Plan Administrator
DiamondBack Automotive Accessories, Inc.
401(k) Profit Sharing Plan and Trust
Philipsburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DiamondBack Automotive Accessories, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Schedule Required by ERISA

The supplementary of Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplementary Schedule Required by ERISA (Continued)

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of DiamondBack Automotive Accessories, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) plan covering all eligible employees of DiamondBack Automotive Accessories, Inc. (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees must have completed three months of service to be eligible to participate in the Plan. The Plan has no age requirements for employees to participate. Participants are able to enroll in the plan immediately upon meeting service requirement. Newly eligible participants are enrolled automatically at a deferral rate of 3% unless they opt-out or elect a different amount.

Contributions: Participants may elect to defer a portion of their eligible compensation, as defined by the Plan, up to the maximum dollar limit prescribed by the Internal Revenue Code (IRC). Amounts contributed to the Roth 401(k) will be subject to Federal income tax when made, but any earnings thereon will generally not be taxed upon distribution provided funds are not withdrawn within five years and other conditions are met. Participants age 50 or older may elect to defer additional "catch-up" amounts. Participants that do not opt-out or make an affirmative election are automatically enrolled at a deferral rate of 3% of eligible compensation, which will auto-escalate by 1% each plan year up to a maximum deferral of 6%.

Employer profit-sharing contributions are discretionary and determined annually by the Board of Directors. The Company makes a minimum safe harbor contribution equal to 100% of employee deferrals up to 3%, then 50% match up to 5% of employee deferrals. The Plan allows rollover contributions from other qualified plans. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain annual limitations as determined by the Internal Revenue Code.

Participant Investment Options: Participants direct the investment of their individual account balances into a variety of investment fund options. Participants may change their investment options as often as they like.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) employer matching contributions, (b) other discretionary employer contributions and (c) an allocation of Plan earnings or losses and charged with an allocation of administrative expenses. Participants must be employed on the last day of the Plan year to share in any annual employer discretionary contribution. The Plan's earnings or losses are allocated according to the participant's relative account balance in the various investment options. The benefit to which a participant is entitled is the vested benefit in the participant's account.

Vesting: Participants are immediately vested in their account upon their effective date of participation.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account balance. The Plan permits only permitted one loan to be authorized at a time per participant. Effective July 31, 2023 loan terms may not exceed 5 years, previously 4.5 years, unless taken out for the purchase of a primary residence. Interest rates on loans are fixed for the duration of the loan based on prime interest rate plus 1-percentage point. Loans must be repaid via payroll withholdings. Loans are secured by the vested balance in the participant's account.

Payment of Benefits: On termination of service, death, disability, or upon attaining age 59.5, a participant may elect to receive their vested benefits, generally as a lump sum distribution. Distributions may be delayed until benefits are requested or age 72, at which date required minimum distributions must be paid to the participant. Vested account balances less than \$5,000 at the distribution date will be automatically rolled over to an IRA selected by the Plan Administrator unless the participant consents to a lump sum distribution or other distribution. Hardship withdrawals based on demonstrated need are also permitted on a limited basis.

Administrative Expenses: Expenses incurred for the administration of the Plan are paid either by the Plan or by the Plan Sponsor.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Delinquent loans are treated as distributions.

Payment of Benefits: Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Subsequent Events: In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition or disclosure through October 4, 2024, the date the financial statements were available to be issued. See Note 10.

Note 3. Information Certified by the Current and Former Custodians

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary Schedule H, Item 4i, Schedule of Assets Held for Investment Purposes, including investments held at December 31, 2023, and net appreciation in fair value of investments and dividends for the period September 4, 2023 through December 31, 2023, was obtained by management and agreed to information certified as complete and accurate by Principal Trust Company, (the current Custodian of the Plan).

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary schedule, including investments held at December 31, 2022, and net appreciation in fair value of investments, interest and dividends for the period of January 1, 2023 through September 3, 2023, was obtained by management and agreed to information certified as complete and accurate by Mid Atlantic Trust Company, (the former Custodian of the Plan).

Note 4. Investments and Fair Value Measurements

The Plan measures, on a recurring basis, its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available.
- Level 2 Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, which are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

DIAMONDBACK AUTOMOTIVE ACCESSORIES, INC.
401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Shares of registered investment companies are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Cash: Interest bearing cash is valued daily based on the balance of funds held in the bank deposit account at closing, as reported by the financial institution. Interest earned is deposited as additional cash.

Collective investment trust: The Plan invests in Principal Life-Time Hybrid collective investment trust funds offered by Principal Global Investors Trust Company. The collective investment trust funds are valued based upon the net asset value (NAV) of units of the Trusts as reported to the Plan by the trusts. Units of the trusts are published daily and used as the basis for current transactions. The units of the CIT are valued daily based on closing market prices of the underlying investments. The daily unit value is computed by dividing the total assets of the trusts, less its liabilities, by the total number of units outstanding as of the valuation date. Investment income earned is reinvested in the trusts and included in the determination of unit values. The collective investment trust funds provide for daily redemptions by the Plan at reported NAV, with no advance notice requirements.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 5. Related Party and Party-in-Interest Transactions

Plan investments held at December 31, 2023, include investments managed by Principal Trust Company. Principal Trust Company is the current Custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Plan investments held at December 31, 2022, include shares of mutual funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company, former Custodian of the Plan. The Plan had contracted with Mid Atlantic Trust Company to provide certain investment, custodial and administrative services; therefore, these transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

Effective July 31, 2023, the Plan a non-standardized pre-approved plan sponsored by Dunbar Bender & Zapf Inc. The pre-approved plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, that the pre-approved plan as then designed, was in compliance with the applicable provisions of the Internal Revenue Code (IRC). Although the Plan has been amended subsequently, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Previously, the Plan adopted a non-standardized pre-approved plan sponsored by Paychex, Inc. The non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated August 31, 2020, as to the Plan's qualified status. The IRS has determined that the non-standardized pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The non-standardized pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
