| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of TransRe Retirement Accumulation Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of TransRe Retirement Accumulation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior-year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 9, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

---

### 1. DESCRIPTION OF PLAN

The following brief description of the TransRe Retirement Accumulation Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information of the Plan’s provisions.

**General**—The Plan was originally established on January 1, 2010. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is designed in accordance with Internal Revenue Code (“IRC”) section 401(a). The Plan is a profit sharing plan with a discretionary contribution and allocation formula. Participants in the Plan generally include any salaried U.S. employee of Transatlantic Holdings, Inc. (“THI”) and certain of its subsidiaries (collectively, “TransRe”) who is age 18 or older. Effective January 1, 2020, the Plan was amended to exclude “highly compensated employees” from future eligibility for employer contributions. The Plan is sponsored by THI and the trustee of the Plan is Vanguard Fiduciary Trust Company (the “Trustee”). Berkshire Hathaway, Inc. is the ultimate parent of THI.

**Contributions**—TransRe may at its discretion make contributions to the Plan on behalf of each participant for each plan year. The contributions are allocated to participant accounts following a formula outlined in the Plan. Participants are not permitted or required to make contributions to the Plan. TransRe intends to make an annual contribution to the Plan account equal to 7% of the participant’s eligible compensation subject to non-discrimination rules. Eligible compensation includes base pay, commission and any regular bonus the participant receives. The eligible compensation is capped at the IRS limit.

**Participant Accounts**—A separate account is maintained for each participant. The account reflects the participant’s share of TransRe contributions and the income, realized gain or loss, and unrealized gain or loss attributable to the account. Participants are permitted to change the investments within their account on a daily basis, subject to certain limitations. All investments are participant directed. Former employees who remain participants following the end of their employment are charged a general administrative fee of \$152 annually (\$38 per calendar quarter) which is automatically deducted from their Plan account. No general administrative fee is charged to the Plan accounts of current employees.

**Vesting**—Participants become 100% vested in their account upon completion of two years of service, attainment of age 65 or death or disability, as defined by the Plan, while employed by TransRe. A participant who has not completed two years of service, attained age 65, died or become disabled as of their separation from TransRe will forfeit their account balance.

**Payment of Benefits**—Following the termination of employment with TransRe, retirement from TransRe, death or disability of a participant, or complete termination of the Plan, the participant’s vested benefits will be paid upon a request for distribution by the participant or their beneficiary as a lump sum.

**Plan Termination**—Although it has not expressed any intent to do so, THI has the right, under the Plan, to terminate the Plan at any time. In the event of termination, the accounts of the participants of the Plan would become fully vested and non-forfeitable.

**Forfeited Accounts**—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The plan document permits the use of forfeitures to either reduce future employer contributions or pay plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined by the Plan, the account will be reinstated. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$86,862 and \$71,731, respectively. During 2023, employer contributions were not reduced by forfeited nonvested accounts.

**Reclassifications**—No reclassifications and format changes have been made to prior year amounts to conform to the current year presentation.

## 2. SUMMARY OF ACCOUNTING POLICIES

**Basis of Presentation**—The accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits have been prepared under the accrual method of accounting in accordance with generally accepted accounting principles in the U.S. ("GAAP").

**Use of Estimates**—The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that affect the reported amounts and related disclosures as of the date of the financial statements and for the period covered by the financial statements. Actual results may differ materially from these estimates.

**Investment Valuation and Income Recognition**—Investments held by the Plan are stated at fair value. Shares of registered investment companies and common collective trusts are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well as investments held at year end.

**Payment of Benefits**—Benefits are recorded when paid.

**Administrative Expenses**— TransRe pays a portion of the general administrative expense of the Plan directly to Vanguard Group, Inc., an affiliate of the Trustee. See Note 1 for general administrative expenses charged to participant accounts.

**Subsequent Events**—The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued. There were no events that required recording or disclosure.

