# INDEPENDENT AUDITORS' REPORT

Plan Administrator
Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust
Torrance, California

## Report on the Audit of the Financial Statements

### *Opinion*

We have audited the financial statements of Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust (the Vector Resources Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Vector Resources Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Vector Resources Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Vector Resources Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Vector Resources Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

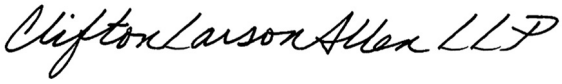

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Vector Resources Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## NOTE 1 GENERAL

The Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust (the Vector Resources Plan) provides supplemental unemployment benefits to covered eligible employees. The following description of the Vector Resources Plan provides only general information. Participants should refer to the Vector Resources Plan document for a more complete description of the Vector Resources Plan's provisions.

### Nature of Activities

The Vector Resources Plan is a defined contribution benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. All field employees of Vector Resources, Inc. (the Company) are able to participate in the Vector Resources Plan once eligibility requirements are met. All field employees of the Company are eligible to participate in the Plan and become eligible to participate on the first date any wages are set aside to be contributed to the Vector Resources Plan.

### Plan Structure

The Company established the Vector Resources Plan by signing as a participating employer through execution of an adoption agreement of a prototype plan by NeuBridg, Inc. The prototype trust has been established to comply with the provisions of Section 501(c)(17) of the Internal Revenue Code (IRC) of 1986, as amended. Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust (the Trust) has been adopted by a number of employers that are reporting component pieces of the Trust. These financial statements encompass the interest in and activity of the Vector Resources Plan established under the Company's adoption of the Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust prototype plan, as accounted for by recordkeeping functions performed by Midwest Group Benefits, Inc., the third-party administrator (TPA). The asset, "Interest in Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust," represents the Vector Resources Plan's receivable from the Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust as of December 31, 2023 and 2022.

See Note 4 for disclosure related to the Vector Resources Plan's reliance on the received Internal Revenue Service (IRS) letter ruling obtained by the Trust.

### Interest in the Trust

The Interest in the Trust is an allocation based on the Vector Resources Plan's total participants' share of the investment at the beginning of the year, plus contribution, less distributions and withdrawals during the year. The Trust holds a money market fund that is valued at $1.

## NOTE 1 GENERAL (CONTINUED)

### Contributions

The agreement permits the Company to make contributions to the Vector Resources Plan based upon the employees' hourly base rate. Contributions were made to the Vector Resources Plan by the Company at the rate of 7% of the straight hourly base rate for all hours worked for participants with less than or equal to eight years of service and 9% of the straight hourly base rate for all hours worked by participants with greater than eight years of service.

Contributions are subject to one limitation. In no event shall an employee accrue benefits in an amount in excess of 26 weeks of supplemental unemployment benefits.

Contributions are remitted by the Company via ACH transfer to First Interstate Bank, the trustees of the Trust. The Trust maintains the contributions in one trust account for all participating employers. Midwest Group Benefits, Inc., the TPA for the Vector Resources Plan and the Trust, maintains separate accounting for each participating employer of the Trust. The Vector Resources Plan has reported the portion of the Trust in these financial statements as reported to them by the TPA.

Benefits and administrative expenses are paid out of the trust account and allocated to Vector Resources Plan based on the reporting provided by the TPA.

### Participant Accounts

Each participant's account is credited with the Vector Resources Plan's contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Vector Resources Plan. Allocations are based specifically on the participant's individual account's transactions. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

### Benefit Payments

Participants may receive a distribution from their account if they are eligible for state unemployment benefits, or if not eligible, ineligibility is due to having insufficient wage credits, exhausting all state unemployment benefits, or not met the waiting requirement for unemployment benefits under state law and if they have sufficient funds in their account to cover the benefit. Participants may not receive a benefit for less than eight hours during a work week the participant was out of work.

Once the participant becomes eligible for a distribution; the distribution is computed on a weekly basis. For any full or partial weeks where the employee experiences a qualifying temporary layoff or involuntary separation from service, the employee may request a distribution equal to the number of hours not worked in a week, up to 40 hours per week.

## NOTE 1 GENERAL (CONTINUED)

### Benefit Payments (continued)

There is a one-week, look-back period for which a participant is able to claim a shortage of hours for a distribution. The distribution is calculated at the participant's quarterly average hourly rate of pay per qualifying hour up to a maximum of the balance in the participant's account.

### Vesting

Participants are immediately vested in all prevailing wage contributions and balances remain available for benefit payments unless forfeited as further described below.

### Administrative Fees and Expenses

Three amounts are deducted from participants' accounts. First, an administrative fee covering the costs of maintaining and administering the Vector Resources Plan and Trust are deducted at the time the Company makes a contribution to the participant's account. Second, a distribution fee is deducted any time that a benefit distribution is made to the participant. Third, taxes are withheld from each distribution of benefits to the participant based on the individual tax situation of the participant.

### Forfeitures

In the event that a participant's employment with the Company terminates for any reason, including death, and either no benefits are due under the Vector Resources Plan, or the benefits due are less than the balance of the participant's account, any amounts remaining in the participant's account on the last day of the first Vector Resources Plan year following the five-year anniversary of the participant's termination will be forfeited. Forfeited amounts are allocated to the accounts of remaining eligible employees, pro rata based on the employee's account balance as of the date of the forfeiture. There were forfeited amounts of $2,448 and $4,241 during the years ended December 31, 2023 and 2022, respectively. There were $2,895 and $4,241 forfeitures allocated to the accounts of remaining eligible employees for the year ended December 31, 2023 and 2022, respectively.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Vector Resources Plan are prepared on the accrual basis of accounting.

### Benefit Payments

Benefits are recorded when paid.

### Administrative Expenses

The Company pays certain administrative expenses on behalf of the Vector Resources Plan. Administrative expenses are recorded as incurred.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Subsequent Events**

The Vector Resources Plan has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued.

## NOTE 3 VECTOR RESOURCES PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Vector Resources Plan to discontinue contributions at any time and to terminate the Vector Resources Plan subject to the provisions of ERISA. In the event of Vector Resources Plan termination, all amounts credited to participant's account will first be applied to provide benefits to participants with respect to claims arising prior to the date of termination. Any remaining assets will be used to pay all administrative expenses and fees for professional services.

## NOTE 4 TAX STATUS

The trust established under the Neubridg, Inc. Supplemental Unemployment Compensation Benefit Plan & Trust (the Trust) to hold the assets is intended to qualify pursuant to Section 501(c)(17) of the IRC and, accordingly, the Trust's net investment income is exempt from income taxes. The Vector Resources Plan is placing reliance on the letter dated September 4, 2012, received from the IRS indicating that the Trust, as then designed, was in compliance with the applicable requirements of the IRC. The Trust has been amended since receiving the letter; however, the trustees believe that the Trust is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Vector Resources Plan's financial statements.

Accounting principles generally accepted in the United States of America require Vector Resources Plan management to evaluate tax positions taken by the Vector Resources Plan and recognize a tax liability (or asset) if the Vector Resources Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Vector Resources Plan is subject to routine examination by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

## NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Fees of approximately $52,000 and $45,000 were paid to NeuBridg, Inc., for the years ended December 31, 2023 and 2022, respectively. These transactions qualify as exempt party-in-interest transactions.
