Independent Auditors' Report

The Plan Trustees
Chestnut Dental Associates, P.C.
Profit Sharing Plan
Needham, Massachusetts

Opinion

We have audited the financial statements of the Chestnut Dental Associates, P.C. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

¹ In certain jurisdictions, CBIZ CPAs P.C. operates under its previous name, Mayer Hoffman McCann P.C.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CHESTNUT DENTAL ASSOCIATES, P.C. PROFIT SHARING PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of the Chestnut Dental Associates, P.C. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a cash deferral arrangement that was most recently restated on January 1, 2015. The Plan covers substantially all employees, except union employees and leased employees ("Participants"). Employees of Chestnut Dental Associates, P.C. (the "Employer") become eligible to participate in the Plan on the first day of the month following the completion of three months of service and attaining 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Substantially all investments are participant-directed.

Participant Contributions

Each Plan year, participants may elect to defer up to 100% of their compensation, subject to dollar limits set by Federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("Participant Rollovers").

Employer Safe Harbor Contributions

The Employer makes safe harbor matching contributions to the Plan. The Employer will contribute an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation up to 5% of the participant's compensation, as defined in the Plan.

Employer Non-Elective Profit Sharing Contributions

The Employer, at its discretion, may also determine an amount to be contributed as a profit sharing contribution subject to limitations imposed by Federal law. Allocations are made to eligible participants as defined by the Plan. To be eligible for a profit sharing contribution, a participant must be credited with at least 1,000 hours of service during the Plan year. For the year ended December 31, 2023, the Employer elected not to contribute a profit sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of: (a) the Employer contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balances.

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Vesting

Participants are always fully vested in their voluntary contributions, rollover accounts, Employer Safe Harbor Matching contributions plus actual earnings thereon. A participant begins vesting in the Employer non-elective contributions plus earnings thereon after 2 years of service and becomes 100% vested after 6 years of service. A participant also becomes fully vested upon reaching normal retirement age or due to death or total and permanent disability.

Payment of Benefits

Prior to termination of service, a participant may elect to withdraw any rollover contributions that have been made into the Plan. In-service withdrawals from a participant's vested account are permitted upon reaching age 59½. Hardship withdrawals are not permitted by the Plan. Upon termination of service, retirement, death or disability, a participant may elect to receive a lump-sum payment equal to the vested account balance. If a participant's vested account at severance from employment is less than \$5,000, and the participant does not make an election, the Plan administrator has the ability to automatically distribute the account balance to an Individual Retirement Account on behalf of the participant.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may have two loans outstanding at a time. Loan terms are up to five years, or longer, if for the participant's principal residence. The loans are secured by the balance in the Participant's account and bear interest at a reasonable rate of interest at the prime interest rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan.

Forfeitures

A participant who leaves the employment of the Employer forfeits any non-vested balance at the earlier of five one-year breaks in service or the distribution of the participant's entire vested account. Forfeited balances are used to reduce future Employer contributions or pay Plan expenses. At December 31, 2023 and 2022, there were no forfeited non-vested amounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Unit Values

Individual participant accounts for the common/collective trusts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined. Participants' accounts are charged or credited with the number of units attributable to each participant.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Benefits Paid

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Employer has evaluated subsequent events through October 8, 2024, the date that the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

Note 3 - Investments

Plan investments include shares of mutual funds and units of common/collective trusts. The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on the participant's risk tolerance. Participants may direct their contributions as well as Employer contributions to any of several investment options.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CHESTNUT DENTAL ASSOCIATES, P.C. PROFIT SHARING PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by each fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Units in Common/Collective Trust Funds

Valued at the NAV of the units of a common/collective trust. The NAV, as provided by the custodian, is used as a practical expedient for estimating fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Based on the fair value hierarchy levels, the investments held by the Plan as of December 31, 2023 and 2022 are as follows:

Description	Fair Value Measurements as of December 31, 2023			
	Level I	Level II	Level III	Total
Mutual funds	\$ <u>9,838,879</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,838,879</u>
Total assets in the fair value hierarchy	\$ <u>9,838,879</u>	\$ <u>-</u>	\$ <u>-</u>	9,838,879
Investments measured at NAV practical expedient (a)				<u>15,090,574</u>
Total investments at fair value				\$ <u>24,929,453</u>

CHESTNUT DENTAL ASSOCIATES, P.C. PROFIT SHARING PLAN

Notes to Financial Statements

Note 4 - Fair Value Measurements (Continued)

Description	Fair Value Measurements as of December 31, 2022			
	Level I	Level II	Level III	Total
Mutual funds	\$ 8,295,923	\$ -	\$ -	\$ 8,295,923
Total assets in the fair value hierarchy	\$ 8,295,923	\$ -	\$ -	8,295,923
Investments measured at NAV practical expedient (a)				12,293,871
Total investments at fair value				\$ 20,589,794

(a) In accordance with Accounting Standards Codification ("ASC") Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 - Investments Measured using the Net Asset Value per Share Practical Expedient

The following table for December 31, 2023 and 2022 sets forth a summary of the Plan's investments with a reported NAV:

Investments	Fair Value* 12/31/2023	Fair Value* 12/31/2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trusts (b)	\$ 15,090,574	\$ 12,293,871	\$ -	Daily	1 Day

* The fair values of the investments have been estimated using the net asset value of the investment.

(b) See Note 4 for the description of the common/collective trusts.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as international conflict that could have an impact on investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

CHESTNUT DENTAL ASSOCIATES, P.C. PROFIT SHARING PLAN

Notes to Financial Statements

Note 7 - Related-Party Transactions and Party-In-Interest Transactions

Fidelity is the custodian of the Plan which qualifies as a party-in-interest. Sentinel Benefits and Financial Group ("Sentinel") is the third-party administrator of the Plan, which also qualifies as a related party. These transactions are exempt from the prohibited transaction rules, as defined by ERISA. Fees paid to Sentinel and other Plan service providers totaled \$39,324 for the year ended December 31, 2023. Notes receivable from Participants also qualify as exempt party-in-interest transactions.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, Participants would become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Note 9 - Tax Status

The Plan has adopted the Sentinel Benefits Group, Inc. Pre-Approved Defined Contribution Plan which obtained its latest opinion letter on November 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "Code"). The Plan has been amended since that date; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and continues to qualify under Section 401(a) and the related trust continues to be tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Reconciliation of Financial Statements to Form 5500

The accompanying Statements of Net Assets Available for Benefits, Statement of Changes in Net Assets Available for Benefits and the supplemental information have been prepared in accordance with accounting principles generally accepted in the United States of America. The information listed on Schedule H of Form 5500 has been prepared in accordance with procedures established by the third-party administrator. Although the net assets agree in total, certain items have been classified differently.
