The Audit and Risk Committee
Kennebunk Savings Bank 401(k) Plan

We are pleased to present this report related to our audit of the financial statements of Kennebunk Savings Bank 401(k) Plan (the Plan) as of and for the year ended December 31, 2023. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for the Plan's financial reporting process.

This report is intended solely for the information and use of the Plan Administrator, the Audit and Risk Committee and management and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have regarding this report. We appreciate the opportunity to continue to be of service to the Plan.

Required Communications

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under GAAS have been described to you in our engagement letter, dated May 17, 2024. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter. As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication, dated May 17, 2024, regarding the planned scope and timing of our audit and identification of a significant risk.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new policies, nor have there been any changes in existing significant accounting policies, during the current period. Significant Accounting Policies We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus. Significant Unusual Transactions We did not identify any significant unusual transactions. Management's Judgments and Accounting Estimates The Plan's financial statements do not include any significant accounting estimates.

Required Communications (Continued)

Area	Comments
Audit Adjustments	There were no audit adjustments made to the original trial balance presented to us to begin our audit.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Form 5500 Filing	GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.
ERISA-Required Supplemental Schedule	We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Required Communications (Continued)

Area	Comments
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Difficult or Contentious Matters That Required Consultation	We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.
Reportable Findings	In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan’s financial statements, but not for the purpose of expressing an opinion on the Plan’s compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan’s provisions or other specified criteria that might be considered reportable findings. A reportable finding is one or more of the following: • A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations; • A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process; and • A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management’s attention.
Shared Responsibilities: American Institute of Certified Public Accountants (AICPA) Independence	We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included a reportable finding that resulted in an internal control deficiency in the attached letter. The AICPA regularly emphasizes that auditor independence is a joint responsibility and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with AICPA independence rules. For Baker Newman & Noyes LLC (BNN) to fulfill its professional responsibility to maintain and monitor independence, management, the audit committees (or their equivalents) and BNN each play an important role. Our responsibilities: • AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. BNN is to ensure that the AICPA’s General Requirements for performing nonattest services are adhered to and included in all letters of engagement. • Maintain a system of quality control over compliance with independence rules and firm policies.

Shared Responsibilities: American Institute of Certified Public Accountants (AICPA) Independence (Continued)	Your responsibilities: • Timely inform BNN, before the effective date of transactions or other business changes, of the following: - New affiliates, directors, or officers. - Change in corporate structure impacting affiliates such as add-on acquisitions or exits. • Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors, or persons in a decision-making capacity, engaging in business relationships with BNN. • Not entering into relationships resulting in close family members of BNN covered persons, temporarily or permanently acting as an officer, director, or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.
Internal Control Matters	We have separately communicated a control deficiency that is a reportable finding in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached.

To the Audit and Risk Committee and Plan Administrator
Kennebunk Savings Bank 401(k) Plan

In planning and performing our audit of the financial statements of Kennebunk Savings Bank 401(k) Plan (the Plan) as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered relevant Plan provisions and the Plan’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s compliance with those Plan provisions or on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the Plan’s compliance with Plan provision or on the effectiveness of the Plan’s internal control.

Our consideration of relevant Plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan’s provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with Plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with Plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following is a description of an identified deficiency in internal control that we determined did not constitute a significant deficiency or material weakness:

Missed Employer Matching Contributions

We noted one participant who had not received any employer matching contributions since their enrollment in the plan in 2021. These missed contributions totaled approximately \$18,500 through May 2024. We recommend that management work with their third-party administrator (TPA) to make any necessary corrections. We further suggest management implement procedures to prevent this from occurring on future enrollments.

This representation letter is provided in connection with your audit of the financial statements of the Kennebunk Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodical examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated May 17, 2024, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
7. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties Topic* of the FASB ASC have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits date that could change materially within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances within the next year.
8. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
9. Transactions with parties-in-interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties, have been appropriately accounted for and disclosed.
10. We are responsible for determining that significant events or transactions that have occurred since the statement of net assets available for benefits date, and through the date of this letter, have been recognized or disclosed in the financial statements. No events or transactions, other than those disclosed in the financial statements, have occurred subsequent to the available date, and through the date of this letter, that would require recognition or disclosure in the financial statements. We further represent that, as of the date of this letter, the financial statements were complete in a form and format that complied with U.S. GAAP, and all approvals necessary for issuance of the financial statements had been obtained.
11. The effects of all known, actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
12. We have no intention to terminate the Plan.
13. We have properly reported and disclosed amendments to the plan instrument, if any.
14. We have no knowledge of any uncorrected misstatements in the financial statements.
15. We have requested an unsecured electronic copy of the auditors' report and financial statements and agree that the auditors' report and financial statements will not be modified in any manner.

