INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
La Red Health Center, Inc. 403(B) Plan
Georgetown, Delaware

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LaRed Health Center, Inc. 403(B) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LaRed Health Center, Inc. 403(B) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LaRed Health Center, Inc. 403 (B) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note B to the financial statements, effective January 1, 2023, plan management adopted Accounting Standards Codification (ASC 2016—13) – *Financial Instruments – Credit Losses*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about La Red Health Center 403(B) Plan's ability to continue as a going concern for twelve months from October 9, 2024.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of La Red Health Center 403(B) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about La Red Health Center 403(B) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Administrative Committee of the
La Red Health Center, Inc. 403(B) Plan

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes and Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF THE PLAN

The following description of La Red Health Center, Inc. 403(B) Plan (The "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a tax-sheltered annuity plan covering substantially all employees of La Red Health Center, Inc. (the Organization), other than employees who normally work less than twenty hours per week.

Contributions. Each year, participants may contribute up to one hundred percent of pre-tax annual compensation, as defined in the Plan limited only by the maximum contribution amount permitted under the IRS Regulations. Participants may also contribute amounts representing distributions from other defined benefit or contribution plans. The Organization can elect to contribute an amount determined by the Organization in any given year. Additionally, the Organization, at its discretion, may make a qualified non-elective contribution to the Plan. Such a contribution, if any, would be allocated to each participant in the ratio that such participant's compensation bears to the compensation of all participants. These contributions will always be fully vested. The Plan also provides for special catch-up contribution provisions.

Participant Accounts. Each participant's account is credited with the a) participant's contribution, b) the Organization's contribution and c) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Vesting. Participants are immediately vested in their contributions. The vesting schedule for the Organization's contributions is as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
Greater than 4	100%

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF THE PLAN (*CONTINUED*)

Participant Loans. Participants may borrow from their pre-tax deferral fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested pre-tax deferral fund account balance. Loan terms require a definite repayment period which provides for monthly payments to and for the loans to be amortized on a level basis over a reasonable period of time, not to exceed five years. If a participant defaults on their loan, they will be taxed on the amount of the outstanding loan balance and will be subject to a ten percent penalty if they are under the age of 59 ½. The loans are secured by the balance in the participant's account and bear interest at the prime rate, as specified by the Wall Street Journal, plus one percent.

Payment of Benefits. Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. In certain instances, a terminated participant may elect to remain in the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts. Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures are used to reduce the Organization's contribution to the Plan.

Pension Benefit Guaranty Corporation. Benefits provided by the Plan are not insured by the Pension Benefit Guaranty Corporation (PBGC) since insurance provisions under ERISA are not applicable to the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB), which establishes generally accepted accounting principles (GAAP) that are followed in reporting the statements of net assets available for benefits and the statements of changes in net assets available for benefits. References to GAAP issued by the FASB in financial statements as well as these notes are to the Accounting Standards Codification (ASC).

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*CONTINUED*)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may take in the future, they may ultimately differ from actual results. Accounting measurements most affected by management's estimates of future events include the determination of fair value of investments, the realization of contributions receivable, loans receivable and accrued interest and dividends. Estimates and assumptions are reviewed periodically, and the effects of revisions are reflected in the financial statements in the period determined.

Management does not believe that any of its estimates involve assumptions that are highly uncertain or that different, reasonable estimates, or changes in accounting estimates that are reasonably likely to occur, would have a material impact on the financial statements. To the extent there are material differences between management's estimates and actual results, future results of operations will be affected.

Financial Instruments – Credit Losses

On January 1, 2023, the Plan adopted Accounting Standards Codification (ASC) 326 *Financial Instruments – Credit Losses*. This standard replaces the incurred loss methodology with an expected loss policy that is referred to as the current expected credit loss (CECL). CECL requires an estimate of credit losses for the remaining estimated life of a financial asset and generally applies to those assets measured at amortized cost, including contribution and notes receivable and, when applicable, held to maturity debt securities. Financial assets measured at amortized cost are presented at the net amount expected to be ultimately collected or realized.

The adoption of ASC 326 did not have a significant impact on the 2023 financial statements.

Investment Valuation and Income

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*CONTINUED*)

Investment Valuation and Income (continued)

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments which consist of the realized gains and losses and the changes in unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included as investment advisory and management fees. Investment related expenses are included in the appreciation of the fair value of investments.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan adheres to ASC 820, “*Fair Value Measurements and Disclosures*”. ASC 820 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and enhances disclosures about fair value measurements. Fair value is defined under ASC 820 as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

As a basis for considering assumptions, ASC 820 establishes a hierarchical framework for measuring fair value (the fair value hierarchy) as follows:

Level 1 - Quoted prices in active markets for identical assets or liabilities. Level 1 assets include money market funds, debt and equity securities that are traded in active exchange market, as well as certain U.S. Treasury and other U.S. Governments and agencies that are highly liquid and are actively traded in over-the-counter markets.

