INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Venture Forthe, Inc. 401(k) Plan
Niagara Falls, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Venture Forthe, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having it determined it is permissible in the circumstances, has elected to have the audits of Venture Forthe, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Venture Forthe, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Venture Forthe, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement resulting from fraud is higher than that for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Venture Forthe, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Venture Forthe, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This information included in the supplemental schedules, other than that agreed to or derived from certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules, that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VENTURE FORTHE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION

The following is a brief description of the Venture Forthe, Inc. 401(k) Plan (the “Plan”) provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a “safe harbor” defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is funded by employee and employer contributions and covers all employees of Venture Forthe, Inc. (the “Company” or “Plan Sponsor”) who have completed at least 12 months and 1,000 hours of service, are at least 21 years of age, and are not covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Participants may elect to contribute up to 100% of their compensation. Total contributions are subject to Internal Revenue Service (“IRS”) limitations. The safe harbor matching contribution is equal to 100% of employee contributions up to 3% of employee eligible compensation, plus 50% of salary deferrals between 3% and 5% of employee eligible compensation. This safe harbor matching contribution is fully vested and is referred to as a basic matching contribution. The Company may also make additional discretionary matching and profit sharing contributions. No discretionary matching or profit sharing contributions were made for the years ended December 31, 2023 and 2022. Participants may also contribute rollover amounts representing distributions from other defined contribution plans.

Vesting – Participants are immediately vested in both their voluntary contributions and safe harbor matching contributions and the earnings thereon. Vesting in the discretionary matching and profit sharing contributions, and earnings thereon, are based on a graded vesting schedule with participants 100% vested after six years. Regardless of years of service, participants are fully vested upon disability or death.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000, or up to 50% of their vested account balance. Loans are available on a reasonably equivalent basis and will only be made to participants who are creditworthy. Loans must be adequately secured and participants generally must use their vested interest in the Plan as security, provided the balance of all loans outstanding does not exceed 50% of their vested account balance. Generally, loan terms may not exceed five years. Borrowings bear interest based on a reasonable rate determined by the plan administrator (5.25% - 10.50% at December 31, 2023) and mature through May 2028. Principal and interest are paid through regular payroll deductions.

Forfeitures – Participants not fully vested in employer discretionary contributions upon separation from the Company, as defined in the Plan document, forfeit their non-vested balances, which are used to reduce administrative expenses of the Plan and then are allocated as employer discretionary profit sharing contributions. Any remaining forfeitures will be used to reduce basic matching contributions. There were no forfeitures available at December 31, 2023 and 2022. There were no forfeitures utilized during the years ended December 31, 2023 and 2022.

1. **PLAN DESCRIPTION (continued)**

Participant Accounts – Each participant’s account is credited with the participant’s contribution and an allocation of the employer contributions and Plan earnings. Allocations of earnings are based on participant account balances.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants shall become 100% vested and entitled to the amount of their account at the date of such termination.

Payment of Benefits – Benefits are determined by the final value of the participant’s account at the time of retirement, termination, disablement or death and are paid as lump-sum distributions. Employees are eligible for retirement at age 65. Distributions are also permitted in the event of financial hardship, as defined by the Plan. In addition, the Plan also allows for in-service distributions once a participant has attained the age of 59 1/2 years.

Administrative Expenses – Costs of administering the Plan were paid by both the Plan Sponsor and the participants for the years ended December 31, 2023 and 2022.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan follows the guidance of accounting standards that establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded, on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred followed by Level 2, and Level 3. Level 3 inputs are to be used when neither Level 1 nor Level 2 inputs are available.

An investment’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for investments measured at fair value as of December 31, 2023 and 2022:

Mutual funds: Valued based on the quoted market price available on an active market, which represents net asset values of the shares held by the Plan at year end.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Reclassifications – Certain items from the 2022 financial statements have been reclassified to conform with current year presentation.

Subsequent Events – The Plan has evaluated the effects of all subsequent events through October 8, 2024, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. For additional information on how the Plan measures fair value refer to Note 2 – Summary of Significant Accounting Policies. The following table summarizes the Level 1 assets of the Plan for which fair values are determined on a recurring basis at December 31:

	2023	2022
Mutual funds (Level 1)	\$ 4,839,925	\$ 3,925,083

4. INCOME TAX STATUS

The Plan has adopted a Prototype Non-standardized Pre-Approved Profit Sharing Plan with CODA (the “Pre-approved Plan”). The Pre-approved Plan received an Opinion Letter from the IRS dated June 30, 2020, stating that the form of the Plan is acceptable under Section 401 of the Code for use by employers for the benefit of their employees. Accordingly, no provision has been made for Federal income taxes in the accompanying financial statements.

5. CERTIFIED INVESTMENT INFORMATION

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule. The information was prepared by Matrix Trust Company, the Plan's custodian, and furnished to the Plan Sponsor. The custodian has certified that the information is complete and accurate:

- a. Fair value of investments held by the custodian at December 31:

	2023	2022
Mutual funds	\$ 4,839,925	\$ 3,925,083

- b. Additions to (reductions from) net assets available for plan benefits for the years ended December 31:

	2023	2022
Net appreciation (depreciation) in fair value of investments	\$ 583,389	\$ (893,921)
Interest and dividends	116,951	108,397

- c. Fair value of investments reported in Note 3, with the exception of the classification of investments within the fair value hierarchy.
- d. Schedule of Assets (Held at End of Year), excluding notes receivable from participants

See Supplemental Schedule on page 11.
