Sightline Commercial Solutions 401(k) Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Sightline Commercial Solutions 401(k) Plan as of and for the year ended December 31, 2023 and have issued our report thereon dated October 10, 2024. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated March 22, 2024, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of Sightline Commercial Solutions 401(k) Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Trustees

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks:

Participant accounts, data and contributions require significant audit considerations due to the complexity of computing contributions, significant amounts of transactions and timing of remitting contributions.

Management override of controls is an issue for any entity of your size. Management's awareness of the risks was considered and there was no reliance on any controls in place during the audit.

Qualitative Aspects of Accounting Practices

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. A summary of the significant accounting policies adopted by the Sightline Commercial Solutions 401(k) Plan is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of the investments. We evaluated the key factors and assumptions used to develop the fair value of these investments in determining that their fair value is reasonable in relation to the financial statements for the plan as a whole. Most of the fair value estimates were based upon quoted prices in the open market. The estimate for the general account for the plan was based upon reliance on the custodian's certification statement as to the completeness and accuracy of accounting information, including the fair value of investments for the plan.

Financial Statement Disclosures

The financial statement disclosures are neutral, consistent, and clear.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Sightline Commercial Solutions 401(k) Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in our separate letter dated October 10, 2024.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Sightline Commercial Solutions 401(k) Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Sightline Commercial Solutions 401(k) Plan's auditors.

Other Matters

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the trustees and management of the Sightline Commercial Solutions 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Smith, Schaph and Associates, Ltd.

The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sightline Commercial Solutions 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sightline Commercial Solutions 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sightline Commercial Solutions 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sightline Commercial Solutions 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sightline Commercial Solutions 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matter — Supplemental Schedule Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – 2022 Financial Statement

The accompanying statement of net assets available for benefits of Sightline Commercial Solutions 401(k) Plan as of December 31, 2022 and the related notes to the financial statements were not audited, reviewed or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on them.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description and Summary of Significant Accounting Policies

The following description of the Sightline Commercial Solutions 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan which was established on January 1, 2023 and was last amended and restated effective November 1, 2023. The Plan covers substantially all employees (other than employees covered by a collective bargaining agreement, leased employees, non-resident aliens with no U.S. source income and project employees who do not meet other eligibility criteria and only work for the Company periodically) of Sightline Commercial Solutions, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Contributions

Each year, participants may contribute up to the maximum allowable not to exceed the limits of Internal Revenue Code (IRC), as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions in any amount up to the limits prescribed by law. The Plan has an automatic contribution arrangement whereby newly eligible employees who have not made an affirmative election regarding Plan participation are automatically entered into the Plan at a 3% deferral rate. The 3% deferral rate will remain in effect until the participant makes an affirmative election to increase or decrease their contribution rate. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their account into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Contributions (Continued)

The Company may contribute to the Plan discretionary matching and/or profit sharing contributions. Matching contributions, if any, are determined annually and may be a percentage of compensation or a fixed dollar amount. In addition, each year the Company may contribute a profit sharing contribution to the Plan. The Company's profit sharing contribution, if any, is allocated to participants using a pro rata allocation formula based on the ratio of each participants' compensation to total compensation for all qualifying participants. Participants direct the investment of their contributions, including Company contributions, into various investment options offered by the Plan. Company contributions do not exceed the maximum amount deductible by the Company under the regulation of the IRC.

Participant Accounts

Each participant's account, which is valued daily, is credited with the participant elective deferrals, discretionary matching and profit-sharing contributions (if any) and an allocation of Plan earnings and expenses. Allocations of Plan earnings are based on the valuation of the investments (participant-directed) held in each participant's account. The benefit the participant is entitled to is the benefit that can be provided from the participant's vested account balance.

Notes Receivable from Participants

Participants may borrow from their fund accounts (except for the Roth elective deferral portion of their accounts) a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, reduced by the participant's highest outstanding loan balance in the previous twelve months and the existing loan balance. Participants may only have one loan outstanding at any one time. Loan terms range from one to five years for general purpose loans or five to fifteen years for loans for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of 1% over the Wall Street Journal Prime Rate of interest at the time of the loan. Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's profit sharing and matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is fully vested in their matching portion of their account after 2 years of service, upon reaching age 65, upon death or upon permanent disability. A participant is fully vested in their profit sharing portion of their account after 3 years of service, upon reaching age 65, upon death or upon permanent disability.