### 3. FAIR VALUE MEASUREMENTS

**Fair Value Measurements on a Recurring Basis**—The Plan measures the financial instruments included in its investment portfolio at fair value on a recurring basis. The fair value of a financial instrument is the amount that would be received to sell an asset in an orderly transaction between willing, able and knowledgeable market participants at the measurement date.

The degree of judgment used in measuring the fair value of financial instruments generally correlates with the level of pricing observability. Financial instruments with quoted prices in active markets generally have more pricing observability and less judgment is used in measuring fair value. Conversely, financial instruments traded in other-than-active markets or that do not have quoted prices have less observability and are measured at fair value using valuation models or other pricing techniques that require more judgment. An active market is one in which transactions for the asset being valued occurs with sufficient frequency and volume to provide pricing information on an ongoing basis. An other-than-active market is one for which there are few transactions, the prices are not current, price quotations vary substantially either over time or among market makers, or for which little information is released publicly for the asset being valued. Pricing observability is affected by a number of factors, including the type of financial instrument, whether the financial instrument is new to the market and not yet established, the characteristics specific to the instrument and general market conditions.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. Whenever available, the Plan obtains quoted prices in active markets for identical assets at the balance sheet date to measure fair value for investments in registered investment companies and the Vanguard Retirement Savings Trust III (“VRST”). Market price data generally are obtained from exchange or dealer markets for registered investment companies.

The Vanguard Retirement Savings Trust III (“VRST”) invests solely in the Vanguard Retirement Savings Master Trust (the “Master Trust”). The VRST publishes a daily net asset value (“NAV”) per unit and the daily NAV is available to the Plan. Plan management has determined that the VRST has a readily determinable fair value because the investment is an equity security in a structure similar to a mutual fund in which the fair value per unit is determined and published and is the basis for current transactions.

**Fair Value Hierarchy**—Assets recorded at fair value in the statement of net assets available for benefits are measured and classified in a hierarchy for disclosure purposes consisting of three levels based on the observability of inputs available in the marketplace used to measure the fair values as discussed below:

**Level 1**—Fair value measurements that are quoted prices (unadjusted) in active markets that the Plan has the ability to access for identical assets. Market price data generally is obtained from exchange or dealer markets. Assets measured at fair value on a recurring basis and classified as Level 1 consist of investments in registered investment companies or common collective trusts with readily determinable fair values.

**Level 2**—Fair value measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets in active markets and inputs other than quoted prices that are observable for the asset, such as interest rates and yield curves that are observable at commonly quoted intervals. No assets were measured at fair value on a recurring basis and classified as Level 2.

**Level 3**—Fair value measurements based on valuation techniques that use significant inputs that are unobservable. These measurements may be made under circumstances in which there is little, if any, market activity for the asset. The assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment. In making the assessment, factors specific to the asset are considered. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety. No assets were measured at fair value on a recurring basis and classified as Level 3.

The following table presents information about assets measured at fair value on a recurring basis at December 31, 2023 and 2022 and indicates the level of the fair value measurement based on the levels of the inputs used:

#### 4. INVESTMENT CONCENTRATION

Investments at fair value that represent 10% or more of the Plan's net assets as of December 31, 2023 are identified below:

**As of December 31, 2023**

|                                      |                      |
|--------------------------------------|----------------------|
| Vanguard Target Retirement 2025 Fund | \$ 5,848,037         |
| Vanguard Target Retirement 2030 Fund | 5,530,828            |
| Vanguard Target Retirement 2035 Fund | <u>4,591,980</u>     |
|                                      | <u>\$ 15,970,845</u> |

A significant change in the market value of these investments could significantly affect the net assets available for benefits.

#### 5. RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of registered investment companies and a common/collective trust managed by affiliates of the Trustee. The Trustee acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from prohibited transaction rules.

The Trustee and/or its affiliates have revenue-sharing agreements whereby certain investment managers return a portion of the investment fees to the Trustee and/or its affiliates.

