INDEPENDENT AUDITOR'S REPORT

Pension & Benefits Committee of
Allen Overy Shearman Sterling US LLP
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Shearman & Sterling LLP Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedule (modified cash basis) of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHEARMAN & STERLING LLP RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
(Modified Cash Basis)
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Shearman & Sterling LLP (the Firm) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation: The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan includes a voluntary investment component (401(k) Component) and a profit sharing component (Profit Sharing Component). Participation in the 401(k) Component is voluntary and is open to the Firm's eligible business services employees, legal assistants, associates, counsel, partners, and Of Counsel. Participation may begin on the first day of the month following the date of hire and having met the rules of eligibility as defined by the Plan. Eligible business services employees, legal assistants, and grandfathered counsel participate in the Profit Sharing Component.

Administration: The Plan is administered by the Firm's Pension & Benefits Committee, which includes not less than three partners of the Firm. Plan assets are administered and held in trust by T. Rowe Price Trust Company, which has been appointed trustee by the Firm. T. Rowe Price Retirement Plan Services, Inc. has been appointed as recordkeeper by the Firm.

Contributions: Contributions to the 401(k) Component are based on an employee's base and overtime pay or earned income for partners and Of Counsel. Participants other than partners may contribute from 2% to 20% of such compensation on a combined before-tax, Roth and after-tax basis, subject to certain statutory limitations (\$22,500 deferral limit for 2023 and \$20,500 deferral limit for 2022) and the \$66,000 and \$61,000 annual limit on total contributions in 2023 and 2022, respectively, inclusive of after-tax contributions to the 401(k) Component and contributions to the Profit Sharing Component. Upon becoming eligible to participate, employees hired on or after September 1, 2016 are automatically enrolled in the 401(k) Component at a 3% before-tax deferral rate. Beginning July 1, 2019, the deferral is automatically increased annually by 2% until reaching a 15% contribution unless the participant elects to opt-out. All participants continue to have the option to opt-in to the automatic increase service at any time and may select any annual increase percentage and maximum contribution percentage up to the plan maximum of 20%. Employees may elect to change or discontinue deferrals at any time.

Partners are eligible to make 401(k) deferrals on a before-tax and, beginning January 1, 2020, Roth basis up to the statutory limit. Partners are not eligible to make after-tax contributions to the Plan.

Participants, including partners, who have attained age 50 before the end of the Plan year are eligible to make additional before-tax and/or Roth 401(k) deferrals (referred to as catch-up contributions), subject to the legal limit of \$7,500 in 2023 and \$6,500 in 2022.

Employees eligible for the Profit Sharing Component, as defined by the Plan document, are eligible to receive an annual employer non-elective contribution to the Profit Sharing Component equal to 7.5% of total compensation, as defined by the Plan document. Profit-sharing eligible employees who were between the ages of 55 and 59 with a combined age and years of service totaling at least 70 on January 1, 2016 receive an additional profit-sharing contribution equal to 9% of the employee's total compensation. Profit-sharing eligible employees who were at least age 60 and with a combined age and years of service totaling at least 70 on January 1, 2016 receive an additional profit-sharing contribution equal to 11% of the employee's total compensation. Grandfathered counsel, as defined by the Plan document, are eligible to receive a profit-sharing contribution equal to 3% of the employee's total compensation. The statutory maximum compensation that could be recognized by the Plan was \$330,000 and \$305,000 for 2023 and 2022, respectively.

SHEARMAN & STERLING LLP RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
(Modified Cash Basis)
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

During 2022, participants rolled over account balances of \$45,061,323 into the Plan from the U.S. Pension Plan for Partners and Employees of Shearman & Sterling LLP (the "Pension Plan") related to the termination and liquidation of the Pension Plan.

Additionally, in December 2022 and 2023, in connection with the termination and subsequent liquidation of the Pension Plan, the Pension Plan transferred a total of \$3,996,960 and \$1,015,475 of surplus Pension Plan assets to the Plan, respectively. These assets, in addition to the Forfeiture Account balance and Negative Contribution Account balance, were used to offset 2022 and 2023 plan year employer contributions within this qualified replacement plan during 2023 and 2024, respectively.

Investments: Participants direct the investment of their accounts into various investment options offered by the Plan. Currently, the Plan offers several mutual funds and collective trust funds through T. Rowe Price Trust Company and other investment companies, as well as a self-directed brokerage account, which allows participants to invest in various other mutual funds. Participants are permitted to direct the investments in their accounts on a daily basis.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) Plan earnings, and (b) any profit sharing contributions from the Firm and revenue sharing received by T. Rowe Price Trust Company. Each participant's account is also charged with his or her withdrawals and an allocation of administrative expenses and Plan losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting: Participants are fully vested immediately in their pre-tax, Roth, after-tax, rollover, and Firm matching contributions made prior to January 1, 2016 at all times, as well as any gains on these amounts. Participants are fully vested in any profit-sharing contributions, and any gains on those contributions, after: 1) completion of three years of Service (except for Legal Assistants and Business Analysts in the Firm's 2-year business analyst training program, who are fully vested after completion of two years of Service); 2) reaching age 62 while an employee, a Partner or an Of Counsel of the Firm; 3) upon death while an employee, a Partner or an Of Counsel of the Firm; or 4) upon complete disability (as defined by the Plan) while an employee, a Partner or an Of Counsel of the Firm.

Payment of Benefits: Benefits are paid in the form of a lump-sum distribution, in installment payments, or in other forms as provided under the Plan as soon as practicable after a participant ceases to be an employee, a Partner or an Of Counsel of the Firm. Prior to January 1, 2020, participants could defer the benefit payment until April 1 of the calendar year following the calendar year in which they reach age 70½ if the vested account balance is greater than \$1,000 (including any rollover amounts). Beginning January 1, 2020, participant may defer payment until April 1 of the calendar year following the calendar year in which they reach age 72. Beginning January 1, 2023, participant may defer payment until April 1 of the calendar year following the calendar year in which they reach age 73.

While employed by the Firm, participants may withdraw from their 401(k) Component contributions, Firm 401(a) contributions, after-tax contributions, rollover contributions, and any earnings thereon at any time and for any reason. Withdrawal of before-tax, Roth, Highly Compensated Post-tax ("HC Post") and Firm 401(m) contributions is permitted after age 59½. Active participants also may withdraw from the Profit Sharing Component contributions and earnings upon attainment of age 55 and 15 years of service.

Hardship withdrawals are allowed only from the 401(k) Component for participants incurring an immediate and heavy financial need, as defined by the Plan document. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

NOTES TO FINANCIAL STATEMENTS
(Modified Cash Basis)
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

In these cases, before-tax, Roth and HC Post contributions, excluding earnings, may be withdrawn with the approval of the Plan's record-keeper, T. Rowe Price Trust Company.

Benefits are recorded when paid.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. All loans are covered by demand notes and are repayable through payroll deductions for employees, and direct payment to T. Rowe Price for Partners.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting: The Plan's policy is to prepare its financial statements on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. The modified cash basis of accounting followed by the Plan records all transactions based on cash receipts and disbursements except for certain investments, which are adjusted to their fair value.

Investments: Investments are stated at fair value. The collective trust funds are stated at fair value by the issuer, based on the net asset values per unit as reported by the fund managers. The fair values of mutual fund investments held within and outside of the self-directed brokerage accounts are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs). See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on a cash basis. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Plan Expenses: Reasonable expenses of administering the Plan were paid by both the Plan and the Firm in 2023 and 2022.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated interest and dividends, net appreciation (depreciation) in fair value of investments, and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by T. Rowe Price Trust Company, the trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of its fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2: Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the assets or liabilities. Level 2 inputs include the following:

- quoted prices for similar assets and liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3: Unobservable inputs for the assets or liabilities (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments				
Mutual Funds	\$ 299,620,547	\$ -	\$ -	\$ 299,620,547

Collective Trust*	-	-	-	147,331,621
 Total assets at fair value	 \$ 300,105,890	 \$ -	 \$ -	 \$ 447,437,511

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

All investment funds in the Plan are valued daily and can be traded on a daily basis; however, the T. Rowe Price Stable Value Common Trust Fund requires 12 or 30 months' advance written notice for redemption which can be shortened or waived by the trustee. There were no unfunded commitments for the Plan's interest in the Collective Trusts as of December 31, 2023 and 2022.

NOTE 5 - LOANS

Since withdrawals are restricted by the Internal Revenue Code (the Code), the Plan includes a loan feature, which allows actively employed participants to borrow against their accounts in the Plan. The minimum amount of a loan is \$1,000 and the total loan amount may not exceed the lesser of (i) the participant's 401(k) Component account balance, subject to the limitations set forth in the Plan, (ii) \$50,000, reduced by the largest unpaid balance for any Plan loan made to the participant that was outstanding during the 12-month period immediately preceding the valuation date of the loan request, or (iii) 50% of the participant's total vested interest in their account. The loans bear an interest rate equal to the US Prime rate (as published by the Wall Street Journal) plus one percent, determined on the first business day following the date the loan was approved and must be repaid (in a maximum of 5 years, 30 years if the purpose of the loan is the purchase of a principal residence) through regular payroll deductions or in a single lump-sum repayment. In the event that payroll deductions are not possible, the loan must be repaid by electronic funds transfer or by submitting a personal check, certified check, cashier's check or money order. Such loans are charged against the specific account balance of the borrower and repayments of both principal and interest are credited to the account balance of each borrower in accordance with their investment allocation.

A loan may be refinanced; however, the refinanced loan must be repaid over the remaining term of the original loan. Upon termination of either the Plan or the employment of the participant who requests a payment of Plan benefit, the unpaid balance owed by the participant is due and payable immediately, and the amount of the distribution otherwise payable to the participant is reduced by the value of the outstanding loan at the time of such distribution. Upon termination of employment of the participant who does not request a distribution, the unpaid balance may continue to be paid through periodic payments directly to the trustee, T. Rowe Price Trust Company.

NOTES TO FINANCIAL STATEMENTS
(Modified Cash Basis)
December 31, 2023 and 2022

NOTE 6 - PLAN TERMINATION

The Firm reserves the right to amend or terminate the Plan at any time. No such amendment shall have the effect of diverting the whole or any part of the principal or income of the Plan for purposes other than for the exclusive benefit of participants and their beneficiaries.

Upon termination or partial termination of the Plan or the complete discontinuance of contributions to the Plan, to the extent terminated, each affected participant's account remains fully vested and non-forfeitable.

NOTE 7 - INCOME TAX STATUS

The Plan has received a determination letter from the IRS dated December 19, 2013 stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States require the Plan administrator to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Firm. No such officer or employee receives compensation from the Plan. The Plan holds shares of mutual funds and collective trust funds managed by certain affiliates of the T. Rowe Price Trust Company, the trustee of the Plan. T. Rowe Price Retirement Plan Services, Inc. is the record keeper of the Plan. These transactions as well as any direct or indirect expenses paid for by the Plan, qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. In addition, the Plan allows for loans to be made to participants from their accounts which result in notes receivable from Plan participants. These qualify as exempt party-in-interest transactions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