Termination of employment before any of the above occurs activates the following vesting schedule for the matching portions of their accounts:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	100%

Termination of employment before any of the above occurs activates the following vesting schedule for the employer profit sharing portions of their accounts:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	34%
2	67%
3	100%

Forfeited Accounts

Terminated participants forfeit their non-vested balance upon the earlier of the receipt of their vested benefits or after incurring five consecutive one-year breaks in service. Forfeitures are first used to pay plan expenses with any excess forfeitures used by the employer to reduce profit sharing or matching contributions. For the year ended December 31, 2023, forfeited non-vested accounts totaled \$462. Forfeitures in the amount of \$474 were used to pay plan administrative expenses in 2023. There were no forfeitures used to reduce employer contributions in 2023. As of December 31, 2023, there were no forfeited non-vested amounts available to pay plan expenses or reduce future employer match contributions.

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Upon termination of employment, death, disability or reaching normal retirement age (65), participants or their beneficiary(ies), where applicable, may receive the value of the accrued vested benefit in the form of a lump sum payment, or in the form of non-recurring partial payments; or if the balance exceeds \$5,000, may elect to defer the distribution in accordance with Plan guidelines. If the participants' vested account balance is less than \$1,000, the Plan will distribute the participant's vested account balance in a lump-sum payment, with or without the participant's consent. If a terminated participant's balance is between \$1,000 and \$5,000, the Plan will distribute the participant's balance to an IRA setup for the benefit of the participant, absent any other direction from the participant.

The Plan allows for hardship withdrawals from the employee elective deferral, rollover, matching and profit sharing portions of the participant's account. The Plan allows for in-service distributions of participants' accounts upon the participant's attainment of age 59 ½ or normal retirement age (age 65). In-service distributions of rollover account balances are allowed at any time. Benefit payments are recorded upon distribution to participants.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

All purchases and sales of securities have been recorded on a trade-date basis. Income is recorded as earned. Dividends are recorded on the ex-dividend date. The increase or decrease in the fair value of investments represents the net difference between the current value of securities held at the beginning of the year or cost of securities purchased during the year and the current value of securities held at the end of the year.

Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan. Distribution processing fees as well as participant loan setup and maintenance fees are deducted from the benefits paid to participants and are shown as plan expenses in the statements of changes in net assets available for benefits along with certain recordkeeping and investment related expenses.

SIGHTLINE COMMERCIAL SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 10, 2024, the date the financial statements were available to be issued.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2024 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

2. Certification of Investments

The Board of Directors has appointed Ascensus Trust Company as Trustee of the Plan's assets. Ascensus Trust Company has supplied the Plan Administrator with a certification as to the completeness and accuracy of Plan investments and notes receivable from participants aggregating \$8,772,815 as of December 31, 2023, and the related investment income of \$830,813, and interest on notes receivable from participants of \$6,944 for the year ended December 31, 2023. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule based on the certifications from Ascensus Trust Company.

Under the terms of the trust agreement, the Trustee manages investment funds on behalf of the Plan. The Trustee has been granted nondiscretionary authority concerning the purchases and sales of the Plan's investments. Therefore, the Trustee has been instructed on all purchases and sales of Plan investments by either the Company or each individual Plan participant when decisions affect their personal account balance and investments.

SIGHTLINE COMMERCIAL SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Observed market-based inputs or unobserved inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

General Account investments: Fair value represents the value the Plan would receive if the various contracts were terminated, which is book value less any early withdrawal charges.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SIGHTLINE COMMERCIAL SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Fair Value Measurements (Continued)

The following table reflects the Plan's investments within the fair value hierarchy at December 31, 2023:

	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 8,396,409	\$ 8,396,409	\$ -	\$ -
General Account investments	205,765	205,765	-	-
Total Investments	<u>\$ 8,602,174</u>	<u>\$ 8,602,174</u>	<u>\$ -</u>	<u>\$ -</u>

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants or their beneficiaries become 100% vested in all accounts and are entitled to a distribution of 100% of their account balances in all funds.

5. Plan Tax Status

The Company adopted a non-standardized 401(k) Profit Sharing Plan and Trust which received a favorable opinion letter dated June 30, 2020, from the Internal Revenue Service which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The non-standardized 401(k) Profit Sharing Plan and Trust has been amended since receiving its determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Plan management evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities as of December 31, 2023, and the Plan's federal tax returns generally remain open for three years.

SIGHTLINE COMMERCIAL SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. Concentration Risk

Individual investments representing 20% or more of the total investments subject the Plan to potential concentration risk. As of December 31, 2023, investments over the 20% threshold were as follows:

Vanguard Target Retirement 2045 Fund	\$ 1,806,704
--------------------------------------	--------------

7. Risk and Uncertainties

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Party-in-interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Ascensus, LLC manages certain Plan investment transactions; therefore, the transactions qualify as party-in-interest transactions. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

The Plan issues loans to participants, which are secured by the participant account balances. These qualify as party-in-interest transactions but are permitted under ERISA regulations. Additionally, certain employees of the Company provide certain accounting and administrative services to the Plan for which no fee is charged. These transactions are also permitted under ERISA regulations.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Plan's Form 5500 for the year ended December 31, 2023.