Level 2 - Observable inputs other than Level 1 such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the same term of the assets or liabilities.

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE D - FAIR VALUE MEASUREMENTS (*CONTINUED*)

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and maximize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Money market funds: Valued at the quoted net asset value

The valuation methodologies used for assets measured at fair value may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables on page 14 present the financial instruments carried at fair value as of December 31, 2023 and 2022 as required by the valuation hierarchy defined above.

NOTES TO FINANCIAL STATEMENTS

NOTE E - TAX STATUS

The Internal Revenue Service (IRS) has determined that the prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although there are certain amendments applicable to the La Red Health Center, Inc. 403(b) Tax Sheltered Annuity Plan, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable IRS requirements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by this tax jurisdiction; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for periods before December 31, 2020.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will maintain one hundred percent vested in their accounts.

NOTE G - RELATED PARTY TRANSACTIONS

The majority of the Plan's investments are with Ascensus Trust Company and Empower or related entity products for the years ended December 31, 2023 and 2022. Ascensus Trust Company and Empower are the asset Custodians and/or third-party Administrator, as defined by the Plan, and therefore, these transactions or holdings qualify as party-in-interest transactions.

At December 31, 2023 and 2022, the Plan held investments of \$2,535,325 and \$2,030,677, respectively which qualify as party-in-interest holdings. The supplemental Schedule H Line 4(i) Schedule of Assets Held for Investment Purposes at December 31, 2023 identifies the specific assets deemed as party-in-interest holdings.

NOTE H - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan Administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform an auditing procedure with respect to the following information certified by Ascensus Trust Company and Massachusetts Mutual Life Insurance Company, except for comparing such information certified by the Custodians with information included in the Plan's financial statements and supplemental Schedule H Line 4(i) – Schedule of Assets Held for Investment Purposes at December 31, 2023:

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTE H - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS (CONTINUED)

Value of interest in registered investment companies	\$ 2,477,156	\$ 1,904,119

The Custodians also certified, for the years ended December 31, 2023 and 2022, to the completeness and accuracy of investment income (loss) in the fair value of investments of \$339,827 and \$(400,310), respectively.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Investment options accounting for more than 10% of the Plan's total net assets available for benefits for the years ended December 31, 2023 and 2022 are as follows:

	2023		2022	
Vanguard Target Retirement 2020 Fund	\$ 433,232	17.09%	\$ 390,760	19.24%
Vanguard Target Retirement 2025 Fund	281,679	11.11%	214,463	10.56%

Vanguard Target Retirement 2040 Fund	280,407	11.06%	N/A	N/A

NOTE J - BENEFIT OBLIGATIONS

Included in net assets available for benefits are amounts allocated to individuals who are no longer participating in the plan but have not been paid. Plan assets allocated to these participants at December 31, 2023 amount to \$465,335.

LA RED HEALTH CENTER, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE K - PROHIBITED TRANSACTIONS

For the year ended December 31, 2022, the Plan had Delinquent contributions of \$11,862, which is included in the Schedule of Delinquent Participant Contributions.

NOTE L - SECURE ACT 2.0

The SECURE Act 2.0, also known as the Setting Every Community Up for Retirement Enhancement Act 2.0, was enacted into law on December 29, 2022, and is aimed at improving retirement savings opportunities for individuals. The provisions of the law are expected to have a profound impact on nearly every aspect of retirement plan administration

Section 101 of the SECURE Act 2.0 requires 401(k) plans to automatically enroll participants into the Plan upon reaching eligibility unless the employee opts-out, at a rate of at least 3 but no more than 10 percent, unless the employer has less than 10 employees, is a new business in operation for less than three years or is a church or governmental plan. However, all current 401(k) Plans are grandfathered in from this requirement.

Under the SECURE Act 2.0, starting in 2024, if the taxpayer has income of at least \$145,000 for the year, a catch-up contribution must be treated as a Roth contribution. That means these funds are contributed with after-tax dollars, so they will not reduce current taxable income, but can be withdrawn tax-free in the future. The \$145,000 income threshold will also be indexed for inflation in future years.

Starting in 2025, a new special catch-up contribution is permitted for taxpayers who are between ages 60 and 63. That contribution limit will be equal to the greater of (1) \$10,000 or (2) 150% of the standard catch-up contribution limit for 2024. The \$10,000 limit will also be indexed for inflation. Once the taxpayer reaches age 64, the regular (lower) catch-up contribution limit applies.

The SECURE Act 2.0 increases the age thresholds for required minimum distributions (RMD's) from age 72 to age 73 as of January 1, 2023. It additionally increases the age threshold to age 75 as of January 1, 2033.

Furthermore, the legislation includes provisions aimed at expanding access to retirement savings plans for part-time employees. It seeks to make it easier for these individuals to participate in employer-sponsored plans, thus promoting greater retirement preparedness among a broader range of workers.

Further provisions of the SECURE Act 2.0 will begin coming online in future plan years and their impact to the operation of 401(k) plans may be affected by future legislation.
