Required Communications

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated June 6, 2024. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter. As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated June 6, 2024, regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. Significant Accounting Policies We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Area	Comments
	Significant Unusual Transactions We did not identify any significant unusual transactions.
	Management’s Judgments and Accounting Estimates Summary information about the process used by management in formulating particularly sensitive accounting estimates and about our conclusions regarding the reasonableness of those estimates is in the attached Summary of Significant Accounting Estimates.
Audit Adjustments	Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Plan are shown in the attached Summary of Recorded Audit Adjustments.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Form 5500 Filing	GAAS require that we obtain and read a draft of the Plan’s Form 5500 that is substantially complete prior to the dating of our auditor’s report in order to identify material inconsistencies, if any, with the Plan’s audited financial statements. We read the Plan’s draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.
ERISA-Required Supplemental Schedule	We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor’s report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Area	Comments
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed with or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Difficult or Contentious Matters That Required Consultation	We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.
Reportable Findings	In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings. A reportable finding is one or more of the following: • A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations. • A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process. • A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention. We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in Exhibit A.

Area	Comments
Shared Responsibilities: AICPA Independence	The AICPA regularly emphasizes that auditor independence is a joint responsibility and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For KraftCPAs PLLC to fulfill its professional responsibility to maintain and monitor independence, management, the Board of Trustees and KraftCPAs PLLC each play an important role. Our Responsibilities • AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. We are to ensure that the AICPA’s General Requirements for performing non-attest services are adhered to and included in all letters of engagement. • Maintain a system of quality management over compliance with independence rules and firm policies.

Area	Comments
Shared Responsibilities: AICPA Independence (continued)	Your Responsibilities • Timely inform us, before the effective date of transactions or other business changes, of the following: - New affiliates, directors, officers or persons in financial reporting oversight roles. - New beneficial owners of the Plan Sponsor's equity securities that have significant influence. - Change in corporate structure impacting affiliates such as add-on acquisitions or exits. • Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations. • Ensure the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, are not engaging in business relationships with us. • Inform us of any relationships involving officers, directors, or others in an accounting or financial reporting oversight role and us, us covered persons, and their close family members. • The audit committee (or equivalent) must pre-approve all audit and permitted non-audit services to be provided by the auditor.
Internal Control Matters	We have separately communicated a material weakness in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as Exhibit B.

Nyrstar Hourly 401(k) Plan

Significant Accounting Estimates

Year Ended December 31, 2023

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses its knowledge and experience about past and current events, and certain assumptions about future events. You may wish to monitor throughout the year the process used to determine and record these accounting estimates. The following summarizes the significant accounting estimates reflected in the Plan's December 31, 2023 financial statements.

Estimate	Accounting Policy	Management's Estimation Process	Basis for Our Conclusions on Reasonableness of Estimate
Fair value of mutual funds	ASC 820	Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.	We reviewed management's estimate and determined it to be reasonable based on the information provided by the Trustee.
Fair value of collective trust funds	ASC 820	Valued based on net asset value of the units of participant in the fund. The net asset value of the collective investment trust funds are valued based on audited financial information provided by the fund on the fair value of the underlying assets.	We reviewed management's estimate and determined it to be reasonable based on the information provided by the Trustee.
Contract value of investment contract	ASC 325	Contract value is the relevant measure of that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.	We reviewed management's estimate and determined it to be reasonable based on the information provided by the Trustee.

Exhibit A - Letter Communicating Material Weakness in Internal Control over Financial Reporting

To the Pension Committee (Acting as the Plan Administrator)
Nyrstar Hourly 401(k) Retirement Plan
Clarksville, Tennessee

In planning and performing our audit of the financial statements of Nyrstar Hourly 401(k) Plan (the Plan) as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

We consider the following deficiency in the Plan's internal control to be a material weakness:

Identified Deficiency in Internal Control

- ***Fiduciary Responsibilities***

Condition:

Nyrstar (the "Company") relied on Principal Life Insurance Company ("Principal") for the Plan year ended December 31, 2023 to perform various reconciliations that are the responsibility of the Plan fiduciary.

Criteria:

Plan management has the final liability when it comes to fiduciary responsibilities and must review and reconcile data to ensure that the Plan is operating effectively and in accordance with the Plan document.

Effect:

Account balances and classes of transactions may not be complete or accurate. Operational activity may not be in accordance with the provisions of the Plan.

Recommendation:

We recommend that Plan management designate responsibility to Plan Sponsor personnel to prepare various reconciliations between Principal data and Plan sponsor data. We also recommend that someone with fiduciary responsibility review the reconciliations prepared. We recommend further discussions with the auditor to determine the most effective and efficient approach.

This communication is intended solely for the information and use of the Plan Administrator, Board of Trustees, management, and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.

This representation letter is provided in connection with your audits of the financial statements of Nyrstar Hourly 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) sponsored by Nyrstar Clarksville, Inc. (the Plan Sponsor). The Plan’s financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023; and the related notes to the financial statements.

We elected to have the audits of the plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief that as of October 8, 2024:
