INDEPENDENT AUDITORS' REPORT

October 7, 2024

To the Plan Administrator
AssetGenie, Inc. 401(k) Plan
Greensburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the AssetGenie, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the AssetGenie, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the AssetGenie, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the AssetGenie, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AssetGenie, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the AssetGenie, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ASSETGENIE, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note A – Plan Description

The following description of the AssetGenie, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan covering substantially all employees of AssetGenie, Inc., AGiRepair TX, LLC, AGiRepair, Inc., AGParts Worldwide, Inc., and Oasis Mental Health Applications Corp. (together the “Company”) who have completed sixty days of service and are age twenty-one or older, except for union, nonresident aliens, leased, part-time, temporary and seasonal employees as these are ineligible classes of employees according to the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Dunbar, Bender & Zapf, Inc. Capital Bank and Trust Company is the recordkeeper and custodian of the Plan. The administrator of the Plan and Plan Sponsor is AssetGenie, Inc.

Contributions – Plan participants may contribute up to 100% of their annual eligible compensation on a pretax and/or after-tax basis, as defined in the Plan document, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan Year are eligible to make catch-up contributions, subject to certain limitations under the IRC. Participants may also contribute rollover distributions from other qualified defined benefit or contribution plans.

Participants are eligible to receive Company 401(k) ADP test safe harbor contributions (safe harbor contributions), Company matching contributions (matching contributions), and Company nonelective contributions (nonelective contributions). Safe harbor contributions are equal to 100% of the participant's elective deferrals that do not exceed 4% of the participant's compensation. Safe harbor contributions were \$550,169 for the year ended December 31, 2023. Matching contributions may be made at the sole discretion of the Company as a discretionary percentage of a participant's compensation or a discretionary dollar amount. No matching contributions were made to the Plan for the year ended December 31, 2023. Nonelective contributions may be made at the sole discretion of the Company in the same ratio as each participant's compensation bears to the total of such compensation of all participants. To be eligible for a nonelective contribution, participants must be employed on the last day of the Plan Year, unless due to death, disability, or terminated on or after normal retirement age, and completed one year of service. No nonelective contributions were made to the Plan for the year ended December 31, 2023.

Participants direct the investment of their contributions, including Company contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentage(s) invested in each of these options or transfer funds among these options on any business day. All investments are participant-directed.

Notes Receivable from Participants – Participant loans are not permitted per the Plan document.

Participant Accounts - Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's related contributions, and the net investment income (loss) attributable to the participant's account. Participants are also charged with an allocation of administrative expenses. Allocations are based on specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Payment of Benefits - Benefits may be distributed to participants, spouses or designated beneficiaries, as appropriate, upon normal retirement (age 65), death, disability or termination of employment. The Plan does not allow for early retirement. Prior to termination of service, participants who have attained the age of 59½ may make in-service withdrawals from all vested accounts. Benefit payments are made in a single lump sum. The Plan provides for certain required minimum distributions commencing at age 72 for certain participants. The Plan provides participants may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by the Internal Revenue Service (IRS) and the requirements are strict.

ASSETGENIE, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

Note A – Plan Description (continued)

Vesting - Participants are vested immediately in their elective contributions, including rollovers, catch-up contributions and the Company safe harbor contributions and matching contributions, plus actual earnings thereon. Vesting in the Company's nonelective contributions and prior discretionary profit-sharing contributions, as allowed prior to January 1, 2022, portions of participants' accounts plus actual earnings thereon is based on years of continuous service. The vesting schedule is as follows:

Company Nonelective Contribution and Profit-Sharing Contribution

<u>Years of Service</u>	<u>Percentage of Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures - Participant account balances which are not 100% vested upon termination of services are forfeited. Forfeitures can be used to pay for Plan administrative expenses or to reduce the Company's contributions. As of December 31, 2023 and 2022 the forfeiture account balance was \$342 and \$0, respectively. For each of the years ended December 31, 2023 and 2022, no forfeitures were used to reduce administrative expenses or employer matching contributions.

Note B – Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Contributions – Participant's elective deferrals and Company contributions are recognized as additions to Plan assets in the year designated by the participant and Company, respectively.

Payment of Benefits - Benefits are recorded when paid by the Plan.

Investment Valuation and Income Recognition - Investments in all funds are presented at fair value, based on quoted market prices of the underlying securities within each fund at December 31, 2023 and 2022. Shares of mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

Note B – Summary of Significant Accounting Policies (continued)

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note G.

Plan Administrative Expenses - The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

New Accounting Standard – In June 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-13, "Measurement of Credit Losses on Financial Instruments," which amends guidance on the impairment of financial instruments. The new guidance estimates credit losses based on expected losses, modifies the impairment model for available-for-sale securities and provides a simplified accounting model for purchased financial assets with credit deterioration. In 2023 the Plan adopted the standard on a retroactive basis. The adoption of this standard had no material impact on the Plan's financial statements.

Subsequent Events – Management has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued.

Note C – Income Tax Status

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020, from the IRS that stated the Plan and related Trust are designed in accordance with applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualification. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan agreement and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax benefit if it is more likely than not the tax position would be sustained upon examination by the applicable authorities. The remainder of the tax position is required to be recorded as a tax liability. The Plan's tax returns for 2020, 2021, and 2022 are subject to examination by the taxing authorities, generally for three years after they were filed. The Plan currently has no uncertain tax positions and, therefore, no liabilities have been recorded.

Note D – Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note E – Party-in-Interest Transactions

The custodian and American Funds Service Company are both subsidiaries of The Capital Group Companies, Inc. All Plan investments represent shares of American Funds; and, therefore, these transactions qualify as party-in-interest, which are exempt from the prohibited transaction rules. Administrative fees paid by the Plan to American Funds Service Company amounted to \$8,183 and \$900 for the years ended December 31, 2023 and 2022, respectively.

Note F – Summary of Financial Data Certified by the Custodian

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022 and net appreciation (depreciation) in fair value of investments and dividend income for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Capital Bank and Trust Company, the custodian.

The custodian has certified the following investments and investment income as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Mutual Funds	\$ <u>9,666,491</u>	\$ <u>6,621,768</u>
Investment Income		
Net appreciation (depreciation) in fair value of investments	\$ 1,130,599	\$ (1,743,294)
Dividends	<u>277,666</u>	<u>342,732</u>
Certified Investment Income (Loss)	\$ <u>1,408,265</u>	\$ <u>(1,400,562)</u>

Note G – Fair Value Measurements

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note B). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTES TO THE FINANCIAL STATEMENTS**

Note G – Fair Value Measurements (continued)

If the asset or liability has a specified (contractual) term, the Level 2 inputs must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds* - Valued at the NAV of shares held by the Plan at year-end. The NAV is based upon quoted market prices.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2023				
Mutual Funds	\$ <u>9,666,491</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,666,491</u>
December 31, 2022				
Mutual Funds	\$ <u>6,621,768</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>6,621,768</u>

Note H – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their investments, including Company contributions.

Note I – Plan Amendments

During 2023, the Plan was amended removing one of the two named individual trustees.

Effective January 1, 2022, the Plan was amended and restated as part of the plan restatement cycle to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The significant changes as part of the restatement include adding a Company 401(k) ADP test safe harbor contribution, as well as altering the other Company contributions to be matching contributions and nonelective contributions. AGiRepair, Inc., AGParts Worldwide, Inc., and Oasis Mental Health Applications Corp. were added as participating employers. Also, the dollar threshold needed for participant consent for cash out distributions was increased from \$1,000 to \$5,000.
