## **Independent Auditors' Report**

To the Plan Administrator  
Nexans USA Inc. 401(k) Retirement Savings Plan  
Goose Creek, South Carolina

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audits of the financial statements of Nexans USA Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section :

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nexans USA Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nexans USA Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nexans USA Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matters - Supplemental Schedules Required by ERISA***

The supplemental schedules of assets held at year end and participant delinquent contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to the Financial Statements**

### **December 31, 2023 and 2022**

---

#### **1. Description of Plan**

The following description of Nexans USA Inc. 401(k) Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan documents for more complete information.

##### **General**

The Plan is a defined contribution plan, covering substantially all hourly and salary employees of Nexans USA Inc. (“Nexans”, the “Sponsor”, or the “Employer”) and its subsidiaries who have completed at least one full calendar month of service. The Administrative Committee of the board of directors of the Sponsor controls and manages the operation and administration of the Plan. Charles Schwab Trust Bank (the “Trustee” or “Charles Schwab”), formerly known as the Trust Division of Charles Schwab Bank, serves as the trustee/custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

On September 30, 2020, Nexans sold its Berk-Tek business unit to Leviton Manufacturing Co., Inc. (“Leviton”). On October 16, 2020, the Sponsor closed its energy cable manufacturing operations in Chester, New York. Plan participants impacted by these transactions could elect to maintain their account with the Plan or roll over their account into another qualified plan.

Per the restated Plan documents effective February 1, 2021, in light of the termination of a significant number of Plan Participants during the 2020 Plan Year, the Sponsor has determined that a partial plan termination has occurred. Therefore, Participants who terminated employment in 2020 were deemed 100% vested regardless of their years of vesting service.

The Plan has amended effective as of May 1, 2023, to reflect the addition of Roth Elective Deferrals and In-Plan Roth Rollover features to the Plan.

##### **Plan Merger**

On December 31, 2019, the Administrative Committee of the board of directors of the Sponsor approved the merger of Nexans Investment Savings Plan (“ISP”) and AmerCable Retirement Plan (“ARP”) into the Plan with the Plan being the surviving plan. ISP and ARP were also defined contribution plans sponsored by affiliates of Nexans. The transfer of investments, notes receivable from participants, professional fees payable, and ending net assets available for benefits for the underlying trusts previously held by ISP and ARP were reflected in the Plan’s financial statements as of December 31, 2019, which is the date legal control of the trusts transferred to the Plan. On January 24, 2020, the Plan combined all investments, notes receivable from participants, and professional fees payable into one trust.

##### **Contributions**

Each year, participants may contribute from 1% to 100% of their pre-tax and after-tax annual compensation, as defined in the Plan documents. Contributions are subject to certain Internal Revenue Code limitations. The matching contribution is discretionary and determined by the Sponsor. The Plan has an auto-enrollment at 3% of employee pay. Participants do have the right to opt-out of auto-enrollment or choose a contribution level lower than 3%. The Sponsor contributes a matching contribution 100% of the first 6% of base compensation that a participant contributes to the Plan annually.

#### **1. Description of Plan (continued)**

##### **Contributions (continued)**

Additionally, the Sponsor made a mandatory contribution of 6% of total compensation paid to participants for the year ended December 31, 2023.

##### **Participant Accounts**

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, the Sponsor's matching and mandatory contributions, and an allocation of investment earnings for applicable investments of the Plan, and charged with benefit payments, if applicable, and allocations of Plan losses and administrative expenses. Allocations are based on each participant's annual earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Investments**

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty mutual funds, one common collective trust (Putnam Stable Value Fund) and six Target Date Retirement Funds as investment options for participants. Participants can also invest in a Personal Choice Retirement account, which is an individually directed brokerage account offered under the Plan through Charles Schwab. Investments in a Personal Choice Retirement accounts are not limited to the twenty-five core funds offered by the Plan, but can be invested in stocks, bonds and a wide range of mutual funds through a self-directed brokerage account.

##### **Vesting**

Participants' and employer contributions are vested immediately, plus actual earnings thereon. Special matching contributions for participants employed at the Chester, New York facility of Nexans Energy USA, Inc. have graded vesting and are fully vested after five years of service, notwithstanding the partial plan termination discussed above.

##### **Forfeited Accounts**

The Plan has a forfeiture account that can be used to reduce Sponsor contributions and pay some eligible expenses of the Plan. Sponsor contributions were reduced by forfeited non-vested amounts and Plan eligible expenses were paid from this account. On December 31, 2023, and 2022, forfeited non-vested accounts totaled \$20,660 and \$18,545, respectively.

##### **Notes Receivable from Participants**

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balances, whichever is less. The loans normally have a maximum duration of five years with payments to be made no less than quarterly. Loans used to acquire any dwelling unit which, within a reasonable time, is to be used as a principal residence of the participant shall provide for periodic repayment over a reasonable period of time that may not exceed ten years. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents. For the year ended December 31, 2023, there were no delinquent participant loans reclassified as distributions.

### 1. Description of Plan (continued)

#### Payment of Benefits

Benefits under the Plan are distributable to participants, their spouse and/or eligible dependent(s) no earlier than the earlier of separation from service, death, disability, hardship withdrawal or attainment of age 59½. A distribution to a participant made prior to attaining age 59½ may be subject to a 10% early withdrawal penalty under the Internal Revenue Code.

