This report summarizes our communications with those charged with governance as required by our professional standards to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which the Plan Administrator of the Plan is responsible.

Terms of the audit engagement, including the objective of the audit, the auditor’s responsibilities under generally accepted auditing standards and management’s responsibilities

Refer to the engagement agreement dated July 31, 2024. A copy of such agreement has previously been provided to you.

Overall planned scope and timing of the audit, and significant risks identified and any changes thereto

We provided those charged with governance with an overview of our overall audit scope, including the timing of the audit. We also communicated any identified significant risks and our plans to address them. We communicated any changes to the above and the reasons for such changes.

The type of auditor’s report we are issuing and the reasons for any modification to our report

We issued an unqualified ERISA Section 103(a)(3)(C) audit opinion on the Plan’s financial statements as of and for the year ended December 31, 2023, and the ERISA-required supplemental schedules.

Matters relevant to our evaluation of the entity’s ability to continue as a going concern

We did not identify any events or conditions that led us to believe there was substantial doubt about the Plan’s ability to continue as a going concern.

Our views about the qualitative aspects of the entity's significant accounting practices, including:

Other material written communications with management

The financial statements and supplemental schedule are the responsibility of management as prepared with the oversight of the audit committee or those charged with governance. Our audit was designed in accordance with auditing standards generally accepted in the United States, as established by the American Institute of Certified Public Accountants, except that, as permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and as instructed by you, we performed limited procedures with respect to the certified investment information that was prepared and certified by Ascensus Trust, LLC.

Other material written communications with management, continued

An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, we will express no such opinion.

An audit also includes the evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the evaluation of the overall presentation of the financial statements.

As a part of our engagement, we performed certain procedures, as required by professional standards in the United States, directed at considering the entity's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including reading the plan's latest tax determination letter from the Internal Revenue Service (IRS). Our audit was not designed, nor was it intended, to verify the overall compliance with applicable provisions of the IRC or ERISA, including but not limited to the plan sponsor's deduction limits, and, accordingly, we assume no responsibility for failure to detect instances of noncompliance with applicable provisions of the IRC or ERISA.

No instances of IRC or ERISA noncompliance came to our attention while performing our procedures.

Other matters

There are no other matters arising from the audit that are significant and relevant to those charged with governance regarding the oversight of the financial reporting process.

AICPA ethics ruling regarding third-party service providers

From time to time, and depending on the circumstances, (1) we may subcontract portions of the Audit Services to other EY firms, who may deal with the Company or its affiliates directly, although EY alone will remain responsible to you for the Audit Services, and (2) personnel (including non-certified public accountants) from an affiliate of EY or another EY firm or any of their respective affiliates, or from independent third-party service providers (including independent contractors), may participate in providing the Audit Services. In addition, third-party service providers may perform services for EY in connection with the Audit Services.

Representations from management

We have obtained from management a management representations letter as presented in Appendix A.

This report is intended solely for the information and use of the Plan Administrator and management. It is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Ernst & Young LLP

We elected to have the audit of Jamaican Grill 401(k) Profit Sharing Plan (the Plan) performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We understand that, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have obtained certification as of and for the year ended December 31, 2023 from Ascensus Trust, LLC, stating that the investment information provided to us is complete and accurate. We have determined that the entity that prepared and certified the investment information is a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (US GAAP). We have also determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. For any investment information that was inappropriately certified or excluded from the certification, we instructed you to consider this information when planning and performing your audit procedures or we obtained a revised certification.

We understand that our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the preparation and fair presentation of the financial statements (including disclosures) in accordance with US GAAP.

In connection with your audits of the statements of net assets available for benefits, statement of changes in net assets available for benefits, and supplemental schedule of the Plan, as of December 31, 2023 and for the year then ended, and the related notes to the financial statements, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion on whether (a) the amounts

Appendix A – Management Representations Letter, continued

and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with US GAAP and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that we determined meets the requirements of ERISA Section 103(a)(3)(C).

