 59½. Upon the death of a participant, his or her beneficiaries are entitled to 100% of the total value of the participant's account. Participants suffering total and permanent disability will be considered retired and any amount credited to the participant's account will be distributed to the participant in installment payments or a lump-sum distribution upon disability. Upon termination of employment, participants are entitled to all vested monies in the Plan. Terminated participants with vested account balances greater than \$5,000 may maintain their account in the Plan or receive a lump sum distribution. Participants with account balances less than \$5,000 will receive a lump sum cash payment as soon as practicable following termination of employment.

1. Description of Plan (*continued*)

Expenses

Certain expenses of maintaining the Plan are paid by the Companies and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (*continued*)

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 24, 2024.

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2023			
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 9,063,088	\$ -	\$ 9,063,088
Common/collective trust	-	59,088	59,088
	<u>\$ 9,063,088</u>	<u>\$ 59,088</u>	<u>\$ 9,122,176</u>
2022			
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 8,536,422	\$ -	\$ 8,536,422
Common/collective trust	-	42,193	42,193
	<u>\$ 8,536,422</u>	<u>\$ 42,193</u>	<u>\$ 8,578,615</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trust

The Fidelity Advisor Stable Value Fund (the “FASV Fund”) is a common/collective trust that invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into wrap contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds.

The FASV Fund uses best efforts to maintain a stable NAV of \$1.00 per unit. The NAV per unit is determined each business day. Issues and redemptions of units are recorded based on the next determined NAV per unit normally each day. The trustee of the FASV Fund may, at its sole discretion, impose restrictions on issues and redemptions of units. The portfolio and wrap contracts of the FASV Fund are designed to pay all permitted unitholder-initiated transactions at NAV.

Permitted unitholder-initiated transactions are those allowed by a Plan (typically this would include withdrawals for benefits, loans, or transfers to non-competing portfolios within a Plan) excluding certain withdrawals that are deemed to be caused by the actions of the plan sponsor. The wrap contracts limit the ability of the FASV Fund to transact at \$1.00 per unit NAV upon the occurrence of certain events described below.

These events include: the Plan’s failure to qualify under Section 401(a) or Section 401(k) of the IRC; the establishment of a defined contribution plan that competes with the Plan for employee contributions; any substantive modification of the portfolio, including administration, of the FASV Fund that is not consented to by the wrap issuer; any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on the FASV Fund’s cash flow; any communication given to unitholders by the plan sponsor, any other plan fiduciary or the trustee that is designed to induce or influence unitholders not to invest in the FASV Fund or to transfer assets out of FASV Fund; and any transfer of assets from the FASV Fund directly to a competing investment option.

6. Party-in-Interest Transactions

Certain Plan investments include shares of mutual funds and a common/collective trust managed by the Trustee, as defined by the Plan and, therefore, these transactions qualify as non-exempt party-in-interest transactions under ERISA.

Certain administrative functions are performed by officers or employees of the Companies. No such officers or employees receive compensation from the Plan.

7. Plan Termination

Although it has not expressed any intention to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer accounts.

8. Tax Status

The Companies have adopted a pre-approved profit sharing plan. The Internal Revenue Service has issued an opinion letter, dated June 30, 2020, which stipulates that an employer who adopts this plan will be considered to have a plan qualified under Section 401(a) of the IRC provided all terms of the Plan are followed. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC qualified plan. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt as of the date of the auditors' report.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements.

10. Reconciliation of Financial Statements to Form 5500

The Plan uses the cash basis of accounting in Form 5500 filings. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	2023	2022
Net assets available for benefits per the financial statements	\$ 9,299,171	\$ 8,736,575
Less employer contribution receivable	(176,995)	(157,960)
