INDEPENDENT AUDITOR'S REPORT

To the Participants
King Technologies, Inc. 401(k) Profit Sharing Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of King Technologies, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of King Technologies, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

San Diego Certified Public Accounting Firm Since 1983

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of King Technologies, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about King Technologies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of King Technologies, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about King Technologies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and the schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that is agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KING TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the King Technologies, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan's sponsors are King Technologies, Inc. and Bedge Technologies, Inc. (the "Company" or "Employer"). Empower Annuity Insurance Company of America ("EAICA"), formerly Great-West Life & Annuity Insurance Company, is the Custodian of Plan assets.

General

The Plan was initially adopted on January 1, 1995. The Plan adopted a pre-approved prototype plan provided by the Custodian which was restated most recently effective January 1, 2022. The Plan is a defined contribution plan covering all full-time employees of the Company except excluded employees per the plan document. Excluded employees are collective bargaining (union) employees, non-resident aliens, and leased employees. Employees are eligible to participate in the Plan if they have reached 21 years of age. Employees may enter the plan on the first day of the month following the date they become eligible. An employee will be automatically enrolled in the plan with 3% deferral rate on the first day of the month following the date they become eligible. Employees are also allowed to elect to not participate in the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participants direct the investment of their pre-tax or Roth contributions and Employer contributions, if any, into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company contributions and Plan earnings (net of administrative fees). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Contributions

Participants may elect to make salary deferral contributions to the Plan of a fixed amount per pay period or up to 100% of their compensation up to the annual limit (\$22,500 in 2023) established by the Internal Revenue Service ("IRS"). Participants who are age 50 or over at the end of the calendar year can make annual catch-up contributions in addition to the above, up to the maximum amount allowed by the IRS (\$7,500 in 2023). Participants may choose between pre-tax and Roth contributions.

Rollover Contributions

The Plan allows for participants in a former employer's qualified plan to contribute direct rollovers to the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Matching Contributions

The Plan allows for the Company to make matching contributions to all eligible employees at the Company's discretion. The Company did not make any matching contributions for the year ended December 31, 2023.

Profit Sharing Contributions

The Plan allows for the Company to make profit sharing contributions to all eligible employees at the Company's discretion. Employees are eligible to receive the profit sharing contribution if they are employed at the end of the Plan year. The Company accrued a profit sharing contribution to the Plan for the years ended December 31, 2023 and 2022 totaling \$508,129 and \$513,649, net of estimated forfeitures of \$128,901 and \$26,546, respectively.

Safe Harbor Nonelective Contributions

The Plan allows for the Company to make safe harbor nonelective contributions to all eligible employees at the Company's discretion. The Company accrued a safe harbor nonelective contribution, which equaled 3% of each employee's eligible compensation, to the Plan for the years ended December 31, 2023 and 2022 totaling \$244,862 and \$258,362, respectively.

Vesting

Participants are immediately fully vested in their contributions and the earnings and appreciation or depreciation thereon as well as any Employer's safe harbor or qualified nonelective contributions. Participants are vested in the employer's matching, profit sharing, and safe harbor nonelective contributions based on the following vesting schedule:

<u>Years of Vesting Service</u>	<u>Vesting %</u>
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six years or more	100%

For vesting purposes, a year of service is defined as a Plan year in which the employee completes at least 1,000 hours of service.

KING TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the value of the participant's vested account balance. Loan terms range from 1-5 years or up to 30 years for the purchase of a primary residence. Participants are limited to one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at the prime rate on the first business day of each month, plus 1% per annum, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

Forfeited Accounts

Forfeitures of non-vested participant accounts can be used to pay Plan expenses or reduce Employer contributions. Forfeited account balances of \$102,908 were used to reduce 2022 Employer profit sharing contributions during the year ended December 31, 2023. Estimated forfeited account balances of \$128,901 will be used to reduce 2023 Employer profit sharing contributions in 2024. At December 31, 2023 and 2022, the forfeiture account balance totaled \$65,827 and \$26,546, respectively.

Payment of Benefits

Upon termination of service, death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. For terminated participants' vested account balances between \$1,000 and \$5,000, the plan administrator may automatically rollover the balance into an individual retirement account if they do not receive distribution instructions from the participant. For terminated participants' account balances that are less than \$1,000, the plan administrator may distribute the entire amount in a lump sum without the participant's consent. Hardship distributions are also permitted from the participant's employee deferral account.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

KING TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounting Standards Codification

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification™ ("Codification") is the official source of authoritative, nongovernmental accounting principles generally accepted in the United States of America. The Codification is organized by overall topic which is at times referenced in the accompanying notes to the financial statements.

