INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Brown Physicians, Inc. 401(a) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Brown Physicians, Inc. 401(a) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan

The following description of the Brown Physicians, Inc. 401(a) Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, originally established as the University Surgical Associates, Inc. Pension Plan (USA Plan), a defined contribution plan for the benefit of all employees of University Surgical Associates, Inc. (d/b/a Brown Surgical Associates) (BSA) on September 23, 1982, was amended and restated on October 1, 2015 and further amended on October 1, 2020 to change its year end to December 31. Effective January 1, 2021, the USA Plan was amended and restated to become the Brown Physicians, Inc. 401(a) Plan. The Plan Sponsor changed from BSA to Brown Physicians, Inc. (BPI). The amended and restated Plan constitutes a controlled group plan for the benefit of the employees of BPI and the BPI founding members (Employers). The BPI founding members include:

- BSA
- Brown Medicine (BM)
- Brown Emergency Medicine (BEM)
- Brown Urology, Inc. (BUI)
- Brown Dermatology, Inc. (BDI)
- Brown Neurology, Inc. (BNI)

The Plan provides for retirement, disability and death benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor serves as Administrator of the Plan. As Administrator, BPI instructs the trustee to execute transactions such as benefit payments to participants as well as establish investment options and any such changes in those investment options. Fidelity Management and Trust Company (Fidelity) is the appointed trustee of the Plan and acts at the direction of the Plan Administrator.

Contributions

BPI and the founding members provide employer non-elective discretionary contributions to the Plan. The amount of employer contributions is determined annually by each founding members' board of trustees.

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

During 2023, BPI and the founding members made employer non-elective discretionary contributions to the Plan as follows:

BPI: Participants will receive a non-elective discretionary contribution equal to 10% of the participant's credited 2023 compensation up to \$330,000.

BSA: Participants will receive a non-elective discretionary contribution equal to 12.12% (physicians), 11.0% (physician assistants and nurse practitioners) or 9.0% (exempt and non-exempt employees) of the participant's credited 2023 compensation up to \$330,000 or a maximum employer contribution of \$40,000.

BM: Participants will receive a non-elective discretionary contribution equal to 10% (exempt employees) or 7% (non-exempt employees) of the participant's credited 2023 compensation up to \$330,000.

BEM: Participants will receive a non-elective discretionary contribution equal to 16% of the participant's credited 2023 compensation up to \$330,000.

BUI: Participants will receive a non-elective discretionary contribution equal to 5% of the participant's credited 2023 compensation up to \$330,000.

BDI: Participants will receive a non-elective discretionary contribution equal to 5% of the participant's credited 2023 compensation up to \$330,000.

BNI: Participants will receive a non-elective discretionary contribution equal to 10% of the participant's credited 2023 compensation up to \$330,000.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (Rollovers).

Participants direct the investment of their employer contributions and rollovers from other qualified plans into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with their respective employer's contribution, rollovers from other qualified plans and an allocation of the Plan's earnings/losses and any expenses incurred. Allocations are based on each participant balance as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022**

Vesting

Participants are immediately vested in their rollover contributions, plus the allocation of Plan earnings on those contributions at the time of allocation. Participants are immediately vested in all accounts upon death, disability or attainment of retirement age. Participants become 100% vested in the Employer's contributions and the allocation of Plan earnings on those contributions after providing three years of service, except for the following special provisions which exist for certain employees of BM, BUI, BNI and BEM:

- Participants in the Brown Physicians, Inc. 403(b) Plan, who were employed by BM on or before September 1, 2021, shall be 100% immediately vested under this Plan.
- Participants from the University Urological Associates, Inc. 401k Retirement Plan, who were employed by BUI on or before September 1, 2021, shall vest in accordance with the 3-year cliff schedule above or the 2-6 year graded schedule (20% each year), whichever produces the higher vesting percentage.
- Participants from the BNI 401(k) Retirement Plan, who were employed by BNI on or before September 1, 2021, shall vest in accordance with the 3-year cliff schedule above or the 1-4 year graded schedule (25% each year), whichever produces the higher vesting percentage.
- Participants from the BEM 401(k) Plan shall vest in accordance with the 1-5 year graded schedule (20% each year).