Supplementary Information

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:

- a. We believe such schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;
- b. The methods of measurement or presentation have not changed from those used in the prior period;
- c. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information; and
- d. We will only present the ERISA-required supplemental schedule together with the audited financial statements and auditors' report thereon and will not separate the ERISA-required supplemental schedule from the audited financial statements and auditors' report thereon in any document that contains such information.

Information Provided

17. We have provided you with:
- a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - b. Additional information that you have requested from us for the purpose of the audit;
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
 - d. The currently effective version of the Plan document, the trust agreement and all related amendments. The Plan was most recently amended April 19, 2021;
 - e. A draft of the Form 5500 that is substantially complete;
 - f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;
 - g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
 - h. All minutes of the meetings of the Plan's Employee Benefit Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.
18. All transactions have been recorded in the accounting records and are reflected in the financial statements. The Plan Sponsor's management designated an individual with sufficient skills, knowledge and experience to oversee the financial statement preparation process and take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements consisting of the following procedures:
- a. Reconciliation of the general ledger accounts and trust activity and participant statements to the financial statements;
 - b. Review and approval of journal entries proposed by you, including the review of supporting documentation and explanations;
 - c. Review the adequacy of financial statement disclosure by review and approval of the disclosure checklist completed by you;
 - d. Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements; and
 - e. Applying analytical procedures to financial statements.
19. We have disclosed to you the results of our assessment of risk that the financial statement may be materially misstated as a result of fraud.
20. We have no knowledge of any fraud, or suspected fraud, affecting the Plan involving:
- a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others where the fraud could have a material effect on the financial statements.

21. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.
22. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
23. We have provided to you all documentation, including correspondence with lawyers utilized by us for any Plan matters. There are no matters that our lawyer has advised us should be considered when preparing the financial statements.
24. There are no matters that our lawyer has advised us should be considered when preparing the financial statements.
25. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
26. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.
27. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
28. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value and all liens, encumbrances or security interests have been properly disclosed.
29. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of, the Plan.
30. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.
31. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
32. There are no known instances of noncompliance, or suspected noncompliance, with laws and regulations whose effects should be considered when preparing financial statements.
33. The IRS has determined and informed the Plan Sponsor, by a letter dated June 30, 2020, that the Plan is qualified and the trust established under the Plan is tax exempt under the appropriate section(s) of the IRC. The Plan has been amended since receiving the determination letter. We have operated the Plan and trust in a manner that did not jeopardize this tax status.
34. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Reports for Fidelity Workplace Services LLC and Ceridian HCM, Inc. dated December 4, 2023 and December 13, 2023, respectively, for the twelve-month periods ended October 31, 2023 and September 30, 2023, respectively, and we believe all applicable controls are in place.
35. There are no:

- a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule;
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule;
 - c. Reportable transactions that were not disclosed in the supplemental schedule; and
 - d. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution.
37. We have received fee disclosures from all of the Plan's covered service providers, have determined that the services are necessary and have evaluated the fees and concluded they are reasonable. Furthermore, we have provided Plan participants with the required fee and investment performance details.
38. Thomas Zuke has reviewed the Checklist for Disclosures and we are satisfied that the financial statements contain all material disclosures required by generally accepted accounting principles.
39. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Very truly yours,

Kennebunk Savings Bank 401(k) Plan

INDEPENDENT AUDITORS' REPORT

The Audit and Risk Committee and Plan Administrator
Kennebunk Savings Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Kennebunk Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

1. **Description of Plan**

The following description of the Kennebunk Savings Bank 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Kennebunk Savings Bank (the Bank). Employees are eligible for participation in the Plan after attaining age eighteen. Employees are eligible to receive employer contributions after twelve months of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Employer Contributions