Investment Valuation and Income Recognition

The Plan's investments have been stated at fair value or contract value as determined by the Custodian. Quoted market prices are used to value most investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end based on quoted market prices. Purchases and sales of securities are recorded on a trade date basis. Gains and losses are calculated based on specific identification. Interest and dividend income is recorded when paid. Net appreciation/depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end. See Note 9 for discussion of fair value measurements.

Accounting Standard Update ("ASU") No. 2015-07, Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent), removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. ASU No. 2015-07 additionally removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient (see Note 9).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded (i.e., a deemed distribution).

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All expenses incident to the administration, termination, or protection of the Plan, including, but not limited to, legal, accounting, and Custodian fees, shall be paid by the Company or, if not paid by the Company, shall be paid by the plan administrator from the Plan assets. Certain administrative expenses of the Plan were paid by the Company during the year ended December 31, 2023. In addition, the Company provides administrative services to the Plan at no cost to the Plan.

KING TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Company has evaluated subsequent events through October 7, 2024, which is the date these financial statements were available to be issued. All subsequent events requiring recognition or disclosure have been incorporated into these financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any unvested Employer contributions in their account.

NOTE 4 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by EAICA. EAICA is the Custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Investment fees paid by the Plan to the Custodian are included as a component of net realized and unrealized appreciation/depreciation in the fair value of investments and not separately stated in the accompanying statement of changes in net assets available for benefits. The Plan incurred \$5,390 of investment advisory fees to the Custodian for the year ended December 31, 2023. The Plan also incurred fees to a third party recordkeeper which totaled \$2,910 for the year ended December 31, 2023. Contract administrative fees paid by the Plan to the Custodian totaled \$49,011 for the year ended December 31, 2023.

NOTE 5 – TAX STATUS

The Plan uses a prototype non-standardized profit-sharing plan which the IRS has determined by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter to comply with more recent pension laws and regulations, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

KING TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Custodian, EAICA, has certified to the completeness and accuracy of all investments and notes receivable from participants and related investment activity in the accompanying statements of net assets available for benefits at December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 8 – FIXED ANNUITY

The Plan has a fully benefit responsive fixed annuity contract with EAICA. EAICA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The fixed annuity fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The contract is included in the financial statements at contract value, which is substantially the same as fair value, as reported to the Plan by EAICA Retirement. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events can limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any event that would limit the Plan's ability to transact at contract value with participants are not probable of occurring. The fixed annuity does not permit EAICA to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 9 – FAIR VALUE MEASUREMENTS

The Plan follows the *"Fair Value Measurements"* topic of the Financial Accounting Standard Board's Accounting Standards Codification which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used during the years ended December 31, 2023 and 2022.

KING TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 9 – FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: Valued at net asset value (“NAV”) of shares held by the Plan at year end based on quoted market prices in active markets.

Fixed annuity: This account invests in the Key Guaranteed Portfolio Fund which is a general account product of EAICA. Participants’ principal and interest are fully guaranteed by the entire general account assets of EAICA. The fund is fully benefit-responsive and is valued at the daily net asset value published by EAICA at a stable \$1.00 per unit, which is effectively the contract value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value the Plan’s investments at fair value as of December 31, 2023:

	Investments at Fair Value

NOTE 10 – CARES ACT, SECURE ACT, AND SECURE ACT 2.0

CARES Act and SECURE Act

The Plan has implemented certain sections of the Coronavirus Aid, Relief and Economic Security Act ("Cares Act") which was signed into law on March 27, 2020 and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "Secure Act"), which provides for expanded distribution options, favorable tax treatment for up to \$100,000 of coronavirus related distributions from eligible retirement plans, relief to certain eligible individuals to receive coronavirus related relief for loan repayments, the suspension of required minimum distributions, and the delay of the commencement date for required minimum distributions. Written amendments to the Plan to reflect any operational changes for the above were adopted in 2022 in accordance with applicable law and IRS guidance.

SECURE Act 2.0

On December 29, 2022, the President of the United States signed the Setting Every Community Up for Retirement Enhancement Act 2.0 (the "Secure Act 2.0") into law. The Secure Act 2.0 will introduce several provisions intended to improve retirement outcomes, such as increased catch-up contributions, required automatic 401(k) enrollment, allowance of emergency distributions, etc. Some of these provisions became effective for the 2023 plan year (i.e., increased required minimum distribution age to 73, etc.) and others will become effective as of January 1, 2024 (i.e., treatment of student loan payments as elective deferrals for purposes of matching contributions, etc.) and through the 2027 plan year (i.e., 50% tax credit for low-income retirement savers, etc.). The Plan is currently evaluating the Secure Act 2.0 and plans to adopt its provisions as they become effective. Written amendments to the Plan to reflect any operational changes will be adopted in accordance with applicable law and IRS guidance.