#### 7. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated January 4, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "IRC") and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the

Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. CERTIFIED INVESTMENT INFORMATION**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividend income for the year ended December 31, 2023, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by the Trustee.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of TransRe Retirement Accumulation Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of TransRe Retirement Accumulation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior-year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 9, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

# TRANSRE RETIREMENT ACCUMULATION PLAN

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

---

### 1. DESCRIPTION OF PLAN

The following brief description of the TransRe Retirement Accumulation Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information of the Plan’s provisions.

**General**—The Plan was originally established on January 1, 2010. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is designed in accordance with Internal Revenue Code (“IRC”) section 401(a). The Plan is a profit sharing plan with a discretionary contribution and allocation formula. Participants in the Plan generally include any salaried U.S. employee of Transatlantic Holdings, Inc. (“THI”) and certain of its subsidiaries (collectively, “TransRe”) who is age 18 or older. Effective January 1, 2020, the Plan was amended to exclude “highly compensated employees” from future eligibility for employer contributions. The Plan is sponsored by THI and the trustee of the Plan is Vanguard Fiduciary Trust Company (the “Trustee”). Berkshire Hathaway, Inc. is the ultimate parent of THI.

**Contributions**—TransRe may at its discretion make contributions to the Plan on behalf of each participant for each plan year. The contributions are allocated to participant accounts following a formula outlined in the Plan. Participants are not permitted or required to make contributions to the Plan. TransRe intends to make an annual contribution to the Plan account equal to 7% of the participant’s eligible compensation subject to non-discrimination rules. Eligible compensation includes base pay, commission and any regular bonus the participant receives. The eligible compensation is capped at the IRS limit.

**Participant Accounts**—A separate account is maintained for each participant. The account reflects the participant’s share of TransRe contributions and the income, realized gain or loss, and unrealized gain or loss attributable to the account. Participants are permitted to change the investments within their account on a daily basis, subject to certain limitations. All investments are participant directed. Former employees who remain participants following the end of their employment are charged a general administrative fee of \$152 annually (\$38 per calendar quarter) which is automatically deducted from their Plan account. No general administrative fee is charged to the Plan accounts of current employees.

**Vesting**—Participants become 100% vested in their account upon completion of two years of service, attainment of age 65 or death or disability, as defined by the Plan, while employed by TransRe. A participant who has not completed two years of service, attained age 65, died or become disabled as of their separation from TransRe will forfeit their account balance.

**Payment of Benefits**—Following the termination of employment with TransRe, retirement from TransRe, death or disability of a participant, or complete termination of the Plan, the participant’s vested benefits will be paid upon a request for distribution by the participant or their beneficiary as a lump sum.

**Plan Termination**—Although it has not expressed any intent to do so, THI has the right, under the Plan, to terminate the Plan at any time. In the event of termination, the accounts of the participants of the Plan would become fully vested and non-forfeitable.

**Forfeited Accounts**—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The plan document permits the use of forfeitures to either reduce future employer contributions or pay plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined by the Plan, the account will be reinstated. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$86,862 and \$71,731, respectively. During 2023, employer contributions were not reduced by forfeited nonvested accounts.

**Reclassifications**—No reclassifications and format changes have been made to prior year amounts to conform to the current year presentation.

## 2. SUMMARY OF ACCOUNTING POLICIES

**Basis of Presentation**—The accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits have been prepared under the accrual method of accounting in accordance with generally accepted accounting principles in the U.S. ("GAAP").

**Use of Estimates**—The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that affect the reported amounts and related disclosures as of the date of the financial statements and for the period covered by the financial statements. Actual results may differ materially from these estimates.

**Investment Valuation and Income Recognition**—Investments held by the Plan are stated at fair value. Shares of registered investment companies and common collective trusts are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well as investments held at year end.

**Payment of Benefits**—Benefits are recorded when paid.

**Administrative Expenses**— TransRe pays a portion of the general administrative expense of the Plan directly to Vanguard Group, Inc., an affiliate of the Trustee. See Note 1 for general administrative expenses charged to participant accounts.

**Subsequent Events**—The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued. There were no events that required recording or disclosure.

### 3. FAIR VALUE MEASUREMENTS

**Fair Value Measurements on a Recurring Basis**—The Plan measures the financial instruments included in its investment portfolio at fair value on a recurring basis. The fair value of a financial instrument is the amount that would be received to sell an asset in an orderly transaction between willing, able and knowledgeable market participants at the measurement date.

The degree of judgment used in measuring the fair value of financial instruments generally correlates with the level of pricing observability. Financial instruments with quoted prices in active markets generally have more pricing observability and less judgment is used in measuring fair value. Conversely, financial instruments traded in other-than-active markets or that do not have quoted prices have less observability and are measured at fair value using valuation models or other pricing techniques that require more judgment. An active market is one in which transactions for the asset being valued occurs with sufficient frequency and volume to provide pricing information on an ongoing basis. An other-than-active market is one for which there are few transactions, the prices are not current, price quotations vary substantially either over time or among market makers, or for which little information is released publicly for the asset being valued. Pricing observability is affected by a number of factors, including the type of financial instrument, whether the financial instrument is new to the market and not yet established, the characteristics specific to the instrument and general market conditions.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. Whenever available, the Plan obtains quoted prices in active markets for identical assets at the balance sheet date to measure fair value for investments in registered investment companies and the Vanguard Retirement Savings Trust III (“VRST”). Market price data generally are obtained from exchange or dealer markets for registered investment companies.

The Vanguard Retirement Savings Trust III (“VRST”) invests solely in the Vanguard Retirement Savings Master Trust (the “Master Trust”). The VRST publishes a daily net asset value (“NAV”) per unit and the daily NAV is available to the Plan. Plan management has determined that the VRST has a readily determinable fair value because the investment is an equity security in a structure similar to a mutual fund in which the fair value per unit is determined and published and is the basis for current transactions.

**Fair Value Hierarchy**—Assets recorded at fair value in the statement of net assets available for benefits are measured and classified in a hierarchy for disclosure purposes consisting of three levels based on the observability of inputs available in the marketplace used to measure the fair values as discussed below:

**Level 1**—Fair value measurements that are quoted prices (unadjusted) in active markets that the Plan has the ability to access for identical assets. Market price data generally is obtained from exchange or dealer markets. Assets measured at fair value on a recurring basis and classified as Level 1 consist of investments in registered investment companies or common collective trusts with readily determinable fair values.

**Level 2**—Fair value measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets in active markets and inputs other than quoted prices that are observable for the asset, such as interest rates and yield curves that are observable at commonly quoted intervals. No assets were measured at fair value on a recurring basis and classified as Level 2.

**Level 3**—Fair value measurements based on valuation techniques that use significant inputs that are unobservable. These measurements may be made under circumstances in which there is little, if any, market activity for the asset. The assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment. In making the assessment, factors specific to the asset are considered. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety. No assets were measured at fair value on a recurring basis and classified as Level 3.

The following table presents information about assets measured at fair value on a recurring basis at December 31, 2023 and 2022 and indicates the level of the fair value measurement based on the levels of the inputs used:

#### 4. INVESTMENT CONCENTRATION

Investments at fair value that represent 10% or more of the Plan's net assets as of December 31, 2023 are identified below:

**As of December 31, 2023**

|                                      |                      |
|--------------------------------------|----------------------|
| Vanguard Target Retirement 2025 Fund | \$ 5,848,037         |
| Vanguard Target Retirement 2030 Fund | 5,530,828            |
| Vanguard Target Retirement 2035 Fund | <u>4,591,980</u>     |
|                                      | <u>\$ 15,970,845</u> |

A significant change in the market value of these investments could significantly affect the net assets available for benefits.

#### 5. RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of registered investment companies and a common/collective trust managed by affiliates of the Trustee. The Trustee acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from prohibited transaction rules.

The Trustee and/or its affiliates have revenue-sharing agreements whereby certain investment managers return a portion of the investment fees to the Trustee and/or its affiliates.

