INDEPENDENT AUDITOR'S REPORT

To the Benefits Committee of
Eckert Seamans Cherin & Mellott, LLC and the Plan Administrator
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Eckert Seamans Cherin & Mellott, LLC Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - PLAN DESCRIPTION

The Eckert Seamans Cherin & Mellott, LLC Profit Sharing Plan (Plan) is a defined contribution plan covering non-attorney staff, staff attorneys and equity members of Eckert Seamans Cherin & Mellott, LLC (Firm), who are eligible to participate in the Plan the first day of the month following employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan participants should refer to the Plan document for a complete description of the Plan.

The Firm has established a Benefits Committee to oversee administration of the Plan. The committee has the power to interpret provisions of the Plan, decide any disputes that might arise regarding the rights of the participants and, in general, direct the administration of the Plan. The trustee for the Plan is Charles Schwab Trust Bank (Charles Schwab Trust). The record-keeper for the Plan is Charles Schwab Retirement Plan Services Inc.

Contributions - Participants in the Plan may defer a percentage of their compensation by making tax-deferred and Roth contributions. The Plan includes a feature that enables each eligible individual to be automatically enrolled in the Plan at a before-tax contribution rate starting at 3%. Effective January 1, 2024, an auto-escalation feature was added to the Plan. A participant who is automatically enrolled will have their deferral percentage increased by 1% annually until their deferral percentage is equal to 7%. Total participant contributions during the Plan year are subject to applicable limits under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (i.e., rollover contributions) from other tax-qualified plans or an individual retirement account. Participants direct their contributions into various investment options offered by the Plan.

Active non-attorney staff and staff attorneys receive a Firm matching contribution made on a quarterly basis equal to 25% of their elective deferral contributions, limited to \$2,000 per participant annually. Additionally, non-attorney staff receive a Firm profit-sharing contribution based on an age and years of service formula as defined in the Plan document, which is remitted monthly. Equity members receive a Firm profit-sharing contribution based on an age and unit-weighted formula, as defined in the Plan document.

Participants Accounts - Each participant's account is credited with the participant's contributions, allocations of the Firm's matching contributions and profit-sharing contributions, Plan earnings and administrative expenses directly related to the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon enrollment, participants direct their deferral contributions and Firm profit-sharing and matching contributions into the investment options and can make unlimited changes to their options.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Firm's matching contributions and the Firm's profit-sharing contributions is based on years of continuous service. Participants are fully vested after three years of credited service.

Forfeited Accounts - At December 31, 2023 and 2022, net assets available for benefits include unallocated forfeitures of approximately \$54,000 and \$120,000, respectively. Amounts forfeited are used to reduce future Firm profit-sharing and matching contributions. In 2023, the amount of forfeited nonvested accounts applied against the Firm's profit-sharing and matching contributions for the Plan year was approximately \$177,000.

DECEMBER 31, 2023 AND 2022

NOTE 1 - PLAN DESCRIPTION (Continued)

Notes Receivable From Participants - Participants may borrow a minimum of \$1,000 from their fund accounts and a maximum not to exceed the lesser of \$50,000 or 50% of their balance. Participants can have no more than two loans outstanding at a time. Loan terms range from one to five years or up to 20 years for the purchase of a principal residence. Loans are collateralized by the participants' account balances and bear interest at the federal prime rate plus 1%. Generally, principal and interest are paid ratably to correspond with each pay period. Interest rates in effect at December 31, 2023 range from 4.25% to 9.50%.

Payment of Benefits - Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount, partial lump-sum, and quarterly and annual installments or a combination of these methods as determined by the participant, equal to the value of the participant's vested interest in his or her account. If the balance is \$1,000 or less, the account is automatically distributed in a single lump sum.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by management in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits - Benefit payments are recorded when paid.

Investment Valuation and Income Recognition - Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Capital gain distributions from mutual funds are included in interest and dividends. Other income includes net appreciation, interest and dividends on self-directed brokerage accounts.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Participant and Firm Contribution Receivables - Contributions from the Firm and participants are accrued in the period in which they become obligations in accordance with the Plan document.

Administrative Expenses - Administrative expenses of the Plan include loan fees and recordkeeping fees. Additional expenses are paid by the Firm, including audit fees, and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events - Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through September 12, 2024, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to the disclosures in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, net appreciation in fair value of investments, interest and dividends, other income, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee of the Plan's assets.

NOTE 4 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include (i) quoted prices for similar assets or liabilities in active markets; (ii) quoted prices for similar assets or liabilities in inactive markets; (iii) inputs other than quoted prices that are observable for the asset or liability; or (iv) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Money Market Funds and Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts - Self-directed brokerage accounts consist of common and preferred stock, bonds and mutual funds valued at quoted market prices.

Common Collective Trust - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value, and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2023 and 2022.

The methods described might produce a fair value calculation that might not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

The Plan's assets at fair value as of December 31, set forth by level, within the fair value hierarchy, are as follows:

		2023			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	207,049,968	-	-	\$ 207,049,968
Self-directed brokerage accounts		20,608,350	-	-	20,608,350
Money market fund		3,492,917	-	-	3,492,917
		<u>231,151,235</u>	<u>-</u>	<u>-</u>	<u>231,151,235</u>
Investments measured at net asset value - common collective trust (a)		<u>-</u>	<u>-</u>	<u>-</u>	<u>5,118,719</u>
Total assets at fair value	\$	<u>231,151,235</u>	<u>-</u>	<u>-</u>	\$ <u>236,269,954</u>
		2022			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	184,269,465	-	-	\$ 184,269,465
Self-directed brokerage accounts		18,393,363	-	-	18,393,363
Money market fund		4,649,310	-	-	4,649,310
		<u>207,312,138</u>	<u>-</u>	<u>-</u>	<u>207,312,138</u>
Investments measured at net asset value - common collective trust (a)		<u>-</u>	<u>-</u>	<u>-</u>	<u>6,438,945</u>
Total assets at fair value	\$	<u>207,312,138</u>	<u>-</u>	<u>-</u>	\$ <u>213,751,083</u>

- (a) In accordance with Accounting Standards Codification 820, certain investments that were measured at NAV per share (or its equivalent) as of December 31, 2023 and 2022 have not been classified in the fair market value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 - RELATED-PARTY TRANSACTIONS

The Firm pays for certain administrative expenses of the Plan. As Plan sponsor, the Firm is a party-in-interest and, as such, these transactions qualify as party-in-interest transactions. The Plan holds notes receivable from participants which qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by members, officers and employees of the Firm at no cost to the Plan.

ECKERT SEAMANS CHERIN & MELLOTT, LLC
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 6 - FEDERAL INCOME TAX STATUS

The Plan obtained its most recent determination letter from the Internal Revenue Service (IRS) on June 23, 2015, stating that the written form of the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken or expected to be taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Firm contributions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options that are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
