Independent Auditor's Report

To the Participants and Plan Administrator of the
Valaris Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed audit of the financial statements of the Valaris Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the transactions of the Plan that are presented and disclosed in the financial statements are in conformity with the provisions of the Plan, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the Plan. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and were derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 27, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with US GAAP, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determines meets the requirements of ERISA Section 103(a)(3)(C).

VALARIS SAVINGS PLAN NOTES TO FINANCIAL STATEMENTS

1. PLAN ORGANIZATION AND DESCRIPTION

The Valaris Savings Plan, as revised and restated effective January 1, 2008, and renamed from the Ensco Savings Plan to the Valaris Savings Plan (the “Plan”) effective March 31, 2022, is a defined contribution plan available to employees (“Eligible Employees”) of Valaris Limited and subsidiary companies (the “Company” or “Valaris”). ENSCO International Incorporated, a wholly-owned subsidiary of the Company, is the Plan Sponsor. The Plan was established to provide a retirement benefit for eligible employees through the Company’s matching contributions based on eligible employee contributions and to promote and encourage eligible employees to provide additional security and income for their retirement through a systematic savings program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Participation

Eligible Employees of the Company may participate in the Plan upon meeting certain age requirements, except for those employees, if any, who are covered by a collective bargaining agreement with retirement benefits that are subject to good faith bargaining between the Company and the employee representative (unless the agreement requires inclusion in the Plan), contract employees and certain non-resident employees.

Eligible Employees participate in the discretionary contribution feature of the Plan provided that they became employees prior to September 30. Employees that become employed after September 30 will become eligible beginning January 1 of the following calendar year. All employer contributions are at the discretion of the Company’s Board of Directors as disclosed below.

Contributions

Participants in the Plan (“Plan Participants”) may elect to make contributions to the Plan through salary deferrals (“Savings Contributions”), which qualify for tax deferral under Section 401(k) of the Internal Revenue Code (the “Code”). Under the Plan, Savings Contributions are limited to 50% of the participant’s compensation, subject to the annual dollar limitation set forth in Section 402(g) of the Code (\$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively). Plan Participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions. An individual’s total catch-up contributions during 2023 and 2022 could not exceed \$7,500 and \$6,500, respectively. Plan Participants may elect to increase, decrease or suspend their Savings Contributions within certain limits, as defined in the Plan document. Under certain circumstances, Plan Participants may make contributions to the Plan in the form of rollover contributions (“Rollover Contributions”).

The Company makes safe harbor matching contributions to the Plan (“Matching Contributions”) in the form of a stated dollar amount or in the form of a matching percentage of Savings Contributions. During the year ended December 31, 2022, the Company made Matching Contributions to Eligible Employees accounts in the amount of 100% of 4% of eligible salary. Effective January 1, 2023, Matching Contributions were increased whereby 100% of the amount contributed by an employee is matched up to a maximum of 5% of the eligible salary. Total Matching Contributions for the years ended December 31, 2023 and 2022 were \$8.0 million and \$4.7 million, respectively, and are presented net of amounts applied from forfeitures of \$0.6 million and \$0.9 million.

At the discretion of the Board of Directors, following the close of a fiscal year, the Company may also make a discretionary matching contribution (“Discretionary Matching Contributions”) or a discretionary profit sharing contribution (“Profit Sharing Contributions”). The Company did not make Discretionary Matching Contributions or Profit Sharing Contributions for the years ended December 31, 2023 or 2022.

Statutory limits on the sum of a participant’s annual Savings Contributions, Matching Contributions, Discretionary Matching Contributions and Profit Sharing Contributions were the lesser of \$66,000 (\$73,500 including catch-up contributions) or 100% of the Plan Participant’s compensation for 2023. The limits for 2022 were the lesser of \$61,000 (\$67,500 including catch-up contributions) or 100% of the Plan Participant’s compensation for 2022.

Plan Administration

T. Rowe Price Trust Company (the “Trustee”) serves as the asset trustee, recordkeeper and investment manager for the Plan and executes all investment actions at the discretion of Plan Participants.

Vesting

Under the Valaris Savings Plan, Plan Participants contributions become fully vested and nonforfeitable immediately for Savings Contributions, Matching Contributions and Discretionary Matching Contributions. Profit Sharing Contributions become vested and nonforfeitable upon the completion of years of service with the company, as follows:

Completed years of service	Vested percentage
Less than one year	—%
One year	33%
Two years	67%
Three or more years	100%

Distributions

Distributions of a Plan Participant’s Savings Contribution account, Rollover Contribution account, Matching Contribution account, Discretionary Matching Contribution account and Profit Sharing Contribution account are made at the request of the participant.

The Plan allows participants or designated beneficiary to waive the required minimum distribution for a five year period. Additionally, distributions due to death of a participant after December 31, 2019 can be to designated beneficiaries over a period of no more than 5 years.

As of December 31, 2023, there were \$33,000 of distributions requested by Plan Participants that had not yet been paid. As of December 31, 2022, there were \$15,000 of distributions requested by Plan Participants that had not yet been paid.

Hardship Withdrawals

Should a Plan Participant experience a hardship, he or she may elect to withdraw all or part of his or her vested account balance from the Plan. All cases of hardship must be presented in writing to, and approved by, the plan recordkeeper. Additional supporting documentation from Plan Participants to substantiate any case of hardship may be required before making a determination. The plan recordkeeper may, at its discretion, approve all or part of the withdrawal request. Earnings on contributions in a participant’s account will be included as part of a hardship withdrawal and hardship withdrawals are recorded as distributions in the period in which they are disbursed.

Investments

The Plan allows participants to direct all contributions among a number of different investment funds managed or held by the Trustee.

The daily value of each investment unit is determined by dividing the total fair market value of all assets in each fund by the total number of shares in that fund. Investment income, certain administrative fees and net appreciation (depreciation) of the fair value of investments are allocated to each Plan Participant's account based on the change in unit value for each investment fund in which the participant has an account balance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

The Plan's investments in mutual funds are stated at fair value using quoted market prices. The Plan's investments in the BlackRock LifePath Funds, the T. Rowe Price Stable Value Common Trust Fund, and Prudential Core Plus Bond Fund are stated at fair value based on the net asset values of shares owned in the funds.

The BlackRock LifePath Funds are operated by BlackRock Institutional Trust Company, N.A. and are structured as a trust of trusts whereby the underlying trusts invest directly in securities. The investment objectives are to invest over time in a diversified portfolio of underlying trusts that represent various asset classes and sectors to provide stability of principal and to deliver consistent returns to participants. The Plan's investment in the BlackRock LifePath Funds are measured at fair value and classified in the fair value hierarchy.

The Plan's T. Rowe Price Stable Value Common Trust Fund (the "Stable Value Fund") is comprised primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) might occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12-30 months of notification in order to ensure the securities liquidations will be carried out in a timely manner.

The Prudential Core Plus Bond Fund is invested primarily in fixed income securities in the U.S. investment grade sectors, as well as U.S. fixed income securities below investment grade, the debt of developed international markets and the debt of emerging markets. The Plan's investment in the Prudential Core Plus Bond Fund are measured at fair value and classified in the fair value hierarchy.

Purchases and sales of mutual funds, the BlackRock LifePath and Prudential Core Plus Bond Funds (the "Common Collective Trust Funds") and the T. Rowe Price Stable Value Common Trust Fund are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

The net appreciation/(depreciation) in the fair value of its investments on the Statements of Changes in net assets available for benefits, consists of the realized gains/(losses) and the unrealized appreciation/(depreciation) on those investments.

Distributions

Distributions of benefits to participants are recorded when paid.

Notes Receivable from Participants

Approved loans to eligible participants are granted from the Plan Participants' vested accounts. The interest rate is a fixed rate determined monthly and interest income is recorded on the accrual basis. All loans must be secured with an irrevocable pledge assignment. Loan payments are generally made through participant payroll deductions. Loans may not exceed the limitations listed in the Plan document, which are the lesser of 50% of the Plan Participant's vested balance or \$50,000 less the Plan Participant's highest outstanding loan balance in the previous 12 months. The Plan allows no more than two outstanding loans at a time to any one participant.

Loan payments to participants are recorded when paid. As of December 31, 2022, there were approximately \$11,000 of loans requested by Plan participants that had not yet been paid. As of December 31, 2023, there were no such unpaid loans.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Company to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Such estimates and assumptions are subject to inherent uncertainties, which may result in actual amounts differing from reported amounts.

3. FAIR VALUE MEASUREMENTS

The following fair value hierarchy table categorizes information regarding the Plan's net assets measured at fair value on a recurring basis as of December 31, 2023 and 2022:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
As of December 31, 2023

As of December 31, 2022				
Mutual funds	\$ 143,886,120	\$ —	\$ —	\$ 143,886,120
Common Collective Trust Funds	—	170,806,225	—	170,806,225
Total investments at fair value in hierarchy	\$ 143,886,120	\$ 170,806,225	—	\$ 314,692,345
Investments measured at net asset value ⁽¹⁾ :				
Stable Value Fund				79,629,559
Investments at fair value				\$ 394,321,904

⁽¹⁾ Certain investments that were measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable Value Fund	\$73,614,738	N/A	Daily	12-30 months

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable Value Fund	\$79,629,559	N/A	Daily	12-30 months

4. ADMINISTRATIVE FEES

Fees paid by the participants for investment management, qualified administrative expenses and loan origination services amounted to approximately \$346,000 and \$348,000 for the years ended December 31, 2023 and 2022, respectively. Plan expenses are paid through a plan administrative expenses account that is generated by quarterly fees charged to participants.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee.

7. TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by letter dated November 6, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Code. Therefore, management believes that the Plan is designed and operated in compliance with the applicable requirements of the Code, the Plan is qualified and the related trust is tax-exempt.

The financial statement effects of a tax position are recognized when the position is more-likely-than-not to be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Our Plan investments include shares of the Stable Value Fund managed by the Trustee, and, therefore, transactions in those investments qualify as party-in-interest transactions. Approved loans to eligible participants also qualify as party-in-interest transactions.

In addition, our Plan investments include common collective trusts issued by BlackRock Institutional Trust Company, N.A. ("BlackRock"), a subsidiary of BlackRock, Inc., which beneficially owned more than ten percent of Valaris' outstanding common stock as of December 31, 2023. Transactions in these investments are considered related party transactions and as of December 31, 2023 and 2022, the fair market values of investments in BlackRock's common collective trusts were \$181.9 million and \$164.4 million, respectively.

9. RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks including interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of the investments will occur in the near-term and that such changes could materially affect Plan Participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. SUBSEQUENT EVENTS

In preparing the accompanying financial statements, management has reviewed all known events that have occurred after December 31, 2023 and through October 7, 2024, the date the financial statements were issued, and determined that no such events require disclosure in the financial statements.