#### 7. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated January 4, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "IRC") and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the

Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. CERTIFIED INVESTMENT INFORMATION**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividend income for the year ended December 31, 2023, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by the Trustee.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of TransRe Retirement Accumulation Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of TransRe Retirement Accumulation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior-year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 9, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

# TRANSRE RETIREMENT ACCUMULATION PLAN

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

---

### 1. DESCRIPTION OF PLAN

The following brief description of the TransRe Retirement Accumulation Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information of the Plan’s provisions.

**General**—The Plan was originally established on January 1, 2010. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is designed in accordance with Internal Revenue Code (“IRC”) section 401(a). The Plan is a profit sharing plan with a discretionary contribution and allocation formula. Participants in the Plan generally include any salaried U.S. employee of Transatlantic Holdings, Inc. (“THI”) and certain of its subsidiaries (collectively, “TransRe”) who is age 18 or older. Effective January 1, 2020, the Plan was amended to exclude “highly compensated employees” from future eligibility for employer contributions. The Plan is sponsored by THI and the trustee of the Plan is Vanguard Fiduciary Trust Company (the “Trustee”). Berkshire Hathaway, Inc. is the ultimate parent of THI.

**Contributions**—TransRe may at its discretion make contributions to the Plan on behalf of each participant for each plan year. The contributions are allocated to participant accounts following a formula outlined in the Plan. Participants are not permitted or required to make contributions to the Plan. TransRe intends to make an annual contribution to the Plan account equal to 7% of the participant’s eligible compensation subject to non-discrimination rules. Eligible compensation includes base pay, commission and any regular bonus the participant receives. The eligible compensation is capped at the IRS limit.

**Participant Accounts**—A separate account is maintained for each participant. The account reflects the participant’s share of TransRe contributions and the income, realized gain or loss, and unrealized gain or loss attributable to the account. Participants are permitted to change the investments within their account on a daily basis, subject to certain limitations. All investments are participant directed. Former employees who remain participants following the end of their employment are charged a general administrative fee of \$152 annually (\$38 per calendar quarter) which is automatically deducted from their Plan account. No general administrative fee is charged to the Plan accounts of current employees.

**Vesting**—Participants become 100% vested in their account upon completion of two years of service, attainment of age 65 or death or disability, as defined by the Plan, while employed by TransRe. A participant who has not completed two years of service, attained age 65, died or become disabled as of their separation from TransRe will forfeit their account balance.

**Payment of Benefits**—Following the termination of employment with TransRe, retirement from TransRe, death or disability of a participant, or complete termination of the Plan, the participant’s vested benefits will be paid upon a request for distribution by the participant or their beneficiary as a lump sum.

**Plan Termination**—Although it has not expressed any intent to do so, THI has the right, under the Plan, to terminate the Plan at any time. In the event of termination, the accounts of the participants of the Plan would become fully vested and non-forfeitable.

**Forfeited Accounts**—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The plan document permits the use of forfeitures to either reduce future employer contributions or pay plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined by the Plan, the account will be reinstated. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$86,862 and \$71,731, respectively. During 2023, employer contributions were not reduced by forfeited nonvested accounts.

**Reclassifications**—No reclassifications and format changes have been made to prior year amounts to conform to the current year presentation.

## 2. SUMMARY OF ACCOUNTING POLICIES

**Basis of Presentation**—The accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits have been prepared under the accrual method of accounting in accordance with generally accepted accounting principles in the U.S. ("GAAP").

**Use of Estimates**—The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that affect the reported amounts and related disclosures as of the date of the financial statements and for the period covered by the financial statements. Actual results may differ materially from these estimates.

**Investment Valuation and Income Recognition**—Investments held by the Plan are stated at fair value. Shares of registered investment companies and common collective trusts are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well as investments held at year end.

**Payment of Benefits**—Benefits are recorded when paid.

**Administrative Expenses**— TransRe pays a portion of the general administrative expense of the Plan directly to Vanguard Group, Inc., an affiliate of the Trustee. See Note 1 for general administrative expenses charged to participant accounts.

**Subsequent Events**—The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued. There were no events that required recording or disclosure.

