INDEPENDENT AUDITOR'S REPORT

The Trustees of
Opus Solutions, LLC 401(k) Retirement Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Opus Solutions, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OPUS SOLUTIONS, LLC
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Opus Solutions, LLC 401(k) Retirement Plan (the Plan) provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan maintained for the benefit of all eligible employees of Opus Solutions, LLC and related entities MAS Event + Design, LLC and Tencue Productions, Inc. (collectively, "the Company"). Employees are eligible to participate in the Plan upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments - Effective January 1, 2022, the Plan was restated through adoption of a pre-approved plan document sponsored by Schwab Retirement Plan Services, Inc. The new Plan document incorporated all existing amendments and regulatory updates in order to continue to qualify under Section 401(k) of the Internal Revenue Code (IRC). The Plan provisions were substantially unchanged by this restatement.

Contributions - Contributions consist of pre-tax and Roth elective deferrals. Employee elective deferrals are recorded in the year in which the employee contributions are withheld from compensation. Employees may voluntarily contribute up to 100% of their eligible compensation to the Plan, limited to \$22,500 and \$20,500 in 2023 and 2022, respectively, as prescribed by the IRC. Participants aged 50 and older may elect additional catch-up contributions of up to \$7,500 and \$6,500 in 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified retirement plans. Company discretionary profit sharing and matching contributions are determined annually by the Company. Matching contributions were made in 2023 and 2022. No discretionary profit sharing contributions were made in 2023 and 2022. In addition, contributions are subject to other limits under the IRC.

Participant Accounts - A separate account is maintained for each participant, which is credited with the participant's contributions, the Company's contributions and an allocation of Plan earnings and expenses. Allocation of Plan earnings is based upon participant account balances. The benefit to which a participant is entitled is the vested amount in their individual account.

Vesting - Participants are immediately vested in their voluntary contributions and actual earnings thereon. Through March 31, 2021, Participants vested in the Company's contributions at a rate of 20% per year of service and were 100% vested after five years of service. Beginning on April 1, 2021, Participants vest in the Company's contributions at the rate of 50% per year of service and are 100% vested after two years of service. Participants are also 100% vested upon death, total and permanent disability, or retirement.

Payment of Benefits - Upon termination of service or upon reaching retirement age, disability or death, a participant may elect to receive a lump-sum amount, substantially equal installments, or partial payments equal to the value of the participant's vested interest in his or her account. Additionally, prior to termination under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Account balances that are under \$1,000 may be automatically paid out at the discretion of the Company. Balances between \$1,000 and \$5,000 may be transferred to an IRA, also at the discretion of the Company.

Expenses - Administrative expenses may be paid by the Company. Expenses not paid by the Company are charged to the participants' accounts. Certain expenses of Plan administration, including computer services, professional fees, office supplies, and payroll expenses of administration and clerical personnel are provided by the Company without charge to the Plan.

Forfeitures - Forfeited accounts amounted to \$89,698 and \$2,228 at December 31, 2023 and 2022, respectively. Forfeited accounts are generally the result of contributions made to ineligible employees or unvested employer matching contributions and include earnings thereon. Forfeitures are used to reduce employer contributions or pay Plan expenses. During 2023 and 2022, \$31,826 and \$12,207, respectively, of forfeitures were used to pay Plan expenses. During 2023 and 2022, \$91,325 and \$0 of forfeitures were used to reduce employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements were prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and management and operating expenses associated with the Plan's investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Related fees are recorded as administrative expenses and expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments - Benefits are recorded when paid. Accordingly, benefits payable to persons that have elected to withdraw from the Plan but are not yet paid at year-end have not been accrued. At December 31, 2023 and 2022, there were no benefit payments due to participants.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Subsequent Events - The Plan's management has performed an evaluation of subsequent events through October 8, 2024, which is the date these financial statements were available to be issued.

NOTE 3 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's financial statements.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage account: Account primarily consists of mutual funds, exchange-traded funds, unit investment trusts and common stocks that are valued at readily determinable market prices. The self-directed brokerage account investments held by the Plan are actively traded.

