REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Plan Participants and Plan Administrator
The Middle River Aerostructure Systems Hourly Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Middle River Aerostructure Systems Hourly Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal controls-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE MIDDLE RIVER AEROSTRUCTURE SYSTEMS HOURLY SAVINGS PLAN

Notes to Financial Statements December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following brief description of The Middle River Aerostructure Systems Hourly Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by MRA Systems, LLC (the Company). The Plan covers substantially all collective-bargained employees of the Company. The Plan is subject to applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Middle River Employee Benefits Committee is responsible for oversight of the Plan. The Middle River Employee Benefits Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. Employees of the Company are eligible to join the Plan upon completing 30 days of service. New hires are automatically enrolled once the 30-day period has been satisfied.

Effective January 1, 2022, the Plan was amended and restated.

Recent Legislation

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was enacted in December 2019, and became effective January 1, 2020. The SECURE Act was designed to encourage investing for retirement by increasing the required minimum distribution age, allowing part-time employee enrollment, and offering annuity options for certain tax-qualified retirement plans.

SECURE Act 2.0 was signed into the 2023 Consolidations Appropriations Act under the Securing a Strong Retirement Act on December 29, 2022, with similar retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers' cost of offering and funding retirement plans.

The Plan has a policy to incorporate some of the SECURE Act changes in its Plan document by the deadlines prescribed in the legislation.

Contributions

Participants may elect to make contributions each Plan year in the amount between 1% to 17% of their eligible compensation on a pre-tax or after-tax basis, subject to limitations imposed by law.

THE MIDDLE RIVER AEROSTRUCTURE SYSTEMS HOURLY SAVINGS PLAN

Notes to Financial Statements December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

Participants may also contribute amounts as rollover provisions representing distributions from other qualified defined benefit or defined contribution plans of a former employer. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

For eligible employees hired or rehired before January 1, 2013, the Plan provides for employer matching contributions in an amount of 50% of participant contributions up to 6% of their eligible compensation. For eligible employees hired or rehired on or after January 1, 2013, the Plan provides for employer matching contributions in an amount of 50% of participant contributions up to 8% of their eligible compensation. In addition, for eligible employees hired or rehired on or after January 1, 2013, the company contributes a Company Retirement Contribution (CRC) equal to 3% of eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching and CRC contributions, and Plan earnings and may be charged with a certain loan and distribution administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The participant is entitled to a benefit that cannot exceed the participant's vested account.

Vesting

Participants are immediately fully vested in their employee contributions, any employer matching and CRC contributions and related investment results. Participants receiving CRC and related earnings become 100% vested in the contributions at the earlier of reaching 3 years of eligible service or age 65 while employed with the Company.

Payment of Benefits

Participants are allowed to withdraw all or a portion of their unmatched after-tax contributions and rollover contributions, including earnings, at any time. Before-tax contributions may not be withdrawn while employed by the Company prior to age 59 ½. Employer matching contributions and CRC may not be withdrawn while a participant is employed by the Company prior to retirement age. Pursuant to the SECURE Act, effective January 1, 2020, the age at which required minimum distributions must begin was increased for participants born on or after July 1, 1949 from age 70 ½ to age 72. Pursuant to SECURE 2.0, the required minimum distribution age increase from age 72 to age 73, effective January 1, 2023.

Notes to Financial Statements December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits (continued)

In the case of hardship, a participant may elect to withdraw, as applicable, all or a portion of pre-tax contributions (including earnings) and matched after-tax contributions (including earnings). In order to make a hardship withdrawal, participant must first withdraw the maximum unmatched after-tax contributions and rollover contributions.

On termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or a direct rollover.

Notes Receivable from Participants

Participants may borrow the lesser of \$50,000 minus the highest outstanding balance of loans from any plan sponsored by the Company during the past 12 months or 50% of their vested account balance, subject to a \$500 minimum (except with respect to amounts attributable to any CRC, which are not available for loans). Principal and interest are paid by check or payroll deduction. Notes receivable from participants bear interest at a rate that reflects the current market rates charged by financial institutions for similar loans. The loans are secured by the balance in the participant's account.

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$57,157 and \$63,702, respectively. These accounts will be used to pay Plan expenses or to reduce future employer contributions. For the year ended December 31, 2023, \$40,540 was used to reduce the employer contributions and pay Plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to Financial Statements December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Middle River Retirement Plans Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions

Employee and employer contributions are recorded in the period that the employer makes payroll deductions from the participant's earnings.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events

The Plan administrator evaluated subsequent events and transactions through August 27, 2024, the date these financial statements were available for issue and has determined that no material subsequent events have occurred, that would affect the information presented or require additional disclosure.

3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2023 and 2022, and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023 was obtained by the Company or Plan Administrator and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company, the Trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

4. FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price and are deemed to be actively traded.

Common collective trust: Valued at the daily closing price of the underlying assets as reported by the fund. The common collective trust held by the Plan publishes its NAV daily and transact at that price.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	As of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,160,311	\$ -	\$ -	\$ 29,160,311
Common collective trust	-	6,105,828	-	6,105,828
	<u>\$ 29,160,311</u>	<u>\$ 6,105,828</u>	<u>\$ -</u>	<u>\$ 35,266,139</u>
	As of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,051,426	\$ -	\$ -	\$ 22,051,426
Common collective trust	-	6,354,016	-	6,354,016
	<u>\$ 22,051,426</u>	<u>\$ 6,354,016</u>	<u>\$ -</u>	<u>\$ 28,405,442</u>

5. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Ascensus Trust Company. Ascensus Trust Company is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

THE MIDDLE RIVER AEROSTRUCTURE SYSTEMS HOURLY SAVINGS PLAN

Notes to Financial Statements December 31, 2023 and 2022

7. TAX STATUS

The IRS has determined and informed the Company by a letter dated September 30, 2013 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the Code). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2023 to Form 5500:

Net assets available for plan benefits per financial statements	\$36,582,370
Cash contribution account	(58)
Net assets available for plan benefits per Form 5500	<u>\$36,582,312</u>

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2023 to Form 5500:

Total net increase per financial statements	\$ 7,132,060
Changes in deemed distributions	<u>23,203</u>
Total net income per Form 5500	<u>\$ 7,155,263</u>
