CTI III LLC 401(K) PROFIT SHARING PLAN AND TRUST

FINANCIAL STATEMENTS
DECEMBER 31, 2023
TOGETHER WITH
INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To the Plan Committee and Plan Administrator of
CTI III LLC 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the financial statements of CTI III LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CTI III LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8, to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CTI III LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTI III LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CTI III LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CTI III LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

The accompanying statement of net assets available for benefits of CTI III LLC 401(k) Profit Sharing Plan and Trust as of December 31, 2022 was not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on it.

Other Matters – Supplemental Schedules Required by ERISA

The Supplemental Schedule I, “Schedule H, Line 4i – Schedule of Assets (Held at End of Year)” as of December 31, 2023, Schedule II, “Schedule H, Line 4a – Schedule of Delinquent Participant Contributions” for the year ended December 31, 2023, and Schedule III, “Schedule H, Line 4a – Schedule of Delinquent Participant Contributions” for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CTI III LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

1. Description of Plan

The following description of the CTI III LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of CTI III, LLC (the "Company") who have ninety days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions -- Each year, participants may contribute up to 100 percent of pretax and after-tax annual compensation, as defined in the Plan. Contributions are subject to IRS limitations and are not to exceed \$22,500 in 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$7,500 during the year ended December 31, 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover"). The annual base salary for purposes of the Plan is limited by the Internal Revenue Code (the "Code") to \$330,000 during the year ended December 31, 2023. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes safe harbor matching contributions equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation plus 50% of the amount of the participants' elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. The Company may also make nonelective contributions.

The Plan provided for a Qualified Automatic Contribution Arrangement (QACA) through December 31, 2022 and was terminated on January 1, 2023. The Plan did not provide for automatic escalation of contributions.

Participant Accounts -- Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The participant may designate the way in which contributions and employer contributions are invested and may change investment designations at any time.

Participants may elect to have all elective deferrals invested in a single investment fund or in any combination of available investment funds. The Company has no authority over the management of these participants' accounts.

Vesting -- Participants are vested immediately in their elective deferral contributions and the Company's safe harbor matching contributions plus actual earnings thereon. The participant's vesting in the non-elective contribution portion of their accounts plus earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits -- On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a certain period as defined by the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants -- Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Forfeitures -- As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$4,631 and \$4,853, respectively. These accounts will be used to reduce future employer contributions. Also, in 2023, employer contributions were reduced by \$66,900 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting -- The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates -- The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition -- Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 5 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants -- Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Excess Contributions Payable -- Amounts in excess of amounts needed for Company matching contributions are recorded as a liability with a corresponding reduction to the matching contributions. The Plan had excess contributions payable of \$10,903 and \$54,057 as of December 31, 2023 and 2022, respectively. The Plan distributes and deposits the excess matching contributions to the forfeiture account in the subsequent year.

Payment of Benefits -- Benefits are recorded when paid.

Expenses -- Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

4. Stable Value Common Trust Fund

The Plan entered into a benefit responsive investment contract with T. Rowe Price, called the T. Rowe Price Stable Value Common Trust Fund, totaling \$14,313 and \$ 96,510 as of December 31, 2023 and 2022, respectively. All investment contracts held by the trust are entered into directly between the trust and the issuer of the contract and are nontransferable. Permitted participant-initiated withdrawals refer to withdrawals from the trust by an employer-sponsored defined contribution plan directly as a result of participant transactions allowed by the plan, such as participant withdrawals for benefits, loans, or transfers to other funds or trusts within the plan.

Synthetic Investment Contracts -- SICs consist of (1) units of a collective investment trust and/or a portfolio of underlying assets owned by the trust and (2) a wrap contract issued by a financially responsible third party, typically a bank, insurance company, or other financial institution. The issuer of the wrap contract provides for unscheduled withdrawals from the contract at contract value, regardless of the value of the underlying assets, in order to fund permitted participant-initiated withdrawals from the trust. SICs provide for a variable crediting rate, which typically resets at least quarterly, and the issuer of the wrap contract provides assurance that future adjustments to the crediting rate cannot result in a crediting rate less than zero. The crediting rate is based, in part, on the relationship between the contract value and the market value of the underlying assets, as well as previously realized gains and losses on underlying assets. The crediting rate generally will reflect, over time, movements in prevailing interest rates. However, at times, the crediting rate may be more or less than prevailing rates or the actual income earned on the underlying assets. In most synthetic structures, realized and unrealized gains and losses on the underlying investments typically are not reflected immediately in the net assets of the trust but rather are amortized either over the time to maturity or the duration of the underlying investments, through adjustments to the future interest crediting rate. The degree of any increase or decrease in the crediting rate will depend in part on the amount of the contract/market value difference as well as the duration and yield of the trust's portfolio. The crediting rate may also be affected by increases and decreases in the amount of assets underlying a wrap contract resulting from participant-initiated unit holder contributions to and withdrawals from the trust. To the extent a SIC's crediting rate exceeds current market interest rates (e.g., when net gains have been realized or the market value of underlying assets is greater than contract value), the trust has a deferred benefit that, generally, withdrawing unit holders will not receive. Similarly, to the extent a SIC's crediting

rate is below prevailing interest rates (e.g., when net losses have been realized or the market value of underlying assets is less than contract value), the trust has deferred recognition of losses that, generally, incoming unit holders will bear through reduced future crediting rates.

