The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The Form 5500 – schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information,

including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## HAAS AUTOMATION, INC. 401(k) PROFIT SHARING PLAN

### NOTES TO THE FINANCIAL STATEMENTS

---

#### Note 1 – Description of the Plan

The following brief description of the Haas Automation, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### A) General

The Plan is a defined contribution 401(k) profit sharing plan covering substantially all of the employees of Haas Automation, Inc. (the Plan Sponsor or the Company). Employees are eligible to participate in the Plan upon their hire date if they are at least 18 years old and are not otherwise excluded based on Plan provisions. Employees become eligible for profit sharing contributions when meeting specific service requirements.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, (ERISA).

Effective January 1, 2021, the Plan was restated to incorporate all prior amendments. The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for distributions, waive required minimum distributions for 2020 that were made after April 1, 2020, and increase the age requirement for required minimum distributions.

##### B) Contributions

Each year participants may contribute up to 80% of annual Compensation, as defined in the Plan, not to exceed \$22,500 for calendar year 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$7,500 for calendar year 2023. The Plan allows for pretax and Roth contributions, as well as after-tax voluntary employee contributions of up to 20% of compensation. Certain wages are excluded from the definition of Plan Compensation, as described in the Plan agreement.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Auto-enrolled participants have their deferral rate initially set at 6%, increasing annually 1% to a maximum of 15%, unless an overriding election is made to withhold a different percentage or to not withhold at all. Participants' overriding elections expire on January 1 of each year. Effective January 1, 2022, the Plan was amended to exclude automatic increases for participants who affirmatively elected future increases in deferral percentage, and participants who have designated their elective deferrals in dollar amounts rather than percentages.

#### Note 1 – Description of the Plan (Continued)

##### B) Contributions (Continued)

The Plan Sponsor is permitted under the Plan to make discretionary profit sharing contributions to eligible participants based on Plan Compensation not exceeding the Annual Compensation Limit. Such contributions are integrated with social security earnings and related benefits. Participants with compensation over the Taxable Wage Base are also provided with an equivalent supplemental contribution of up to an additional 5.7% of compensation exceeding the Taxable Wage Base (up to the Annual Compensation Limit). The Taxable Wage Base was \$160,200 and the Annual Compensation Limit was \$330,000 for 2023. Total Plan Sponsor contributions (including those by participants) are limited to the lesser of \$66,000 or 100% of the employee's compensation for 2023.

The Plan Sponsor approved a profit sharing contribution of \$8,800,000 for 2023 which was allocated to all eligible Plan participants subsequent to year end.

##### C) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's profit sharing contributions and, (b) Plan earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### D) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 100% vested after six years of credited service. Participants are immediately vested in the event of death, disability, or upon reaching age 65.

##### E) Payments of Benefits

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement (age 65), death, disability, or termination of employment. Effective November 11, 2022, the Plan was amended to allow safe harbor financial hardship withdrawals. Participants who qualify for retirement benefits and withdrawals will receive their benefits in a lump sum payment, or in partial payments as elected by the participant. Withdrawals of rollover contributions and voluntary employee contributions are allowed at any time. Benefits under the Plan shall be distributed solely from the assets of the trust. The benefit to which a participant is entitled is the benefit that can be provided directly from the participant's vested account balance.

Participants who separate from service and have vested account balances of \$5,000 or less are subject to an administrative distribution as follows: for account balances between \$1,000 and \$5,000, the Plan administrator will distribute the account balance to an individual retirement account; for account balances less than \$1,000, the Plan administrator will distribute the account balance as a lump sum in cash.

#### **Note 1 – Description of the Plan (Continued)**

##### **F) Notes Receivable from Participants**

The Plan permits participants to obtain loans based upon vested account balances. The maximum loan amount per participant is limited to the lesser of \$50,000 or 50% of the participant's vested balance, excluding any balance from the Company's contributions. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.75% to 9.00%. The minimum loan amount is \$1,000 and prior to January 1, 2020 participants were permitted to have two loans at a time of any type. Effective January 1, 2020, only one general purpose loan and one residential loan per participant is permitted. Loans are repaid through regular payroll deductions and generally must be repaid within five years (longer for qualified residential loans). In the event of default, the loan will be offset against the participant's account balance upon the occurrence of a distributable event. During 2020, the Plan implemented certain CARES Act provisions to allow for an increase in Plan loan amounts to the lesser of \$100,000 or 100% of the participant's vested balance for loans taken through September 22, 2020, and deferral of loan payments until December 31, 2020.

##### **G) Forfeitures**

Forfeitures may be used to reduce employer contributions, be added to employer contributions, or be reallocated, as elected by the Company. At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$360,782 and \$200,560, respectively. Forfeitures in the amount of \$247,091 and \$273,095 were applied to employer profit sharing contributions in 2023 and 2022, respectively.

#### **Note 2 – Summary of Significant Accounting Policies**

##### **A) Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with ERISA.

##### **B) Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 6 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### NOTES TO THE FINANCIAL STATEMENTS

---

#### **Note 2 – Summary of Significant Accounting Policies (Continued)**

##### **C) Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan document.

##### **D) Payment of Benefits**

Benefits are recorded when paid.

##### **E) Administrative Expenses**

Certain expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Net investment returns reflect certain fees paid by the investment funds to their affiliated investment advisors, transfer agents, and others as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus are not separately identifiable as an expense.

##### **F) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

#### **Note 3 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

#### **Note 4 – Tax Status**

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated September 21, 2020 stating that the form of the preapproved plan document was in compliance with applicable requirement of the Internal Revenue Code (IRC). The Plan has been amended since adopting the preapproved plan document, however the Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable provisions of the IRC, and therefore, believe that the plan is qualified, and the related trust is tax-exempt.

# HAAS AUTOMATION, INC. 401(k) PROFIT SHARING PLAN

## NOTES TO THE FINANCIAL STATEMENTS

### Note 4 – Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2020.

### Note 5 – Information Certified by Charles Schwab Trust Company

Charles Schwab Trust Company (CSTC) serves as the trustee and asset custodian of the Plan. In that capacity, CSTC holds the Plan's assets and executes transactions. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). As permitted under such election, the Plan administrator has obtained certifications from CSTC that the following information as of December 31, 2023 and 2022, and for the years then ended is complete and accurate.

Assets certified by Charles Schwab Trust Company as of December 31, 2023 and 2022, are as follows:

Charles Schwab Trust Company also certified to the completeness and accuracy of \$35,806,387 of net appreciation in fair value of investments, \$7,629,956 of interest and dividends related to the aforementioned investments, and \$278,813 of interest income on notes receivable from participants for the year ended December 31, 2023.

### NOTES TO THE FINANCIAL STATEMENTS

#### Note 6 – Fair Value Measurements

ASC 820 *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Stable Value Fund common/collective trusts:* Valued using the NAV which is based on the fair value of the collective trust's underlying investments as reported by the audited financial statements of the trust at year end. The NAV is used as a practical expedient to estimate fair value. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no unfunded commitments or significant restrictions on participant-directed withdrawals.

## NOTES TO THE FINANCIAL STATEMENTS

### Note 6 – Fair Value Measurements (Continued)

The Plan may redeem its investments on a daily and immediate basis. The Reliance Trust Stable Value Fund imposes certain restrictions on the Plan, and certain events may impact its ability to transact at contract value. Plan management believes that the occurrence of events that would cause the fund to transact at less than contract value is not probable. The Wilmington Trust Large Cap Growth fund requires the Plan Sponsor to provide advance written notice of five business days for Plan Sponsor directed withdrawals which will exceed \$1 million or 10% of the assets invested in each Fund.

*Mutual funds:* Valued at the NAV of shares held by the Plan at year end. The NAV is a quoted price in an active market.

*Self-directed brokerage accounts:* Accounts consist of common stocks, mutual funds, and cash equivalents that are valued on the basis of readily determinable market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

## NOTES TO THE FINANCIAL STATEMENTS

---

### Note 6 – Fair Value Measurements (Continued)

#### Changes to Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2023 and 2022, there were no transfers into or out of Level 3.

### Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all account balances would become 100% vested.

### Note 8 – Related Party Transactions

The Plan invests in shares of mutual funds managed by an affiliate of Charles Schwab Trust Company (CSTC). CSTC acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.