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have one loan outstanding at any given time between both this Plan and the Brown Physicians, Inc. 403(b) Plan. The term shall not exceed five years; however, longer terms may be allowed for the purchase of a primary residence. The notes are secured by the vested balances in the participants' accounts and bear interest at a rate which is commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of employment, death, disability or retirement, a participant may elect to receive a lump-sum amount, partial withdrawal of the participant's account, or a qualified joint and 50% survivor annuity (in the case of death). Participants who have attained age 59½ may elect to withdraw amounts in their account, other than from transfers, while still employed by the Employers. Participants, by written request to the Employers, may request a financial hardship withdrawal from accounts consisting of elective deferrals only, subject to the limitations imposed by the Internal Revenue Code.

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

If a participant's vested account balance is equal to or less than \$1,000, the participant will receive an immediate cash-out of their vested account balance, and the non-vested portion shall be treated as a forfeiture. If a participant's vested balance exceeds \$1,000 and is equal to or less than \$5,000, the amount will be distributed in cash or rolled over to an individual retirement account designated by the Plan Sponsor, unless otherwise directed by the participant.

Forfeitures

Forfeitures are created when participants terminate employment before becoming fully vested in their accounts. Forfeitures may be used to reduce employer contributions or pay administrative expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$137,454 and \$582,077, respectively. During 2023, \$772,349 of forfeitures were used to offset employer non-elective discretionary contributions.

Plan Termination

The Plan Sponsor expects to continue the Plan indefinitely. However, the Plan Sponsor reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would be entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Interest income on participant notes receivable is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Contributions

Employer non-elective discretionary contributions are remitted to the Plan periodically by each Employer. Amounts not remitted by year end are recorded as a receivable.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan Sponsor, unless the Plan Sponsor directs that such expenses be paid by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan held one and two investment(s) that accounted for approximately 13% and 23% of total plan investments as of December 31, 2023 and 2022, respectively.

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through October 7, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Money Market Fund: The carrying amount of money market funds is deemed to be a reasonable estimate of fair value.

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed Brokerage Accounts: Valued based on the closing price reported of similarly traded investments on the active market on which the individual securities are traded. This account consists of common stock, preferred stock, mutual funds and federal bonds. The self-directed brokerage accounts held by the Plan are deemed to be actively traded.

Common Collective Trust Fund: Common collective investment trusts are composed of nonbenefit-responsive investment funds that invest in open-end mutual funds and a common collective investment trust that has investments in fully benefit-responsive investment contracts. These investments are valued at NAV of units held by the Plan. The NAV, as provided by Wells Fargo Bank, N.A., is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trusts less its liabilities.

This practical expedient would not be used when it is determined to be probable that the trusts will sell the investment for an amount different than the reported NAV. Unit values are determined by dividing the trust's net assets at fair value by its units outstanding at the valuation dates. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments or redemption restrictions for the individual participants within the Plan, however, there is up to a 12-month redemption for this investment at the Plan level.

As of December 31, 2023 and 2022, the Plan's investments in the money market fund, mutual funds and self-directed brokerage accounts are reported at level 1 within the fair value hierarchy.

BROWN PHYSICIANS, INC. 401(a) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

- (a) In accordance with Subtopic 820-10, the common collective trust fund was measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

4. Income Tax Status

The Plan is an adoption of a volume submitter plan which received an advisory letter from the Internal Revenue Service (IRS) on June 30, 2020. The Plan has been amended subsequent to receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Summary of Information Certified by the Trustee

The following is a summary of financial information and data certified by the trustee, Fidelity:

Statements of Net Assets Available for Plan Benefits at December 31, 2023 and 2022, except for employer contributions receivable;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023; and

Investment information provided on the supplemental Schedule of Assets (Held at End of Year) at December 31, 2023.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

7. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held and managed by Fidelity, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Fidelity for administrative services totaling \$10,108 for the year ended December 31, 2023. Participant notes receivable also qualify as party-in-interest transactions.
