INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Broadstone Net Lease 401(k) Retirement Savings Plan
Rochester, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the Broadstone Net Lease 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Broadstone Net Lease 401(k) Retirement Savings Plan 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Broadstone Net Lease 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Auditor's Report on the 2022 Financial Statements

The financial statements as of December 31, 2022 were audited by Kasperski Dinan & Rink CPAs, LLC, who merged with Bowers & Company CPAs, PLLC as of January 1, 2024. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 2, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agreed to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented. In all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Broadstone Net Lease 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Broadstone Net Lease 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadstone Net Lease 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of end year) at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully Submitted,

**BROADSTONE NET LEASE 401(K)
RETIREMENT SAVINGS PLAN
ROCHESTER, NEW YORK**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Note 1 **Description of Plan**

The following description of the Broadstone Net Lease 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan under the provisions of Section 401(k) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is a single employer defined contribution plan sponsored by Broadstone Employee Sub, LLC (the “Company”) for the benefit of all eligible employees of the Company. The 401(k) Committee of the Plan, under the direction of the Company’s Board of Directors, is responsible for the oversight of the Plan and determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Eligibility

Employees of the Company who have completed one month of service, are twenty-one years of age or older, and are not members of an excluded employee group as defined in the Plan document, are eligible to participate in the Plan. Employees are permitted to enter the Plan on the first day of the calendar month following satisfaction of the eligibility requirements.

Contributions

Each year, participants may contribute up to 100 percent of their pretax eligible compensation, as defined in the Plan document, through payroll deductions. Participants may elect to irrevocably designate a portion or all of their contribution as a Roth 401(k) contribution that is includable in the participant’s gross income. The Plan also permits participants to make voluntary, non-deductible, after-tax contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Plan has an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contributions invested in designated funds until changed by the participant.

RETIREMENT SAVINGS PLAN
ROCHESTER, NEW YORK**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Note 1 **Description of Plan - Continued**

Contributions - Continued

In 2023 the Company made discretionary matching contributions equal to 75 percent of each participant's contribution, including catch-up contributions, up to a maximum of 4 percent of each participant's eligible compensation. Prior to January 1, 2023 the company made discretionary employer matching contributions equal to 75% of each participant's contribution, including catch-up contributions, up to a maximum of 3%. The years ended December 31, 2023 and 2022 employer matching contributions remitted to the plan amounted to \$456,247 in 2023 and \$321,081 in 2022. The Company may also make discretionary profit sharing contributions. Participants credited with at least 1,000 hours of service during the Plan year and employed on the last day of the Plan year are eligible to receive a profit sharing contribution. No profit sharing contributions were made in 2023 or 2022.

Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer discretionary matching contributions, an allocation of discretionary profit sharing contributions, if any, and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, which primarily consist of investment advisor fees and participant specific transaction fees (refer to Administrative Expense paragraph in Note 2). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of credited service. A participant is 100 percent vested after five years of credited service. Prior participants who terminated in 2020 in connection with a partial plan termination are 100% vested in their account balance.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent per annum and have maturity dates that range through 2035. Principal and interest is paid ratably through payroll deductions. Fees related to the administration of notes receivable from participants are charged directly to the specific participant's account.

Note 1 **Description of Plan - Continued**

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant will receive an amount equal to the value of the participant's vested interest in his or her account balance. For terminated participants with balances of \$5,000 or less, the Plan Administrator can automatically roll over the vested account balance into an Individual Retirement Account. Terminated participants with balances of \$1,000 or less shall have their vested account balance paid in a single lump sum distribution.

Forfeited Accounts

Forfeitures of employer matching and profit sharing contributions, if any, may first be used to pay Plan administrative expenses. Any remaining amounts may be used to reduce future employer contributions. The unused forfeitures balance was \$6 as of December 31, 2023 and \$2,304 as of December 31, 2022. Forfeitures used to pay Plan administrative expenses amounted to \$2,771 during the year ended December 31, 2023 and \$21,066 as of December 31, 2022.

Note 2 **Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and discretionary match in contributions from the plan sponsor are recorded in the year in which the employee contributions are withheld from compensation.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Note 2 Significant Accounting Policies - Continued

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Any related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded on the basis of the terms of the Plan agreement.

Excess Contribution Refund Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan refunded the excess contribution payable to participants in the first quarter of the subsequent plan year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan may be paid by the Plan or the Company. Expenses that are paid by the Company, are excluded from these financial statements and have no impact on participants' account balances.

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of the fair value of investments.

Date of Management's Review

The Plan Administrator has evaluated subsequent events for potential recognition and disclosure through October 9, 2024, the date the financial statements were available to be issued.

Note 3 Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Note 4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Money Market Funds: Valued at the daily closing price as reported by the fund.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 **Fair Value Measurements - Continued**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<i>Assets at Fair Value as of December 31, 2023</i>			
	<u><i>Level 1</i></u>	<u><i>Level 2</i></u>	<u><i>Level 3</i></u>	<u><i>Total</i></u>
Money Market Fund	\$ 147,786	\$ -	\$ -	\$ 147,786

Total Investments at Fair Value	<u>\$13,917,233</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$13,917,233</u>

	<i>Assets at Fair Value as of December 31, 2022</i>

Total Investments at Fair Value	<u>\$10,734,285</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,734,285</u>

Note 5 **Related Party Transactions and Party-In-Interest Transactions**

Certain Plan investments are managed by related parties at Fidelity Management Trust Company, the trustee of the Plan, and these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

**NOTES TO FINANCIAL STATEMENTS

Note 6 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their account balances.

Note 7 Tax Status

The Company adopted a Volume Submitter Profit Sharing Plan with the CODA feature which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. The opinion letter stated that the Plan and the related trust were designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 Risks and Uncertainties

The Plan provides for investments in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