Limitations on Contract Value Transactions and Fully Benefit-Responsive Status of Contracts -- The existence of certain conditions can limit the trust's ability to transact at contract value with the issuers of its investment contracts. Specifically, any event outside the normal operation of the trust that causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, partial or complete legal termination of the trust or a unit holder, tax disqualification of the trust or a unit holder, and certain trust amendments if the issuers' consent is not obtained.

In addition to the limitations noted above, issuers of investment contracts have certain rights to terminate a contract and settle at an amount that differs from contract value. For example, certain breaches by the trust of its obligations, representations, or warranties under the terms of an investment contract can result in its termination at market value, which may differ from contract value. Investment contracts also may provide for termination with no payment obligation from the issuer if the performance of the contract constitutes a prohibited transaction under ERISA or other applicable law, if the trust or the trustee suffers an insolvency, or if there is a change in law or accounting standards that makes it impermissible to account for an investment contract on a contract value basis. SICs also may provide issuers with the right to reduce contract value in the event an underlying investment suffers a credit event or the right to terminate the contract in the event certain investment guidelines are materially breached and not cured.

There is also no guarantee that the trust will always be able to have SICs in place with respect to its fixed income securities or that it will be able to invest the desired portion of its assets in investment contracts that are fully benefit responsive. A contract issuer may suffer a bankruptcy or other significant credit event that causes the trust to no longer be permitted to utilize contract value for such contract. In the event a replacement from another issuer cannot be secured, the trust will have to recognize currently the fair value of certain assets, possibly including the contract and/or underlying assets. These values may be less than contract value and could result in a loss of principal and/or reduction in earnings with respect to unit holders' investment in the trust.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and other inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022 respectively.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy - Mutual Fund	<u>\$ 7,010,080</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,010,080</u>
Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy - Mutual Fund	<u>\$ 4,375,452</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,375,452</u>

6. Related-Party Transactions and Party-In-Interest Transactions

Certain Plan investments are managed by T. Rowe Price, the custodian of the Plan. During the year ended December 31, 2023, the Plan paid \$39,792 to T. Rowe Price Retirement Plan Services, Inc., the recordkeeper of the Plan and subsidiary of T. Rowe Price. These transactions qualify as party in interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA. In the event of the Plan termination, participants would become 100% vested in their employer contributions.

8. Summary of Information Certified By Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

9. Income Tax Status

The Internal Revenue Service stated in an advisory letter dated June 30, 2020 that the Prototype Standardized Plan (the prototype plan of DST Retirement Solutions, LLC upon which the Plan is based) qualifies under Section 401 (a) of the Code and the related trust is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the advisory letter, the plan administrator believes that the Plan is currently operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or any other taxing agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes there are no uncertain tax positions relating to the Plan as of December 31, 2023.

10. Nonexempt Prohibited Transactions and Other Compliance Matters

The Company failed to remit to the Plan's asset custodian certain employee contributions and loan repayments totaling \$235,634 and \$1,625 within the period prescribed by the Department of Labor regulations during the years ended December 31, 2023 and 2022, respectively. The lost earnings on these late remittances in 2023 and 2022 totaling \$591.88 and \$53.70, respectively, were remitted to the Plan for allocation to the affected participants on June 6 and August 5, 2024 and June 21, 2023, respectively.

11. Reconciliation of Plan Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 7,129,900	\$ 4,516,804
Add: Excess contributions payable	10,903	54,057
Less: Contributions receivable	<u>(79,833)</u>	<u>(80,175)</u>
Net assets available for benefits per the Form 5500, Schedule H	<u>\$ 7,060,970</u>	<u>\$ 4,490,686</u>

The following is a reconciliation of the net increase in net assets per the financial statements for the year ended December 31, 2023 to Form 5500:

	<u>2023</u>
Net increase in net assets available for benefits per the financial statements	\$ 2,613,096
Less: Excess contributions for the year ended December 31, 2022	(54,057)
Contributions receivable for the year ended December 31, 2023	(79,833)
Add: Excess contributions for the year ended December 31, 2023	10,903
Contributions receivable for the year ended December 31, 2022	<u>80,175</u>
Total net income per Form 5500, Schedule H	<u>\$ 2,570,284</u>

12. Subsequent Events

The Plan has evaluated subsequent events through October 10, 2024 the date the financial statements were available to be issued and, except as discussed in Note 10, noted no other subsequent events which would have an impact on the Statements of Net Assets Available for Benefits and the related Statement of Changes in Net Assets Available for Benefits or require disclosure in the notes to financial statements.