### 3. FAIR VALUE MEASUREMENTS

**Fair Value Measurements on a Recurring Basis**—The Plan measures the financial instruments included in its investment portfolio at fair value on a recurring basis. The fair value of a financial instrument is the amount that would be received to sell an asset in an orderly transaction between willing, able and knowledgeable market participants at the measurement date.

The degree of judgment used in measuring the fair value of financial instruments generally correlates with the level of pricing observability. Financial instruments with quoted prices in active markets generally have more pricing observability and less judgment is used in measuring fair value. Conversely, financial instruments traded in other-than-active markets or that do not have quoted prices have less observability and are measured at fair value using valuation models or other pricing techniques that require more judgment. An active market is one in which transactions for the asset being valued occurs with sufficient frequency and volume to provide pricing information on an ongoing basis. An other-than-active market is one for which there are few transactions, the prices are not current, price quotations vary substantially either over time or among market makers, or for which little information is released publicly for the asset being valued. Pricing observability is affected by a number of factors, including the type of financial instrument, whether the financial instrument is new to the market and not yet established, the characteristics specific to the instrument and general market conditions.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. Whenever available, the Plan obtains quoted prices in active markets for identical assets at the balance sheet date to measure fair value for investments in registered investment companies and the Vanguard Retirement Savings Trust III (“VRST”). Market price data generally are obtained from exchange or dealer markets for registered investment companies.

The Vanguard Retirement Savings Trust III (“VRST”) invests solely in the Vanguard Retirement Savings Master Trust (the “Master Trust”). The VRST publishes a daily net asset value (“NAV”) per unit and the daily NAV is available to the Plan. Plan management has determined that the VRST has a readily determinable fair value because the investment is an equity security in a structure similar to a mutual fund in which the fair value per unit is determined and published and is the basis for current transactions.

**Fair Value Hierarchy**—Assets recorded at fair value in the statement of net assets available for benefits are measured and classified in a hierarchy for disclosure purposes consisting of three levels based on the observability of inputs available in the marketplace used to measure the fair values as discussed below:

**Level 1**—Fair value measurements that are quoted prices (unadjusted) in active markets that the Plan has the ability to access for identical assets. Market price data generally is obtained from exchange or dealer markets. Assets measured at fair value on a recurring basis and classified as Level 1 consist of investments in registered investment companies or common collective trusts with readily determinable fair values.

**Level 2**—Fair value measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets in active markets and inputs other than quoted prices that are observable for the asset, such as interest rates and yield curves that are observable at commonly quoted intervals. No assets were measured at fair value on a recurring basis and classified as Level 2.

**Level 3**—Fair value measurements based on valuation techniques that use significant inputs that are unobservable. These measurements may be made under circumstances in which there is little, if any, market activity for the asset. The assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment. In making the assessment, factors specific to the asset are considered. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety. No assets were measured at fair value on a recurring basis and classified as Level 3.

The following table presents information about assets measured at fair value on a recurring basis at December 31, 2023 and 2022 and indicates the level of the fair value measurement based on the levels of the inputs used:

#### 4. INVESTMENT CONCENTRATION

Investments at fair value that represent 10% or more of the Plan's net assets as of December 31, 2023 are identified below:

**As of December 31, 2023**

|                                      |                      |
|--------------------------------------|----------------------|
| Vanguard Target Retirement 2025 Fund | \$ 5,848,037         |
| Vanguard Target Retirement 2030 Fund | 5,530,828            |
| Vanguard Target Retirement 2035 Fund | <u>4,591,980</u>     |
|                                      | <u>\$ 15,970,845</u> |

A significant change in the market value of these investments could significantly affect the net assets available for benefits.

#### 5. RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of registered investment companies and a common/collective trust managed by affiliates of the Trustee. The Trustee acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from prohibited transaction rules.

The Trustee and/or its affiliates have revenue-sharing agreements whereby certain investment managers return a portion of the investment fees to the Trustee and/or its affiliates.

#### 7. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated January 4, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "IRC") and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the

Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. CERTIFIED INVESTMENT INFORMATION**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividend income for the year ended December 31, 2023, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by the Trustee.
