This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of **BWI Group 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, the "financial statements").

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and audit is permissible under the circumstances. We have also determined that an ERISA section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 10, 2024, the following representations made to you during your audits:

The methods and significant assumptions used result in a measure of fair value and contract value appropriate for financial measurement and disclosure purposes.
- 30) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

We have audited the financial statements of **BWI Group 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023, and we have issued our report thereon dated October 10, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated May 16, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the Plan's financial statements in the proper period.

Accounting estimates are an integral part of the Plan's financial statements prepared by management and are based on Plan management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Plan's financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There are no significant estimates within the Plan's financial statements.

Qualitative Aspects of Accounting Practices – continued

Certain financial statement disclosures are particularly sensitive because of their significance to the Plan's financial statement users. The most sensitive disclosures affecting the Plan's financial statements are the disclosure describing the Plan (Note 1), the disclosure for certified investments (Note 3), the disclosure for fair value measurements (Note 4), the disclosure for related party transactions (Note 6), the disclosure for the tax status of the Plan (Note 8), and the disclosure for non-exempt transactions (Note 11). The Plan's financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit, with the exception of the value of the Fidelity Managed Income Portfolio Fund being reported at fair value on the Form 5500 and contract value being reported on the financial statements for the fund. This is the accurate presentation on both the financial statements and Form 5500 and has been disclosed in Note 11 of the financial statements.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with Plan management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements detected as a result of our audit procedures.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

We noted that one participant, Roseann Choice, had an elective deferral of \$226.95 on the July 31, 2023 payroll withheld from her pay, but was not remitted to the Plan. The Company is currently working with the third-party administrator to deposit the funds, along with lost earnings. It was also noted that two other participants, Kimara Pierre and Daniel Penman, had their accounts overfunded by \$25.56 and \$3.86. We recommend the Company work with the third-party administrator to have the funds forfeited from the participants' accounts.

BWI Group 401(k) Plan

Reportable Findings – continued

We noted that while contribution remittances are reviewed and approved each payroll period, total contributions per the trust reports are not being reconciled to the payroll records and W-3 amounts. We recommend that Plan management reconcile total contributions per payroll records to the trust reports or other online information from the third-party administrator on a monthly or quarterly basis. In addition, we recommend that contributions for the year per the payroll records be reconciled to the contributions per the annual trust statement provided by the third-party administrator. These controls will help to ensure that contributions are being properly classified and will help to ensure that all contributions are being remitted and received by the third-party administrator on a timely basis.

During our audit, it was noted that an employee was included in the census twice, which caused wages per the census to not reconcile to the year-end payroll reports. It is our understanding that this was discovered and corrected during non-discrimination testing. We recommend that Plan management reconcile the census to the year-end payroll reports prior to providing the census to the third-party administrator for year-end testing.

During our audit, it was noted that quarterly and annual reports provided by the third-party administrator for distributions are not reviewed for reasonableness. Although no significant discrepancies were noted in this area during the audit, this review is still a prudent business practice. We recommend that Plan management review distributions for reasonableness at least quarterly. Any unusual items noted during this review, specifically distributions to unknown individuals or individuals who have not been terminated, should be investigated.

Disagreements with Management

For purposes of this letter, a disagreement with Plan management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the Plan's financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from Plan management that are included in the management representation letter dated October 10, 2024.

Management Consultations with Other Independent Accountants

In some cases, Plan management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with Plan management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

We communicated the significant risks of material misstatement identified as part of our audit planning in our engagement letter to you dated May 16, 2024. We did not identify any additional significant risks in performing and completing our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This report is intended solely for the information and use of the Plan Sponsor and individuals involved with the administration of the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Once again, it was a pleasure working with you. We would be glad to discuss the above recommendations or answer any questions you have both now and over the course of the Plan year. We truly appreciate your business.
