Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Partners, Key Employees and Certain Non-Lawyer Staff Employees ("the Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements Years Ended December 31, 2023 and 2022

1. Plan Description

The following description of the Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Partners, Key Employees and Certain Non-Lawyer Staff Employees (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is an employee elective deferral 401(k) and defined contribution plan covering eligible employees and electing partners of Greenbaum, Rowe, Smith & Davis LLP (the "Partnership"). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA").

During the year ended December 31, 2023, there was a total of \$111,261 net transfers to Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Associates and Certain Non-Lawyer Staff Employees ("GRU").

Eligibility

All employees who are classified by the Partnership as either Partner, Non-partner who is a key employee, non-lawyer holding the position of Secretary, Para-legal professional, Timekeeping or Bookkeeping, are at least 21 years old and have completed the applicable service (as defined) are eligible for participation in the Plan. Prior to April 1, 2022, eligible individuals were permitted to enter the plan on the first day of each quarter of the plan year, after they have completed one year of service. Effective April 1, 2022, eligible individuals will be permitted to enter the Plan on the first day of any month after one complete month of service.

Contributions

Participant contributions are made on a Roth 401(k) or pre-tax basis. Participants may elect to contribute up to 100% of their compensation, subject to Plan limits and the dollar deferred and non-discrimination limitations as prescribed by the Internal Revenue Code ("IRC").

Employer matching contributions can be made at the discretion of the Partnership. There were no employer contributions during the year ended December 31, 2023.

Vesting

A participant is 100% vested in his or her salary deferral contributions plus earnings thereon. A participant becomes 100% vested in the contributions by the Partnership after three years of service.

Forfeitures

Forfeitures on non-vested amounts shall be applied to reduce employer contributions for the plan year in which such forfeitures occur. There were no forfeitures during 2023 and no forfeitures available for such application at December 31, 2023 and 2022.

Payment of Benefits

Upon normal retirement age, all amounts credited to a participant's account shall become distributable. Upon a participant's termination or as soon thereafter as is practicable, the trustee shall distribute all amounts credited to such participant's account.

Death Benefits

Upon the death of a participant before his or her retirement date, all amounts credited to such participant's account shall become fully vested. Within a reasonable period following such death, the administrator shall direct the custodian to distribute the balance of the deceased participant's account to the participant's beneficiary.

Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Partners, Key Employees and Certain Non-Lawyer Staff Employees

Participant Accounts

Each participant's account is credited with his or her deferred contributions, employer contributions and earnings thereon. Contributions are invested based on the percent allocation elected by the participant into one or more of the investment options available to the Plan.

Administrative Expenses

The Partnership paid substantially all of the administrative expenses of the Plan in 2023.

Notes Receivable from Participants

The Plan permits participants to borrow from their vested account balances in the Plan. A participant is permitted to borrow up to the lesser of \$50,000 or 50% of his or her vested account balance. Loans are measured at their unpaid principal balance plus any accrued, but unpaid interest. A loan must bear a reasonable interest rate and is collateralized by the participant's vested account balance. As of December 31, 2023, interest rates on outstanding loans ranged from 4.25% to 9.50% per annum.

ERISA Budget Account

The Plan shares in investment related revenue, which Charles Schwab Trust Bank, the custodian, receives from mutual funds or collective trusts attributable to the Plan assets invested in such mutual funds and trusts. The Plan receives a credit for the revenue share on a quarterly basis which is deposited into an ERISA Budget Account. The Company can use the funds in the account to pay for certain approved plan related expenses. During 2023, there was no activity in the account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities reported in the financial statements. Actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets in order to comply with ERISA non-discrimination rules.

Investment Valuation and Income Recognition

Plan investments are reflected in the accompanying statements of net assets available for benefits at fair value as determined by management (see Note 3). The sales and purchases of investment securities, and gains and losses on the sale of investments are recognized at the trade date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Partners, Key Employees and Certain Non-Lawyer Staff Employees

3. Fair Value Measurement

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2- Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

- Common collective trusts: The fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represents the net asset value, a practical expedient of fair value, of units held by the Plan. The common collective trusts do not have any unfunded commitments relating to their investments, or any significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.
- Mutual funds and Money market fund: Mutual funds and the money market fund are valued based on the quoted prices in an active market for each share held by the funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2023 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 32,454,802	\$ -	\$ -	\$ 32,454,802
Money market fund	2,095,927	-	-	2,095,927
Total investments in fair value heirarchy	34,550,729	-	-	34,550,729
Common collective trusts - measured at net asset value (a)	-	-	-	1,287,629
Total investments at fair value	\$ 34,550,729	\$ -	\$ -	\$ 35,838,358

Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Partners, Key Employees and Certain Non-Lawyer Staff Employees

Investments at fair value as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,441,010	\$ -	\$ -	\$ 24,441,010
Money market fund	2,030,179	-	-	2,030,179
Total investments in fair value hierarchy	26,471,189	-	-	26,471,189
Common collective trusts - measured at net asset value (a)	-	-	-	5,289,582
Total investments at fair value	\$ 26,471,189	\$ -	\$ -	\$ 31,760,771

(a) Certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Information Certified by the Custodian

The following is a summary of the investment information and notes receivable from participants regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Charles Schwab Trust Bank, the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the custodian that such information is complete and accurate.

Information relating to investments and notes receivable from participants held by the custodian at December 31, 2023 and 2022, is as follows:

	2023	2022
Investments at fair value	\$ 35,838,358	\$ 31,760,771
Notes receivable from participants	111,392	73,590
	\$ 35,949,750	\$ 31,834,361

The custodian also certified the following for the year ended December 31, 2023:

Net appreciation in fair value of investment	\$ 4,715,348
Dividend and interest income	\$ 934,245
Interest on notes receivable from participants	\$ 3,335

5. Tax Status

The Plan obtained its latest determination letter on September 15, 2004, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Greenbaum, Rowe, Smith & Davis LLP 401(k) Plan and Trust for Partners, Key Employees and Certain Non-Lawyer Staff Employees

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

6. Party-In-Interest Transactions

Charles Schwab Trust Bank, the custodian of the Plan, manages certain plan investments; therefore, these transactions qualify as party-in-interest transactions. Fees paid to the custodian by the Plan for management services amounted to \$43,801 for the year ended December 31, 2023.

7. Risk and Uncertainties

The Plan's investments are concentrated in funds that invest in marketable securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

8. Plan Termination

Although it has not expressed any intention to do so, the Partnership has the right to terminate the Plan subject to the provisions set forth in ERISA. Whole or partial termination of the Plan shall result in the full and immediate vesting of discretionary contributions and earnings thereon. Each participant is entitled to full distributions of such amounts.

9. Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.