Appendix A – Management Representations Letter, continued

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

Management's responsibilities

We have fulfilled our responsibilities, as set forth in the terms of the audit engagement agreement dated July 31, 2024, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with US GAAP applied on a basis consistent with that of the preceding period.

In preparing the financial statements, we evaluated whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued, and provided appropriate financial statement disclosure, when applicable, related to going concern and using the going concern basis of accounting unless we prepared the financial statements in accordance with the liquidation basis of accounting.

We are responsible for the preparation and fair presentation of the supplemental schedules required by the Employee Retirement Income Security Act of 1974 (ERISA) (ERISA-required schedule), including the form and content, in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required schedule is fairly stated in all material respects, and the form and content are presented in conformity with the DOL's Rules and Regulations under ERISA. The ERISA-required schedule complies, in all material respects, with the DOL's Rules and Regulations under ERISA. There have been no changes in the methods of measurement or presentation from those used in the prior period. There are no significant assumptions or interpretations underlying the measurement or presentation of the information.

We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

We also acknowledge our responsibility for the design, implementation and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

We have provided you with:

Appendix A – Management Representations Letter, continued

- Additional information that you have requested from us for the purpose of the audit
- Unrestricted access to persons within the entity from whom you determined it necessary to obtain evidence
- A draft of the Plan's current period Form 5500 that is substantially complete

We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities. In addition, we have no knowledge of any matters affecting the company that sponsors the Plan (the Plan Sponsor) that could be significant to the Plan.

From January 1, 2023 through the date of this letter we have disclosed to you, to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred or is reasonably likely to have occurred, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the financial statements, in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

Uncorrected misstatements

There are no uncorrected misstatements (including the effects of correcting or reversing prior period uncorrected misstatements), or uncorrected misstatements in disclosures relating to the current period financial statements or the ERISA-required schedules.

There have been no violations or possible violation of laws or regulations in any jurisdiction whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

There have been no internal investigations or communications from regulatory agencies or government representatives in any jurisdiction concerning investigations or allegations of noncompliance with laws or regulations, noncompliance with or deficiencies in financial reporting practices, or other matters that could affect the financial statements.

There are no other liabilities or gain or loss contingencies considered material, individually or in the aggregate, that are required to be accrued or disclosed by ASC 450, *Contingencies*, nor are there any accruals for loss contingencies or gain contingencies included in the financial statements that are not in conformity with the provisions of ASC 450.

We have not consulted legal counsel concerning litigation, claims or assessments.

Oral or written guarantees

There are no oral or written guarantees including guarantees of the debt of others.

Non-compliance with laws and regulations, including fraud

We acknowledge that we are responsible to determine that the activities of the Plan are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws or regulations, including fraud.

We acknowledge our responsibility for the design, implementation and maintenance of a system of internal control to prevent and detect fraud.

We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

We have disclosed to you all known actual or suspected noncompliance with laws and regulations whose effects should be considered when preparing the financial statements.

We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the internal control over financial reporting of the Plan. In addition, we have no knowledge of any fraud or suspected fraud involving other employees where the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by “whistle-blowers”) which could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Plan.

Appendix A – Management Representations Letter, continued

Independence

We have communicated to you the names of all the Plan's affiliates, as defined in the AICPA Code of Professional Conduct, and officers and directors who serve in such capacity for the Plan.

We are not aware of any business relationship between the Plan or the Plan Sponsor and Ernst & Young LLP or any other member firm of the global Ernst & Young organization (any of which, an "EY Firm") other than one pursuant to which an EY Firm performs professional services.

We are not aware of any reason that Ernst & Young LLP would not be independent for purposes of the Plan's audit.

Participant data

There were no material omissions from the participant data provided to the Plan's recordkeeper for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.

Tax-qualified status

We recognize that the audit procedures performed did not encompass all of the procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Plan Sponsor or participants. However, we confirm to the best of our knowledge and belief that the Plan is qualified and the associated trust is tax exempt under the appropriate sections of the Internal Revenue Code and intend to continue as a qualified Plan and tax-exempt trust.

We have chosen to rely on the current Internal Revenue Service (IRS) opinion letter issued on behalf of the pre-approved plan that we have adopted. We have reviewed the current IRS opinion letter for the pre-approved plan, the timing of the opinion letter and the fact pattern related to the history of our Plan and we have determined, in accordance with the most current IRS Revenue Procedures governing pre-approved plans that we are eligible to rely on the pre-approved plan opinion letter. We understand that this opinion letter does not cover some of the key requirements of the Internal Revenue Code covering tax-qualified plans.

Other plan matters

There have been no prohibited transactions (as defined in ERISA section 406 and regulations under that section) or reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not reported in the ERISA-required schedule or financial statements.

We understand that the determination as to whether to pay a particular expense out of plan assets is a fiduciary act governed by ERISA. Administrative expenses paid by the Plan for the periods under audit are considered appropriate plan expenses to pay from plan assets and are not prohibited transactions (as defined in ERISA section 406 and regulations under that section).

Appendix A – Management Representations Letter, continued

We have complied with the regulations relating to service provider disclosures under ERISA section 408(b)(2). We understand that a violation of the 408(b)(2) regulations is a prohibited transaction.

The Plan has filed all reports and made all disclosures required of it under ERISA.

The Plan has not complied with the fidelity bonding requirements of ERISA as of December 31, 2023. However, this was subsequently remediated on April 2024.

Any loans, fixed income obligations or leases that are in default or classified as uncollectible have been presented in the ERISA-required schedule(s) as required by the DOL's Rules and Regulations under ERISA.

There is no present intention to terminate the Plan.

The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to the trust containing assets for the Plan.

Other matter

We have received a draft copy of our financial statements as of and for the years ended December 31, 2023 and 2022. The accuracy and completeness of the financial statements, including footnote disclosures, are our responsibility.

You have assisted in the preparation of our financial statements based on information in our trial balance and accounting records. It is our understanding that:

- Our underlying books and records are maintained by our accounting department and that the final trial balance prepared by us is complete and,
- We have designated a competent representative to oversee your services and that our personnel have sufficient financial competence who are able to challenge and review the completeness and accuracy of the financial statements, including footnote disclosures.

We have reviewed the draft financial statements for accuracy and completeness. We are acknowledged that we have reviewed them and taken responsibility for them.

Subsequent events

Subsequent to December 31, 2023, no events or transactions have occurred or are pending that would have a material effect on the financial statements at that date or for the period then ended, or that are of such significance in relation to the Plan's affairs to require mention in a note to the financial statements in order to make them not misleading regarding the net assets available for benefits or the changes in net assets available for benefits of the Plan. Refer to the "Subsequent Events" in Appendix A.

Report of Independent Auditors

To the Participants and Plan Administrator of
Jamaican Grill 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Jamaican Grill 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on 2022 Financial Statements

The statement of net assets available for benefits as of December 31, 2022 was compiled by us and our report thereon, dated October 11, 2024, stated that we did not audit or review the statement and, accordingly, do not express an opinion or provide any assurance about whether the statement is in accordance with U.S. generally accepted accounting principles.

Jamaican Grill 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2023

1. Description of the Plan

The following description of the Jamaican Grill 401(k) Profit Sharing Plan (the Plan) provides general information about the Plan's provisions. Jamaica, Inc. (the Company) is the plan sponsor and Plan administrator. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan is a defined contribution plan covering all eligible employees of Jamaica, Inc. who have completed one (1) year of service and have attained age 18 except for union employees and nonresident aliens.

The Plan administrator is responsible for the general administration of the Plan. Ascensus, LLC is the recordkeeper of the Plan and Ascensus Trust Company, a wholly owned subsidiary of Ascensus, LLC, is the trustee and custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to the maximum amount of their compensation allowable under the provisions of the Internal Revenue Code (Code). Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants who have attained age 50 before end of the year are eligible to make catch-up contributions.

The Company provides safe harbor contributions which will be a match of 100% of the first 3% of salary deferral plus 50% of the next 2% of salary deferral. In addition, the company may make a profit-sharing contribution to the plan each year and in such amount, if any, as it may determine. No such amount was contributed for the plan year ended December 31, 2023. All contributions are subject to certain limitations of the Code.

Participants direct the investment of their contributions into various options offered under the Plan, and can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

Participant Account

Each participant's account is credited with the participant's contributions, the Company's matching contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of the Plan, continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions plus actual earnings thereon is based on years of service as follows:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

The ADP safe harbor matching contribution is 100% vested at all times.

Participants shall become fully vested in their account balance upon death, total and permanent disability or normal retirement age (as defined in the Plan).

Payment of Benefits

Upon separation of service with the Company due to retirement, disability, death or termination, a participant will receive distribution in lump-sum. A participant whose vested account balance is \$5,000 or less will automatically receive an immediate lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting hardship withdrawals.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Notes to Financial Statements, continued

1. Description of the Plan, continued

Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances of terminated participant's nonvested accounts may be used to pay administrative expenses and reduce any employer contribution and/or added to any employer matching contribution and allocated as an additional matching contribution. There was no unallocated forfeiture balance as of December 31, 2023. The unallocated forfeiture balance as of December 31, 2022 amounted to \$58.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Notes to Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Subsequent Events

Management has evaluated subsequent events through October 11, 2024, the date on which the financial statements were available to be issued.

3. Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and dividends for the year ended December 31, 2023, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Ascensus, LLC, as agent for Ascensus Trust Company, the trustee of the Plan.

4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 3 - Significant unobservable inputs for the asset or liability (i.e., supported by little or no market activity).

Following is a description of the valuation methodologies used for each general type of investment measured at fair value by the Plan:

Registered Investment Companies: Registered investment companies consist primarily of mutual fund investments. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Jamaican Grill 401(k) Profit Sharing Plan

Notes to Financial Statements, continued

4. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value December 31,			
	2023		2022	
	Level 1	Total	Level 1	Total
Registered Investment Companies	<u>\$682.768</u>	<u>\$682.768</u>	<u>\$650.398</u>	<u>\$650.398</u>
Total assets at fair value	<u>\$682.768</u>	<u>\$682.768</u>	<u>\$650.398</u>	<u>\$650.398</u>

The Profiles primarily invest in registered mutual funds which have no redemption restrictions.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Tax Status

The underlying prototype plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401 of the Code. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code, and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Plan Administrator
Jamaican Grill 401(k) Profit Sharing Plan

In planning and performing our engagement to audit the financial statements of Jamaican Grill 401(k) Profit Sharing Plan (the Plan) as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control), except for internal control related to certified investment information as permitted by the Employee Retirement Income Security Act of 1974 Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit), as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

During our audit, we noted the following observation which we believe merits the attention of those charged with governance:

Inconsistencies in Participant Data

Observation

Based on the Plan documents, employees are eligible to participate in the plan upon completion of one year of service and attainment of age 18.

During our test over the Participant date, we noted inconsistency in the hired date between the contribution summary and the provided personnel file. Per confirmation with human resource personnel there was a transcription error on the employee listing schedule submitted to Ascensus Trust, LLC.

Recommendation

Management is responsible in maintaining accurate records of participants enrolled in the plan. We recommend that management performs regular review of census data, specifically for new hires, as relevant data such as date of hire and date of birth are critical in determining the employees' eligibility to participate to the Plan.

This communication is intended solely for the information and use of management of the Plan, those charged with governance, and is not intended to be and should not be used by anyone other than these specified parties.

At this time, we would like to thank Mr. Frank Kenney, Ms. Marife Calata, Ms. Corazon Sy and the rest of the staff for their excellent cooperation extended to us during the course of our engagement. We would be pleased to discuss the above matters or to respond to any questions, at your convenience.