Common/collective trust funds: Valued at the NAV of units held by the Plan at year end as reported by the investment managers. The fixed income common/collective trust fund is comprised primarily of fully benefit-responsive investment contracts. The NAV provided by the trustee is used as a practical expedient to estimate fair value. Units in common/collective trust funds are not publicly traded, but rather, are redeemable only by the issuer. The value of the Plan's investment in common/collective trust funds represents the value of the Plan's interests in the overall value of the common/collective trust fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust funds, the investment advisor reserves the right to temporarily delay withdrawal to ensure that securities liquidation will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Investment Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,775,896	\$ -	\$ -	\$ 7,775,896
Self-directed brokerage account	833,853	-	-	833,853
Total assets in the fair value hierarchy	<u>\$ 8,609,749</u>	<u>\$ -</u>	<u>\$ -</u>	8,609,749
Common/collective trust funds measured at NAV (a)				<u>21,756,742</u>
Total investments at fair value				<u>\$ 30,366,491</u>

	Investment Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,450,992	\$ -	\$ -	\$ 4,450,992
Self-directed brokerage account	712,401	-	-	712,401
Total assets in the fair value hierarchy	<u>\$ 5,163,393</u>	<u>\$ -</u>	<u>\$ -</u>	5,163,393
Common/collective trust funds measured at NAV (a)				<u>17,228,400</u>
Total investments at fair value				<u>\$ 22,391,793</u>

- a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investment in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively:

	December 31, 2023 Fair Value	December 31, 2022 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust funds – target date	\$ 21,443,701	\$ 17,058,674	N/A	Daily	No significant restrictions
Common/collective trust funds – fixed income	\$ 313,041	\$ 169,726	N/A	Daily	No significant restrictions

NOTE 5 – NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account. A participant may only have one loan outstanding at any given time. The loans are secured by the vested balance in the participant's account. Loans must be repaid within five years unless the loans were used to purchase a primary residence in which case the loan terms may not extend beyond 10 years from the date of the loan origination. Loans bear interest at commercially reasonable rates as determined by the Plan administrator. At December 31, 2023, interest rates ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

NOTE 6 – INFORMATION CERTIFIED BY TRUSTEE OF THE PLAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), that was certified and provided to the Plan administrator by Charles Schwab Trust Bank, the trustee of the Plan, as of December 31, 2023 and 2022 and for the years then ended. The Plan administrator has obtained certification from the trustee that such information is complete and accurate.

	2023	2022
Investments at fair value	\$ 30,366,491	\$ 22,391,793
Notes receivable from participants	\$ 90,761	\$ 66,550
Net appreciation (depreciation) in fair value of investments	\$ 4,472,893	\$ (4,153,729)
Interest and dividends	\$ 109,436	\$ 86,481
Interest income on notes receivable from participants	\$ 4,980	\$ 2,899

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in Company contributions.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments include shares of mutual funds and common/collective trust funds managed by companies related to Charles Schwab Trust Bank, the trustee and, therefore, these investments represent exempt party-in-interest transactions. Fees for investment management services are charged by the trustee at 0.07% of the average daily investment balance and are netted against investment earnings.

NOTE 9 – CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Plan provides for investments that are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participants' account balances. There were two investments that individually represented more than 10% of the investments held as of December 31, 2023 and 2022. See the Supplemental Schedule of Assets (Held at End of Year) for the complete listing of investments held as of that date.

NOTE 10 – TAX STATUS

The Plan is the adoption of a prototype non-standardized profit-sharing plan sponsored by Schwab Retirement Plan Services, Inc. The prototype plan obtained its latest opinion letter on September 21, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the prototype plan document has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 11 – PROHIBITED TRANSACTIONS

During 2023, 2022, 2020, 2019, and 2018, elective deferrals and loan repayments from the employees' payroll in the aggregate amount of \$307,002, \$212,493, \$157,796, \$56,391, and \$141,688, respectively, were not remitted to the Plan within the appropriate time period required by the Department of Labor. These transactions constitute prohibited transactions as defined by ERISA. The Company is aware of the occurrences and has taken the appropriate steps to fully correct the 2018, 2019, 2020, 2022, and 2023 occurrences in 2024.
