INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Kidz Medical Services, Inc. 401(k) Profit Sharing Plan
Coral Gables, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kidz Medical Services, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kidz Medical Services, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

HLB Gravier, LLP is a member of  International. A world-wide organization of accounting firms and business advisers.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kidz Medical Services, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kidz Medical Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kidz Medical Services, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kidz Medical Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) – Schedule H, Line 4(i) as of December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

KIDZ MEDICAL SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 – Description of the Plan

The following brief description of the Kidz Medical Services, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Kidz Medical Services, Inc. and Emergency Pediatric Services, Inc. (effective May 1, 2022) (the “Companies”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator, Custodian, and Trustee

The Plan’s administrator, recordkeeper, and trustee are as follows:

Plan Administrator – Kidz Medical Services, Inc.

Trustee – Hands Benefits & Trust Company (HB&T), a subsidiary of Benefits Plan Administrative Services, Inc.

Recordkeeper / TPA – BPAS Plan Administration & Recordkeeping Services (“BPAS”) a subsidiary of Benefits Plan Administrative Services, Inc.

For the year ended December 31, 2022

Trustee – Great-West Trust Company, LLC an affiliate of Empower Retirement, LLC (“Empower”), through April 30, 2022, and Hands Benefits & Trust Company (HB&T), a subsidiary of Benefits Plan Administrative Services, Inc., effective May 1, 2022.

Recordkeeper / TPA – Empower Retirement, LLC (“Empower”), through April 30, 2022 and thereafter BPAS Plan Administration & Recordkeeping Services (“BPAS”) a subsidiary of Benefits Plan Administrative Services, Inc., effective May 1, 2022.

Eligibility Requirements

Employees who are twenty-one years of age or older, have completed 1,000 hours of service to receive credit for one year of service, and have reached the entry date are eligible to participate in the Plan. Employees that are unionized and certain non-resident aliens who have no earned income from sources within the United States are not eligible to participate in the plan. The entry date will be the first day of the first or the seventh month of the Plan year coinciding with or the next month following the date the eligibility requirements are met.

Requirements for Contributions

Eligible participants may elect to contribute before-tax or Roth after-tax contributions of 1% to 100% of eligible earnings not to exceed Code limits of \$22,500 for 2023. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

KIDZ MEDICAL SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 – Description of the Plan (continued)

Participants who have attained at least age 50 by the end of the year may elect to defer additional amounts to the Plan for that year subject to Code limits. Subject to eligibility requirements under the Plan, the Company may elect to match the participants' contributions or elect to make discretionary non-elective contributions to participants who were employed on the last day of the Plan year and had completed 1,000 hours of service during the year. The percentage of the match, if any, is at the Company's discretion. The Company made a discretionary matching contribution of \$1,124,606, net of forfeitures, for the 2023 plan year.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated default investment until changed by the participant. If the employee wants to contribute a different percentage, they can change the initial automatic contribution percentage.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocations of the Company contributions and Plan Earnings, and charged with an allocation of Plan losses and administrative expenses not otherwise paid by the Company.

Participant accounts are reduced by the amount of withdrawals made by the participant during the plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participant loans are not permitted under the Plan.

Payment of Benefits

Upon retirement, disability, termination of service or reaching 65 years of age, distributions are made to participants in the form of a lump sum distribution or in installments if participant is subject to required minimum distributions.

Also, an automatic mandatory lump sum distribution will be made to those participants who have a vested benefit that does not exceed \$5,000 upon termination of their employment. The non-vested balance, if any, reverts to the Plan.

As further described in the Plan document, early withdrawals are generally limited to cases involving financial hardship and deemed military service. Effective, May 1, 2022, the Plan permits in the event of a hardship, participants may only withdraw their pre-tax and Roth elective deferral accounts, including earnings.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 – Description of the Plan (continued)

Vesting Percentage

Participants are immediately vested in their elective deferrals and transfer contributions plus actual earnings thereon. Participants are generally vested in the Company's discretionary matching and discretionary non-elective contributions portion of their accounts plus actual earnings thereon based on years of credit service as follows:

<u>Years of Vesting Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants are 100% vested if they are employed on or after their normal retirement age of 65, or if a participant incurs a severance of employment as a result of death or disability. Each 12-month period for which an LTPT employee has at least 500 hours of service is treated as one year of service.

Forfeitures

The non-vested portion of fund assets allocated to a participant's account is forfeited upon termination of service. The forfeitures may be used to reduce future employer non-elective or matching contributions or reduce payments of plan expenses. As of December 31, 2023 and 2022, the forfeiture balance was \$23,756 and \$53,572, respectively. During 2023 and 2022, employer non-elective contributions were reduced by \$35,000 and \$53,572.

Plan Amendments

The Plan was restated effective May 1, 2022, to update the Trustee of the Plan to HB&T and the recordkeeper/TPA to BPAS. In addition, effective May 1, 2022, the Plan Administrator approved and the Plan was restated to merge in the plan of Emergency Pediatric Services, P.A. 401(k) Plan. This restatement also included the adoption to comply with the requirements of the SECURE Act provisions, the Coronavirus, Aid, Relief and Economic Security (CARES) Act, and the Consolidated Appropriations Act, 2021 (CAA).

The SECURE Act provisions allow an employee working at least 500 hours during each of three consecutive 12-month periods to become an eligible participant (Long-Term Part-Time Employee or "LTPT employee") and to make deferrals on the entry date provide that the participant has attained the applicable age requirement on such date.

The twelve-month periods prior to January 1, 2021 are not considered in determining the three-consecutive year time period; therefore the earliest employees would be eligible under this provision is January 1, 2024.

Note 2 – Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. The collective trust fund is valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Company has evaluated subsequent events and transactions for potential recognition or disclosure through October 10, 2024, which is the date the financial statements were available to be issued.

Note 3 – Trustee Certification

The Plan administrator has elected the method of compliance performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by:

- (1) Hand Benefits & Trust Company for the period from January 1, 2023 through December 31, 2023; and
- (2) Great-West Trust Company, LLC from January 1, 2022 through April 30, 2022 and Hand Benefits & Trust Company for the period from May 1, 2022 through December 31, 2022. Trustees of the Plan, as complete and accurate except for comparing such information certified by the trustee with information included in the plan's financial statements and supplemental H, line 4i-Schedule of Assets (Held at End of Year):

As of December 31,			
	2023		2022
Mutual funds	\$ 52,471,994	\$	44,338,393
Collective investment funds	\$ 25,556,195	\$	21,311,259

The trustee also certified to the completeness and accuracy of \$10,475,440 net appreciation in fair value of investments, \$1,470,025 of interest and dividend income, related to the aforementioned investments for the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS

Note 4 – Fair Value Measurements

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as : • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at quoted market prices, which represent the net asset value of shares held by the plan at year end.

Collective investment funds ("CIF"): CIFs are valued at their respective Net Asset Values ("NAV") as reported by such trusts. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The NAV has been determined by the trustee sponsoring the CIF by dividing the trust's net assets at fair value by its units outstanding at the valuation dates. There are no restrictions as to the redemption of these investments, nor does the Plan have any contractual obligations to further invest in any of these CIFs.

KIDZ MEDICAL SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 4 – Fair Value Measurements (continued)

There have been no changes in the methodologies used at December 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table provides information as of December 31, 2023 and 2022 about the Plan's financial assets carried at fair value on a recurring basis.

Fair Value Measurements at December 31, 2023:

	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 52,471,994	\$ 52,471,994	-	-
Collective investment funds (1)	25,556,195	-	-	-
Total investments at fair value	\$ 78,028,189	\$ 52,471,994	\$ -	\$ -

Fair Value Measurements at December 31, 2022:

	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 44,338,393	\$ 44,338,393	-	-
Collective investment funds (1)	21,311,259	-	-	-
Total investments at fair value	\$ 65,649,652	\$ 44,338,393	\$ -	\$ -

- (1) In accordance with ASC Topic 820-10, certain investments that were measured using the net asset value practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan Administrator evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no significant transfers in or out of levels 1, 2 or 3.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its discretionary matching contribution at any time and to modify, suspend or terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their employer contributions.

KIDZ MEDICAL SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 6 – Related Party Transactions and Party In Interest Transactions

On May 1, 2022, Plan Management entered into an Administrative Service Agreement with BPAS Plan Administration & Recordkeeping Services (“BPAS”) to provide third-party administration and consulting services. The Plan paid BPAS approximately \$6,000 for record-keeping services in 2023 plus an additional 0.08 percent that is charged against plan assets. The plan pays asset-based administrative and fiduciary service fees of 0.07%. In connection with this Administrative Service Agreement, advisory fees of 0.095 percent and education strategy fees of 0.095 percent are charged against plan assets and paid to Wright Investors’ Service and First National Bank of South Miami, respectively.

Note 7 – Tax Status

The Internal Revenue Service has determined and informed Benefit Plans Administrative Services, LLC and Plan management by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more than likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, no uncertain tax positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
