INDEPENDENT AUDITORS' REPORT

To the Plan Administrators
Landmark Hotel Group 401(k) Plan
Virginia Beach, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Landmark Hotel Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Landmark Hotel Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing principles generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Landmark Hotel Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Landmark Hotel Group 401(k)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Landmark Hotel Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Landmark Hotel Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LANDMARK HOTEL GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 1 - PLAN DESCRIPTION:

The following description of the Landmark Hotel Group 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering a substantial number of employees of Landmark Hotel Group, LLC (the Company). The Plan was established on April 1, 2003, and most recently restated as of January 1, 2022. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility:

Regular employees aged 21 and over are eligible to participate in the Plan after one year of employment.

Contributions:

Upon becoming a member of the Plan, participants may elect to contribute up to the lesser of the legal limit established under the Internal Revenue Code or up to 100% of compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to designate all or any portion of their elective deferrals as Roth Elective Deferral Contributions. The Company may make annual discretionary matching and profit-sharing contributions to eligible participants. For the years ended December 31, 2023 and 2022, the Company made \$79,180 and \$87,844, respectively, in matching contributions to the Plan. No profit-sharing contributions were made to the plan for the years ended December 31, 2023 and 2022.

Participant Accounts:

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, and Plan earnings. Participant accounts are charged for certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The value of participant accounts will fluctuate with the market value of the securities in which the accounts are invested.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Participant vesting in the Company's matching and profit-sharing contributions portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Payment of Benefits:

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive the value of the participant's vested interest in his or her account as a lump-sum distribution. In-service withdrawals are allowed for participants who have attained age 59 ½ or for financial hardship.

Forfeited Accounts:

Forfeitures of non-vested account balances may be used to reduce administrative expenses of the Plan and employer's contributions to the Plan. At December 31, 2023 and 2022, forfeited non-vested accounts available to the Plan totaled \$3,934 and \$4,807, respectively. During 2023 and 2022, forfeitures in the amounts of \$8,948 and \$9,000, respectively, were used to reduce administrative expenses of the Plan and employer's contributions to the Plan.

LANDMARK HOTEL GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 1 - PLAN DESCRIPTION (Continued):

Administrative Expenses:

Expenses of maintaining the Plan are paid by the Plan or the Company, as directed by the Plan document. Those expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Expenses relating to specific participant transactions, such as distributions, are charged directly to the participant's account.

Investment Elections:

Each participant may direct their account balances into one or more of the mutual fund investment options offered by the Plan. A participant may change their allocations and may transfer all or a portion of the value of their account among the fund options at any time.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan have been prepared using the accrual method of accounting from information supplied by the Company, the Plan administrator and the trustee in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. In accordance with the policy of stating investments at market value, net unrealized gains or losses are taken into income each year. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions:

Contributions from participants are recorded when the Company makes payroll deductions. Discretionary employer contributions are determined, funded and recorded annually. Contributions receivable represent amounts not yet deposited into the participants' individual accounts.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan that had not been paid at December 31, 2023 and 2022.

LANDMARK HOTEL GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained certification from John Hancock Life Insurance Company, the custodian, as of and for the years ended December 31, 2023 and 2022, that all of the following information relating to the Plan's investments is complete and accurate:

	2023	2022
Cash and equivalents	\$ 3,934	\$ 4,807
Investment in pooled separate accounts (at fair value)	\$ 2,295,668	\$ 1,791,187
Net appreciation (depreciation) in fair value	\$ 338,677	\$ (345,106)

NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts: Pooled separate accounts (PSA) contain observable Level 1 quoted pricing inputs or quoted prices for similar assets in active or non-active markets. While some pooled separate accounts may have publicly quoted pricing inputs (Level 1), the account values of PSAs are not classified in the fair value hierarchy since they are not publicly quoted and the investments may be redeemed at their net asset values (NAV) as of the measurement date. The NAV is based on the value of the underlying assets owned by the PSA, minus any liabilities, and then divided by the number of shares outstanding. The following categories are included in the PSAs:

- Large U.S. equity: Seeks to provide long-term growth of capital by primarily investing in companies with large market capitalizations.
- Mid U.S. equity: Seeks to provide long-term growth of capital by primarily investing in companies with medium market capitalizations.
- Small U.S. equity: Seeks to provide long-term growth of capital by primarily investing in companies with small market capitalizations.
- International equity: Invests the majority of assets in securities of companies with small to medium market capitalizations that meet the following criteria: (1) principal place of business or principal office is located in emerging market countries or outside of the United States; (2) principal securities are traded in an emerging market or on a foreign exchange; and (3) derive 50 percent or more of their total revenue from goods or services produced in emerging market countries or produced or sold outside of the United States.
- Fixed income: Seeks to provide current income and, as a secondary objective, capital appreciation. Under normal circumstances, the fund invests at least 80% of its net assets in bonds or other debt securities at the time of purchase.
- Target date: Seeks to provide a total return consisting of long-term growth of capital and current income according to an asset allocation strategy designed for investors having a retirement investment goal close to the target date specified.

The Plan's investments measured at fair value on a recurring basis as of December 31, 2023 were as follows:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value ^(a)	-	-	-	2,295,668
Investments at fair value	\$ -	\$ -	\$ -	\$ 2,295,668

LANDMARK HOTEL GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued):

The Plan's investments measured at fair value on a recurring basis as of December 31, 2022 were as follows:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value ^(a)	-	-	-	1,791,187
Investments at fair value	\$ -	\$ -	\$ -	\$ 1,791,187

(a) Includes pooled separate accounts which are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statements of net assets available for benefits.

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$338,677 and (\$345,106), respectively.

NOTE 5 - PLAN TERMINATION:

Although the Company has not expressed any intention to do so, it has the right under the terms of the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Employee Retirement Income Security Act of 1974. Upon termination of the Plan, each participant is then 100% vested in their employer contributions.

NOTE 6 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST:

At December 31, 2023 and 2022, the Plan held units in various pooled separate accounts sponsored by John Hancock, the Plan custodian. These transactions qualify as allowed party-in-interest transactions under the provisions of ERISA. In addition, the Plan paid John Hancock \$7,505 and \$16,329 in fees and commissions related to administrative services for the years ended December 31, 2023 and 2022, respectively.

NOTE 8 - TAX STATUS:

The Internal Revenue Service has determined and informed the prototype plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the prototype plan has been amended since receiving the determination letter, the Plan administrator and the prototype plan sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

LANDMARK HOTEL GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 8 - TAX STATUS (Continued):

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - SUBSEQUENT EVENTS:

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 8, 2024, the date that the financial statements were available to be issued.

In December, 2022, Congress passed the Setting Every Community Up for Retirement Enhancement 2.0 Act (SECURE 2.0 Act). Many of the provisions of the SECURE 2.0 Act were effective immediately upon passage of the law, while others will become effective in subsequent years. The SECURE 2.0 Act will have wide-reaching effects and will require significant changes to plan administration and recordkeeping.
