### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of BLT Management, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BLT Management, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BLT Management, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BLT Management, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BLT Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BLT Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at year-end) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule we evaluated whether the supplemental schedule other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BLT MANAGEMENT, LLC 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023**

#### **NOTE 1. DESCRIPTION OF THE PLAN**

The following description of the BLT Management, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

##### **GENERAL**

The Plan is a defined contribution plan covering substantially all employees of BLT Management, LLC, and its affiliates Prime Real Estate LLC, LWF LLC, LWF South LLC, Finishing Well LLC and Lookout Farms LLC (the “Company”) who have reached the age of 21. Participants become eligible for employer contributions after having completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was formed January 1, 2019.

##### **CONTRIBUTIONS**

Participants may contribute up to 100% of their earnings, limited by Internal Revenue Service regulations. Participants direct the investment of their contributions, in part or in full, into money market or mutual funds. The Plan is a safe harbor plan and the Company makes a matching contribution for each participant of 100% of the participant’s contribution up to 4% of compensation. The Company made matching contributions totaling \$335,823 in 2023 and \$348,043 in 2022.

The Company may make additional qualified non-elective contributions at its discretion. No such contributions were made in 2023 or 2022.

##### **PARTICIPANT ACCOUNTS**

Each participant’s account is credited with the participant’s pre-tax and/or after tax Roth contribution, the Company’s contribution and an allocation of Plan earnings. Earnings allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

The participant’s balance is allocated to the various investment options offered by the Plan as the participant directs.

##### **VESTING**

Participants are immediately vested in their voluntary pre-tax and/or after tax Roth (including catch-up) contributions, and Company contributions, if applicable, plus actual earnings thereon.

##### **FORFEITED AMOUNTS**

Forfeited amounts may be used to reduce future employee contributions or administrative expenses. There were no forfeited amounts in 2023 and 2022.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023**

### **NOTE 1. DESCRIPTION OF THE PLAN (continued)**

#### **PAYMENT OF BENEFITS**

On termination of service, a participant may elect to receive an amount equal to the value of his or her account, either as a lump sum, or over a period not extending beyond the life or life expectancy of the participant or the lives (or life expectancies) of the participant and his or her spouse on a joint and survivor basis. Benefits are recorded when paid.

#### **NOTES RECEIVABLE FROM PARTICIPANTS VALUATION**

Notes receivable from participants are stated at their unpaid principal balance plus accrued but unpaid interest.

#### **TERMINATED PARTICIPANTS**

The value of accumulated benefits remaining in the Plan for terminated participants as of December 31 was \$3,424,538 in 2023 and \$4,210,626 in 2022.

#### **INVESTMENT INCOME RECOGNITION**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **EXCESS CONTRIBUTIONS REFUNDABLE**

Excess employer contributions refundable are shown as a liability in the financial statements.

### **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **BASIS OF ACCOUNTING**

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **VALUATION OF INVESTMENTS**

Investments are held by AdvisorTrust, Inc. (the "Trustee") and consist of money market and mutual funds and notes receivable from participants. Investments are recorded at fair value based upon quoted market prices.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**ADMINISTRATIVE EXPENSES**

Expenses incurred by the Trustees with regard to the management of the Plan assets are paid for by the Plan. Other expenses, such as administrative and accounting fees, are paid for by the Plan, or in part by the Plan and in part by the Company.

**INSURANCE CONTRACTS/PREMIUMS**

The Plan provides participants the option for the purchase of life insurance covering a particular participant from that participant's account. These allocated contracts and the related benefit obligations are excluded from the Plan's financial statements because the purchase of the contract transfers the obligation to pay the benefits and the related risks to the insurance company.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE 3. FAIR VALUE MEASUREMENTS**

The Plan reports certain assets and liabilities at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability including assumptions about risk. Inputs may be based on independent market data ("observable inputs") or they may be internally developed ("unobservable inputs"). A three-tier hierarchy categorizes the inputs as follows:

- Level 1** Unadjusted quoted prices in active markets for identical assets.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets.

Mutual funds are valued at the fair value of shares held by the Plan at year-end based on the closing price reported on the active market on which the individual mutual funds are traded. Mutual funds are classified as Level 1 investments as of December 31, 2023 and 2022.