Effective March 28, 2005, upon separation from service if a participant's account balance is less than \$1,000, the participant can elect either a lump sum distribution or to roll the balance into another qualified plan. If the participant's account balance is greater than \$1,000, the participant can elect either a lump sum distribution, roll the balance into another qualified plan, or leave the balance in the Plan until the participant reaches retirement age. In the event of the death of a participant, the designated beneficiary (or estate, if there is no designated beneficiary on file) shall be paid a lump sum as soon as administratively possible. If the beneficiary is a legal spouse, they will have the option to leave the funds in the Plan or roll them to another qualified plan.

Further information about the Plan provisions, including information relating to benefits, is contained in the Plan's summary plan description. Copies of this description are available from the Plan Administrator.

#### Administrative Expenses

Administrative expenses of the Plan such as fees and commissions and investment management fees are charged to the Plan directly, if not paid by the Plan, they are paid by the Sponsor with no expectation of reimbursement, as provided in the Plan documents.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted

#### Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and the changes therein and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

The Plan presents in statement of changes in net assets available for benefits the appreciation (depreciation) in the fair value of investments, which consists of the realized gains and losses and the unrealized appreciation(depreciation) on these investments. The Plan's investments are stated at fair value as defined by Accounting Standards Codification ("ASC") 820, Fair Value Measurement. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan as at year-end. Investments in common collective trust funds are public investment vehicles valued using the net asset value ("NAV") as a practical expedient to fair value, as provided by the administrator of the fund. Investments in personal choice retirement accounts are valued at, or based on, quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis.

## **Notes to the Financial Statements**

### **December 31, 2023 and 2022**

---

#### **2. Summary of Significant Accounting Policies (continued)**

Dividends are recorded on the ex-dividend date. Distribution income is accounted for to the extent received.

Management fees charged to the Plan for investments in mutual funds and common collective trust funds are deducted from income earned on a daily basis and are not separately disclosed. Consequently, such management fees and operating expenses are reflected as a reduction of investment return for such investments and reflected in the net appreciation or depreciation in the fair value of investments.

##### **Notes Receivable from Participants**

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest.

##### **Benefit Payments**

Benefit payments to participants are recorded when paid.

#### **3. Exempt Party-in-Interest Transactions**

Certain plan investments are shares of mutual funds managed by Charles Schwab. Charles Schwab is the trustee, as defined by the Plan, and therefore these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are accounted for as a reduction of the return earned on each fund.

#### **4. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event the Plan is terminated, participants accounts will be distributed in accordance with plan provisions.

#### **5. Federal Income Tax Status**

The Plan has timely adopted a restated, via a non-standardized defined contribution pre-approved plan. The pre-approved plan has received an opinion letter from the IRS dated September 21, 2020, whereby the IRS stated that the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). While the Plan cannot rely on the pre-approved plan's opinion letter, the Plan administrator believes that the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be substantiated upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

In addition, the investment information in the Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, was certified by the Trustee.

### 7. Fair Value Measurements

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

#### Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access at the measurement date. Self-directed brokerage accounts are valued at the quoted market prices of their underlying investments.

- a. Self-directed brokerage accounts; and
- b. Mutual funds

# **Nexans USA Inc. 401(k) Retirement Savings Plan**

## **Notes to the Financial Statements**

### **December 31, 2023 and 2022**

---

#### **7. Fair Value Measurements (continued)**

##### **Level 2**

Inputs to the valuation methodology include:

- c. Quoted prices for similar assets or liabilities in active markets;
  - d. Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and  
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 inputs must be observable for substantially the full term of the asset or liability.

##### **Level 3**

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement levels within the fair value hierarchy are based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values due to illiquidity of investments and transaction costs. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Common collective trust funds are public investment vehicles valued using the NAV as a practical expedient to fair value, as provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments, which are traded on an active market.

The Putnam Stable Value Fund (the "Fund"), a Common/Collective Trust, seeks to provide safety of principal, adequate liquidity and competitive yield with low return volatility. The Fund is valued at the NAV, as provided by the Trustee, and is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the Fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the Fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust up to twelve months in order to ensure that securities liquidations will be carried out in an orderly business manner. The Fund has no unfunded commitments.

### **10. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as an international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **11. Exempt Party-In-Interest Transactions**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments. Fees paid by the Plan for administrative services amounted to \$99,323 and for audit services in the amount of \$19,500 for the year ended December 31, 2023.

### **12. Prohibited Transactions**

During the plan years ended December 31, 2022 and 2021, the Plan Sponsor did not remit to the plan's trust certain employee contributions including loan repayments totaling \$32,892 for 2022 and \$424,359 for 2021 within the period prescribed by Department of Labor regulations. Delays in remitting contributions to the trust were due to administrative errors, and the Plan Sponsor did calculate lost earning and made corrections to the affected participants' accounts.

### **13. Subsequent Events**

In preparing these financial statements, management performed an evaluation of subsequent events through the date the financial statements were available to be issued, to determine whether circumstances warranted recognition and disclosure of those events or transactions in the financial statements as of December 31, 2023. The Plan did not identify any subsequent events requiring recognition or measurement.