A participant may elect to contribute pre-tax and/or post-tax (i.e., Roth) dollars to the Plan subject to certain annual limitations. On behalf of each participant who elects to contribute to the Plan, the Bank will make a matching contribution. Effective January 1, 2018, the Plan has been amended to provide safe-harbor matching contributions to all eligible participants. The Bank will make a matching contribution equal to 100% of the first 3% and 50% of the next 2% of eligible compensation contributed to the Plan for each payroll period. All participants are eligible for the safe-harbor match after 12 months of service. Participants are always 100% vested in safe-harbor matching contributions. Participants are immediately vested in their pre-tax and post-tax contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Bank's contribution on their behalf, plus or minus any earnings or losses thereon, and investment fees and certain expenses paid out of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Repayment periods for notes to purchase a principal residence may range up to 15 years; all other note repayment periods must not exceed 5 years. Up to 50% of a participant's vested account balance not to exceed \$50,000 may be borrowed, with principal and interest repayments required. Note repayments are calculated, withheld and remitted bi-weekly. The notes are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined periodically by the plan trustee.

Payment of Benefits

Upon termination of employment, distributions are to be made as soon as administratively feasible at the participant's election. In addition, involuntary distributions of balances less than \$5,000 will be made upon termination. In-service distributions to participants who have not separated from service may be made upon obtaining the age of 59 ½. Distributions are permitted from the Plan upon death or meeting certain disability or hardship qualifications. Participant rollover distributions may be made upon request of the employee.

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

2. Summary of Significant Accounting Principles

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Interest income is recorded on the accrual basis.

Administrative Expenses

Administrative expenses for the Plan are paid by the Bank to the extent they are not paid by the Plan.

The Plan receives a quarterly revenue credit from the trustee pursuant to a Service Agreement. Such amounts can be applied towards certain Plan expenses or reallocated to eligible participant accounts.

Contributions

Participant contributions are recorded in the period in which payroll deductions are made. Employer contributions are recorded in the year of related eligible participant service.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

2. **Summary of Significant Accounting Principles (Continued)**

Risks and Uncertainties

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Management has considered transactions or events occurring through October 2, 2024, which is the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

3. **Investment in Collective Trusts**

The Plan has an investment in the Fidelity Managed Income Portfolio and the Great Gray EuroPacific Growth Trust Class R1, collective trusts, which are stated at fair value based on net asset value (NAV). NAV has been determined based on the unit value of the trust. Unit value is determined by dividing the fund's net assets based on the fair value of the underlying investments by its units outstanding at each valuation date. Certain employer initiated events may reduce the reported value of the investment in collective trusts. These events include discontinued operations, layoffs, Plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of the Plan or other events. Such events are not expected to be probable to occur.

4. **Tax Status**

A qualifying plan is one for which the employer may currently deduct contributions on its income tax return, the employee is not currently taxed on the contribution, and the plan income is not taxable.

The Plan has adopted the Fidelity Management Trust Company Non-standardized Pre-approved Profit Sharing Plan. The Internal Revenue Service (IRS) has issued a favorable opinion letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by a plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

5. **Plan Termination**

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

6. **Information Prepared and Certified by Trustee**

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has determined that the trustee meets the requirement of a qualified institution as defined by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's investments, notes receivable from participants, and related income and transactions were certified as complete and accurate.

7. **Party-In-Interest Transactions**

Certain Plan investments are shares of mutual funds, a collective trust, and a money market fund managed by Fidelity Investments, which is affiliated with Fidelity Management Trust Company, the trustee of the Plan's investment assets, and, therefore, these transactions qualify as party-in-interest transactions. The Plan received a net administrative refund of \$29,623 from Fidelity for the year ended December 31, 2023. In addition, the plan paid advisory fees to Valmark Advisers, Inc. and Strategic Advisors Inc. totaling \$24,309 and \$13,785 in 2023, respectively.

8. **Fair Value Measurement**

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

8. Fair Value Measurement (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022.

Mutual funds and money market fund: Valued daily at the quoted price reported in the active market in which the security is traded.

Collective trusts: Valued at NAV using the practical expedient. The fund has no unfunded commitments and can be redeemed daily at NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:
