INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Bigham Cable Construction, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bigham Cable Construction 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of March 19, 2024, and December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the period from January 1, 2024 through March 19, 2024, and for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution for the period from January 1, 2024 through March 19, 2024, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due, or which may become due, to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that audits conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BIGHAM CABLE CONSTRUCTION, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 19, 2024, AND DECEMBER 31, 2023 AND 2022**

1. DESCRIPTION OF THE PLAN

The Bigham Cable Construction, Inc. 401(k) Plan (the Plan) was formed on January 1, 2018. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Bigham Cable Construction, Inc. (the Company or Plan Sponsor), who are age 21 or older and have completed 12 consecutive months of service, during which 1,000 hours of service must be completed. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger

In 2023, the Plan Sponsor was acquired. The sponsor successor elected to merge the Plan assets with its existing plan. Thus, the Plan Sponsor elected to merge the Plan effective January 1, 2024, and to transfer all Plan assets as soon as practicable thereafter. The Plan contributions ceased as of December 31, 2023. As of March 19, 2024, all accounts have been distributed to the existing plan of the sponsor's successor. The following disclosures are applicable prior to the Plan merger.

Contributions

Each year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes a discretionary match to eligible participants. The Company may also make a profit-sharing contribution to the Plan. No profit-sharing contribution was made in 2023. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant vests 20% per year, beginning after the second year of credited service. A participant is 100% vested after six years of credited service.

BIGHAM CABLE CONSTRUCTION, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 19, 2024, AND DECEMBER 31, 2023 AND 2022

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or beneficiary in case of death, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawals. For termination of service for other reasons, a participant may receive the vested percentage of the account balance, as defined by the Plan.

Forfeitures

Forfeited balances of terminated participants' nonvested interest are used to reduce any employer contributions or to pay Plan administrative expenses. As of March 19, 2024, there were no forfeited nonvested accounts. As of December 31, 2023 and 2022, there were unallocated forfeitures of \$3,517 and \$2,811, respectively. For the period January 1, 2024 through March 19, 2024, the amount of forfeitures used to reduce employer contributions and administrative expense totaled \$3,744. For the year ended December 31, 2023, the amount of forfeitures used to reduce employer contributions and administrative expense totaled \$187.

Participant Loans

Participant loans are not allowed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan's pooled separate accounts include the accounts maintained by John Hancock Life Insurance Company. The fair value of those investments in the pooled separate accounts are estimated using their net asset value (NAV) per unit. The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consists of the net change in the fair value of pooled separate accounts during the period and year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the period and year.

**BIGHAM CABLE CONSTRUCTION, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 19, 2024, AND DECEMBER 31, 2023 AND 2022**

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Remaining net expenses are included as either administrative expenses or within net appreciation in fair value of investments.

Subsequent Events

The Plan's management has evaluated subsequent events from March 19, 2024, through October 1, 2024, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY CUSTODIAN

All investment information regarding the Plan as of and for the period January 1, 2024 through March 19, 2024, and as of and for the years ended December 31, 2023 and 2022, included in the Plan's financial statements and supplementary schedule, was prepared by or derived from information provided by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that such information is complete and accurate:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Investments at fair value:			
Pooled separate accounts	<u>\$ -</u>	<u>\$ 3,851,662</u>	<u>\$ 2,644,964</u>
Investment income:			
Net appreciation in fair value of investments	<u>\$ 146,754</u>	<u>\$ 555,593</u>	

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**BIGHAM CABLE CONSTRUCTION, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 19, 2024, AND DECEMBER 31, 2023 AND 2022**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022.

Pooled separate accounts: Based upon net asset value (NAV) as a practical expedient. The NAV of a pooled separate account is based on the market value of its underlying investments. The pooled separate accounts' NAV is not a publicly quoted price on an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investment Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Investment measures at NAV ^(a)	\$ -	\$ -	\$ -	\$ 3,851,662

Investment Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investment measures at NAV ^(a)	\$ -	\$ -	\$ -	\$ 2,644,964

^(a) In accordance with Financial Accounting Standards Board, Accounting Standards Codification Subtopic 820-10, certain investments held in a pooled separate account measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments measured at NAV (investments of pooled separate accounts) consist solely of mutual funds, each of which follows a separate investment strategy. The redemption frequency and the period of the above investments are on a daily basis. There are no unfunded commitments or redemption restrictions.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan's custodian and recordkeeper, John Hancock Life Insurance Company (U.S.A.), receives compensation from the funds in connection with Plan's investments in these funds. Transactions in such investments qualify as party-in-interest transactions and are exempt from the prohibited transactions rules. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment as they are paid through revenue-sharing rather than a direct payment. For the period January 1, 2024 through March 19, 2024, the fees paid for recordkeeping services were \$26,370. For the year ended December 31, 2023, the fees paid for recordkeeping services were \$34,418.

**BIGHAM CABLE CONSTRUCTION, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 19, 2024, AND DECEMBER 31, 2023 AND 2022**

6. TAX STATUS

The Plan has adopted a volume submitter profit-sharing document and is relying on the profit-sharing sponsor's advisory letter from the IRS, dated June 30, 2020, to confirm that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC; therefore, they believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for benefits per the financial statements at March 19, 2024, December 31, 2023 and 2022, agree with the amount of net assets available for benefits reported on Form 5500 for the applicable year.
